A truth's initial commotion is directly proportional to how deeply the lie was believed.It wasn't the world being round that agitated people, but that the world wasn't flat. When a well-packaged web of lies has been sold gradually to the masses over generations, the truth will seem utterly preposterous, and its speaker a raving lunatic.

The Nameless War Captain Ramsay.
Jewish Encyclopedia, Sombart's work, The Jews and Modern Capitalism, and others. From these we learn that Cromwell, the chief figure of the revolution, was in close contact with the powerful Jew financiers in Holland ; and was in fact paid large sums of money by Manasseh Ben Israel ; whilst Fernandez Carvajal, "The Great Jew" as he was called, was the chief contractor of the New Model Army.In The Jews in England we read :"1643 brought a large [14] contingent of Jews to England, their rallying point was the house of the Portuguese Ambassador De Souza, a Marano (secret Jew). Prominent among them was Fernandez Carvajal, a great financier and army contractor." P.10

"I recognised the forces behind Bolshevism not to be Russian, but international. In the autumn of 1938 I was made acquainted with the fact that the power behind World Revolution was not just a vague body of internationalists, but organized World Jewry."
~ Capt. Archibald Maule Ramsay

In spite of Ramsay's birth, his publicly fine career, and the position of his wife and family, the British judge openly called him a "traitor" and an "associate of thieves and felons." Without prejudice, we report the quiet retort of this friend and confidant of Kent:

"I would not doubt, your Honor, but that I am a better English patriot than you are." P 37

"Nevertheless, if any value liberty, and set out to seek truth and defend it, this duty of personal investigation is one which they cannot shirk. To accept unquestioningly the lies and misrepresentations of a Jew-controlled or influenced press, is to spurn truth by sheer idleness, if for no worse reason. To act on such unverified a basis is to sin against the Light."
~ Capt. Archibald Maule Ramsays

Captain Archibald Henry Maule Ramsay (4th May 1894 – 11th March 1955) was a British Army officer who later went into politics as a Scottish Unionist Member of Parliament (MP). After the Spanish Civil War broke out, Ramsay became a strong supporter of the Nationalists under Franco, and in the early months of the war he objected in Parliament to bias in BBC news reports on Spain, and pointed to links between Spanish 'Republicans' and the Jewish Bolsheviks who had seized Russia. In the House of Commons Ramsay was the main critic of allowing Jews into the government as this tribe sorts its own interests at the expense of the British people. In 1938 Ramsay became aware of a plan to hold a conference in London organised by the 'International Federation of Freethinkers'. He denounced this in Parliament as a "Godless Conference" operated by a Moscow-based organisation. On 28th June 1938 Ramsey introduced a Private Member's Bill the "Aliens Restriction (Blasphemy) Bill". He won the vote by 165 to 134. A bill such as this would have prohibited conference attendees from entering Britain yet it went no further indicating heavy manipulation by Jewish interests to further Bolshevik activities. Also that year Ramsey began a campaign to have Leslie Hore-Belisha sacked as Secretary of War. In one speech on 27th April he warned that Hore-Belisha would lead Britain to war with our blood-brothers of the Nordic race in order to make way for a Bolshevised Europe, a speech that turned out to be highly prophetic. The Right Club was set up by the Captain a few months before the war in May 1939 "to oppose and expose the activities of Organised Jewry". In meetings chaired by the Duke of Wellington it sought to influence government policy to stop war with Germany.

A short-lived Soviet in Hungary was set up by another Jew, Bela Kun (actual name, Cohen),in 1919. There were 32 days of murdering, torturing Christians, burning nuns alive in ovens and other atrocities, as related to me by eyewitnesses. When this regime fell, Jews and their cohorts who conducted it were killed in large numbers by outraged citizens.

**Thus the answer to the question, "Who has won?", as between Cromwell and the Stuarts, seems to have been, the Jews.P94**
**The state of servitude into which England had fallen at this period was shown by two symbolic events.**
**In June 1956 the "Anglo-Jewish Community" held a banquet at the Guildhall to commemorate "the three hundredth anniversary of the resettlement of the Jews in the British Isles"; the young Queen's consort, the Duke of Edinburgh, was required to appear in a Jewish skullcap. .... In his speech the president of this body, a Mr. Isaac Foot, recommended that the young Prince Charles, when he reached the throne, take the name of "Oliver II", because "We don't want Charles III".P364**
**Controversy of Zion - Douglas Reed.**

Here also there existed a wonderful field for disruptive criticism ; for although it was a Christian kingdom, yet it was one most sharply divided as between Protestant and Catholic. A campaign for exploiting this division and fanning hatreds between the Christian communities was soon in process of organization. How well the Jews succeeded in this campaign in Britain may be judged from the fact that one of the earliest acts of 'their creature and hireling' Oliver Cromwell, after executing the King according to plan, was to allow the Jews free access to England once more.....

"ARE THESE THINGS SO?" 1934
"No one can dispute that Jewdom takes a leading part in polluting and corrupting all relations. A characteristic of the Jew is the stubborn endeavor to produce values without work, and this being a matter of impossibility, it simply means that these values are artificially produced by swindling and cor-ruption, by manoeuvres of the Stock Exchange in conjunction with the Press in order to spread false rumours, and by other and similar methods. These artificial and fictitious values are then acquired, unloaded and exchanged for genuine values,produced by real work, only to melt away and vanish in the hands of their new owners like Marguerite in the arms of Faust. The representatives of corruption on the Exchange, in the Press and in the Theatre in my novel, 'The Old and Young,' representatives of that class who strive to enrich them- selves without working, are therefore Jews." FRIENDS OF THE ROTHSCHILDS. Chapter X-The Rothschild family cunningly and perseveringly insinuated itself into " society " who wielded power in the affairs of Europe... In a letter written by H. Reeve to Chas. Greville, he states" Rothschild says : ' Lord Palmerston is a friend of the House , headines with us at Frankfort, but he has the disadvantage of depressing the funds all over Europe without giving us notice.' " . (X, letter 20thDecember, 1845).The ]ewish Encyclopedia (B, Vol. IX., p. 454) writes of the Jew DonPacifico who live in Athens, " When the Easter burning of Judas Iscariot customary in that city was given up in 1847 at the request of P47 the Rothschilds, the mob in revenge burned down Pacifico's house,whereupon he claimed compensation to the amount of £26,618. When this rather preposterous claim .... was not treated seriously by the Greek

Government, Lord Palmerston sent a British Fleet to Piraeus(1850) and seized all the ships in the harbour." This led to the with-drawal of the French Ambassador from London. As a consequence of all this, the Government was defeated by 37 votes, but in spite of that the Cabinet decided to do nothing about it. In the debate, "Such shuffling, special pleading, and paltry evasions were never before heard from public men of their eminence and character " (K, 19th May, 1850).lt is likely that Lord Palmerston used the Rothschilds at least as much as they used him. He was a friend of Hon. Henry Fitzroy whose wife was a Rothschild, and he spoke in 1840 at the Mansion House meeting of protest against the threatened execution of the Jewish Ritual Murderers of Damascus (see p. 53)

hates the Russians with reason. He told me some of their methods. For example, in order to make one of his Bishops sign a false certificate with respect to two priests, they did nothing to the Bishop but brought a young girl into his cell and began to methodically beat her to death in order to cause the Bishop to write. The girl urged him not to, but naturally the Bishop could not stand the sight of this brutality and signed. In order to make the best of the thing, the Russians had had a sound recorder put in the room, making a record of the girl's screams, which they then played outside the room of any other man they intended to work on at a future time. He stated that several Polish Bishops had been shot because they refused to become members of the Greek Church, but that this took place only in Eastern Poland.

Another form of securing testimony is to hang a man by his wrists, but with bandages around them so as not to cut in and make marks - then to make two incisions in the lower abdomen and allow a portion of the intestines to hang out. After the man has taken all he can without dying he is cut down, sewed up, and restored to health with the promise that if he does not do, or write, whatever he is told to, the operation will be repeated. In almost every case the fear of the second torture induces the man to behave as they desire.

According to the Bishop, more than two million Poles have been taken to Russia for slave labor. In every case, when they do this they split families. Furthermore, they always lie as to what

From Pattons Diary, how the Allies extracted confessions for their Judeo-Masonic masters. General Pattons Diary entry 8th August 1945

**Legendary U.S. General George S. Patton realized late in WW2 that the United States fought the wrong country.**

Patton felt the U.S. should have sided with Germany to destroy Jewish Bolshevik/Communist USSR.

This information comes from Patton's diary entries, letters he wrote to his wife, and comments he made to military officers and staff.

One diary entry of General Patton said –

"If what we are doing (to the Germans) is 'Liberty, then give me death.' I can't see how Americans can sink so low. It is Semitic, and I am sure of it."

"We have destroyed what could have been a good race, and we are about to replace them with Mongolian savages. And all Europe will be communist."

"It's said that for the first week after [the Soviets] took [Berlin], all women who ran were shot and those who did not were raped. I could have taken it had I been allowed."

"There is a very apparent Semitic influence in the press. They are trying to do two things: first, implement communism, and second, see that all businessmen of German ancestry and non-Jewish antecedents are thrown out of their jobs."

"We fought the Revolution in defense of the rights of man and the Civil War to abolish slavery and have now gone back on both principles."

# General George S. Patton discovered the deceit behind the war with Germany.

**Once it became obvious that Patton refused to perpetuate the lies, he was conveniently involved in an automobile accident. The veteran of two world wars appeared to be recovering from his injuries before dying of sudden heart complications. No autopsy was permitted.**

Germanys Hitler...
He came face to face with Communism, Marxism, Jewdom, with Capital and Labour, with problems of race deterioration, immorality and disease, and instead of accepting the proffered panacea of any already existing theories of betterment, he smashed, as it were, every one of these hard stones to powder in the powerful machine of his own thought, and began afresh, from the very beginning and with very far reaching vision, to build up in his own mind the entire State afresh as a State fit for decent human beings to live in. He tells of a discussion, one day, on a scaffolding high up on one of the palaces of Vienna, between himself and some Communist fellow-workmen. The young Hitler had not yet made up his mind as to his own political creed. The Communists were impatient and offered him the alternative of joining their lot or of being summarily stood off the job. It was in the midday pause: they had been arguing and munching bread on the scaffolding. When the hour struck for turning to again young Hitler found he wasn't wanted any more. The foreman dismissed him... He could not persuade himself that these Marxist mates of his were in the right of it. Merely, so far, from observation, it seemed to him that the Marxist theory offered a paradise quite impractical in reality; he had no sympathy with its anti-religious side, and no faith in its message to the working man.

Buried Alive Screaming In The Night: German POW Survivors Describe Eisenhower's Extermination Camps After WWII Had Ended.
One night in April 1945, I was startled out of my stupor in the rain and the mud by piercing screams and loud groans… I saw this bulldozer moving forward through the crowd of prisoners who lay there. In the front it had a blade making a pathway. How many of the prisoners were buried alive in their earth holes…A similar incident occurred at the American camp at Rheinberg in mid-June 1945… the last act of the Americans at Rheinberg before the British took over was to bulldoze one section of the camp level while there were still living men in their holes in the ground.

WW1 - Lord Kitchener Assassination.
Lord Kitchener, who held this view, was of immense authority and public popularity. The paramount military objective at that stage, he held, was to keep Russia in the war (the Zionists wanted Russia's destruction and so informed the Vigorous Protestants). Lord Kitchener was sent to Russia by Mr. Asquith in June 1916. The cruiser Hampshire, and Lord Kitchener in it, vanished. Good authorities concur that he was
the one man who might have sustained Russia. A formidable obstacle, both to the world-revolution there and to the Zionist enterprise, disappeared. Probably Zionism could not have been foisted on the West, had he lived. I remember that the soldiers on the Western Front, when they heard the news, felt that they had lost a major battle. Their intuition was truer than they knew. .....
After that only Asquith, Robertson, Haig and the Jews of England stood between Zionism and its goal. The circle of intrigue widened. The Times and Sunday Times joined the Manchester Guardian in its enthusiasm for Zionism, and in or around the Cabinet new men added themselves to Balfour and Lloyd George. Lord Milner (about to join it) announced that "if the Arabs think that Palestine will become an Arab country they are much mistaken"; at that moment Colonel Lawrence was rousing the Arabs to revolt against an enemy of the Allies, the Turk. Mr. Philip Kerr (Later Lord Lothian, at that time Mr. Lloyd George's
amanuensis) decided that "a Jewish Palestine" must come out of the chastisement of "the mad dog in Berlin" (as the Kaiser was depicted to "the mob"). Sir Mark Sykes, Chief Secretary of the War Cabinet, was "one of our greatest finds" (Dr. Weizmann), and broadened the idea into "the liberation of the Jews, the Arabs and the Armenians".
By means of such false suggestions is "the multitude" ever and again "persuaded". The Arabs and Armenians were where they always had been and did not aspire to be removed elsewhither. The Jews in Europe were as free or unfree as other men; the Jews of Palestine had demonstrated their eagerness to go to Uganda, the Jews of Europe and America wanted to stay where they were, and only the Judaized Khazars of Russia, under their Talmudic directors, wanted possession of Palestine.
The Controversy of Zion by Douglas Reed.
“When Lord Kitchener was asked to go to Russia to reorganize the Russian army, his boat, the S. S. Hampshire was torpedoed, and a meeting was held in London on the question of how Lord Kitchener met his death. No one dared speak. Not one speaker would tell the audience how Lord Kitchener met his death. Had he lived the whole war would have changed.”

Controversy of Zion Douglas Reed.
As long ago as the 1920's for instance, the Maharajah of Kashmir asked Sir Arthur Lothian (as that British diplomat relates), "why the British government was establishing a 'Yehudi ka Raj' (Rule of the Jews) in India. I demurred to this description, but he insisted that it was true, saying the Viceroy, Lord Reading, was a Jew, the Secretary of State, Mr. Edwin Montague, was a Jew, the High Commissioner, Sir William Meyer, was a Jew, and what more evidence did I want?" Thus a remote Indian Maharajah, thirty years ago, clearly saw the true shape of coming events in the Western world.I quoted earlier the statement of the

Egyptian Prime Minister to Count Bernadotte, that "Jewish economic power controlled the economic system of. . . the United States, England, France, Egypt itself. . ."
In the seven years that have passed the leaders of all the Arab states have openly and repeatedly charged that the American government has become merely the instrument of Zionist ambitions and have pointed to their own experience as the proof.P311

Hitler compared the British Empire with the Catholic Church—saying they were both essential elements of stability in the world. He said that all he wanted from Britain was that she should acknowledge Germany's position on the Continent. The return of Germany's lost colonies would be desirable but not essential, and he would even offer to support Britain with troops if she should be involved in any difficulties anywhere. He remarked that the colonies were primarily a matter of prestige, since they could not be held in war, and few Germans could settle in the tropics.

Gentiles Folly The Rothschilds. by Arnold Leese.
Thus, when the (American )Civil War (1861-5) broke out between North and South, the Rothschilds of Europe were obviously very deeply involved on both sides. It is important to remember here that they were never in good odour with Napoleon III., who borrowed not from them but from other Jews. Napoleon III. had very definite plans as to the future of America, and the Rothschilds evidently had a somewhat similar scheme. The distrust of Napoleon III. for the Rothschilds, however, made it impossible for them openly to support him in his efforts with money. Napoleon III.'s idea was to establish a new Empire by acquiring Mexico and some of the Southern United States, and he wanted Britain to come in with him to compel the North

to abandon the blockade of the Southern ports. The South (the Confederates), hard-pressed, were trying to secure Napoleon III.'s intervention in their favour, which they hoped to get by offering him some territory, viz.: Louisiana and Texas. The Confederate Government had the Jew Judah P. Benjamin as their Secretary of State, and the Jewish Encyclopædia (B, Vol. III., p. 30) removes all doubt as to what was going on, for it says:

"Unfortunately a thorough study of the diplomacy of the Confederacy has not yet been published, nor any adequate biography of Benjamin, of which that would be the principal chapter. But by such a publication it would be shown how near the Confederacy came to securing European intervention—particularly through the aid of Napoleon III.—by the tempting and statesmanlike efforts of the Confederate State Department under Benjamin's direction, and to the probable transformation of an insurrection into a successful revolution in consequence."

That Benjamin had, before the Civil War, actually conversed with Napoleon at Biarritz on this very subject of a French Dominion in America is revealed in Clew's Fifty Years in Wall Street (Z.3, p. 62).

Aided by Jewish loans, through the Credit Mobilier and backed by the Pereira firm, Napoleon's nominee, Maximilian of Austria, landed in Mexico in 1864 to become its short-lived Emperor. But the plot failed. Britain would not play her part. The man who prevented it was Tsar Alexander II. of Russia! He sent his fleet, such as it was, across the ocean and put it at Abraham Lincoln's disposal, so that the British and French knew that if they attempted to carry out the scheme of Napoleon III., they would find themselves engaged in hostilities with Russia. This bit of secret history has never been allowed to become public property.

Arnold Leese- {The Ashkenazim (or German) Jews, which compose nine-tenths of the Jewish nation, are the descendants of the inhabitants of the Khazar Empire, who were converted to Judaism by Jewish missionaries in 720 A.D.} so that first Rome and later the Christian Church forbade the embracing of Judaism. "The Jews fully believed that it was their destiny to be a light to the nations and they acted upon this belief. They attracted the Gentiles to their synagogues, they sent out preachers among the pagans to spread their teaching far and wide," writes the Jew, Norman Bentwich. It was when he was forced under cover that the Jew stealthily pursued his aim and attacked the spiritual and intellectual stronghold of the Gentiles of whatever religion, Christian,Mahommedan or Buddhist, by means of subtle penetration, i.e., destruction from within.

At the Versailles Conference(1919), it was actually proposed that no restriction should in future be placed upon international movements on account of Race. The only opposition to this outrageous proposal for mongrelising the world into a universal khaki-skinned mob, came from Mr. W. M.Hughes, Prime Minister of Australia, who intimated that the six and a half million people of that country were ready to defend themselves against the whole world rather than submit to Race-mixture.

The results were soon to be observed; Dudley Wright, in his booklet, The Jew and Freemasonry, says: "Certainly the admission of Jews to the membership of English Lodges dates
from a very early period in the history of organised Freemasonry in England"; he then quotes an
article from the Daily Post of September 22nd, 1732, referring to a meeting of a Lodge at the Rose Tavern, where "in the presence of Jews and Christians," a new member was admitted by Mr. Daniel Delvalle, "an eminent Jew Snuff Merchant."
Brother W. Sanderson of the English Mistery, says on page 55 of his book, "That which was Lost: a Treatise on Freemasonry and the English Mistery": "It is very easy now, but quite unfair to criticise the founders for introducing Judaic traditions. They had gone a very long way by suppressing the New Testament for the sake of the harmony between Christian and Jew" (our italics). That seems clear enough! And this was in 1723, when the number of Jews in England must have been very small! It is, however, clear that the power of the Jew was already beginning to be felt.

The Jewish Tribune newspaper, in 1927, in an editorial, stated:
"Freemasonry is based on Judaism. Eliminate the teachings of Judaism from the Masonic ritual and what is left?"

Do you see how they turned the whole thing around on BOTH the "mainstream media" AND the "alternative media"!!!

Now they have become the same!!

## FREEMASONRY.

TO THE EDITOR OF THE JEWISH CHRONICLE.

SIR,—In reference to the above subject, there is not, nor can there be, any objection to Jewish Brethren rising to the highest offices, either in Craft or Royal Arch Masonry; it has been ever universally admitted by the order, that to part Masonry and Judaism is impossible; in fact, to use a well known axiom amongst us, "Judaism is Masonry, and Masonry is Judaism." How can it be otherwise, when the very foundation of the Order is of the Bible, biblical, so as to render it impossible to bring anything of a sectarian tendency into the question, by alluding to the juxtaposition of the Old and New Testament. Granted your correspondent is all he says, surely as a Past Master he ought to know that in our order we recognize no creed; that Jew, Christian, Turk, or Hindoo, alike meet on equality, and that this law is the greatest safeguard that we of the order possess. Your correspondent is evidently a young Mason, although, as he says, a decorated Past Master, and is painfully vague when he says it is known that

## THE TALMUD AND THE GOSPELS.

(Continued from our last.)

MATTHEW, CHAPTER VI.

Verse 5.—"And when thou prayest, thou shalt not be as the hypocrites are, for they love to pray standing in the synagogues." True, the Talmud prefers and recommends congregational prayers in the Temple, because it gives more solemnity to Divine service, and stimulates the souls of the congregants to devotion, while private prayers within the retirement of our four walls, where we are surrounded by the busy life of family concerns, must necessarily lack that elevation of soul, without which prayers are only lip devotion. "I address my prayer to Thee, O Lord, in an acceptable time" (Psalms lxix. 13). Which time can then be considered as such?—"The time when a whole congregation prays to God" (Berachot ch. 8). But with whom the right is, practice has decided long ago; and Christianity, in erecting churches for public worship, has swerved from the injunctions of its Master.

Verse 6.—"But when thou prayest, enter into thy

Theodor Herzel

**Hitler kicked the Rothschilds out of Germany and closed their central bank.**

**He eliminated all freemasons and opened up the lodges for the public to see.**

He Created over 6,000,000 jobs in 2 years and the world began to take notice of what could bedone when free of jews.

For the jews to continue leeching the planet Germany had to be destroyed

"The synagogue is worse than a brothel… it is the den of scoundrels and the repair of wild beasts…the temple of demons devoted to idolatrous cults…the refuge of debauchees, and the cavern of devils. It is a criminal assembly of Jews…a place of meeting for the assassins of Christ…a den of thieves, a dwelling of iniquity, the refuge of devils, a gulf and an abyss of perdition. I would say the same things about their souls."

CHINESE JEWS?

The Talmud is the law and gospel of the Jews. It is their bible and civil law as defined and interpreted by their chief priests and Rabbis.

"It must be admitted by every critical student of history that the Talmud has not merely been the means of keeping alive the religious idea among the Jews, but has formed their strongest bond of union."*

It is not the Talmud but the rabbi that has kept alive the racial and religious solidarity and bigotry and intolerance of the Jews.

The following brief quotations from "The Talmud Unmasked"** are examples of it:

" The life of a Goi and all his powers belong to a Jew." (A. Rohl. Die Polem. p. 20)." (P. 71).

"In Choschen Ham. (266.1) it says: 'A Jew may keep anything he finds which belongs to the Akum, for it is written: Return to thy brethren what is lost (Deuter. XXII, 3 ) . For he who returns lost property (to Christians) sins against the Law by increasing the power of the transgressors of the Law.'" (P. 72).

"In Midrasch Talpioth (fol. 225d) it says: 'God created them in the form of men for the glory of Israel. But Akum were created for the sole end of ministering unto them (the Jews) day and night. Nor can they ever be relieved of this service. It is becoming to the son of a king (an Israelite) that animals in their natural form, and animals in the form of human beings should minister unto him'." (P. 50).

"And in Eben Haezer (44, 8) : 'If a Jew enters into mar-riage with an Akum (Christian), or with his servant, the mar-riage is null. For they are not capable of entering into matrimony. Likewise if an Akum or a servant enter into matrimony with a Jew, the marriage is null'." (P. 51).

Many of these dicta are ancient but have never been repud-iated or repealed and the spirit of them still prevails.

Timeline Of The Jewish Genocide Of The British People.

them extremely unpopular with both the Church and the general public.
1290: King Edward I finally expelled the jews from England. The jews swore their revenge.
1649: The jews financed Oliver Cromwell's otherthrowing and beheading of Stuart King Charles I after he refused them control of England's finances.
1655: The jews were readmitted to England by their puppet Oliver Cromwell.
1660: With the British People becoming sick of austerity under the jewish puppet Oliver Cromwell, Charles Stuart landed in Dover in May 1660 and was restored as King Charles II of England, Wales, Scotland and Ireland to wide popular acclaim. The jews planned their revenge.
1688: The jews ordered William III Prince of Orange (formerly a Dutch soldier called William Stadholder)to land in England at Torbay. Because of an ongoing Campaign of L'Infamie against King James II contrived by the jews, he abdicated and fled to France.
1694: William III of Orange (AKA William Stadholder) who the jews had installed as the King of England, asked the jews for financial help to keep the Stuarts at bay. Jews issued first bank notes on interest to William of Orange and first central bank had its beginnings. The Bank Of England was established.

1773: Mayer Rothschild created the World Revolutionary Movement and Red-Flag Socialism as the banksters' means of overthrowing National ruling elites (e.g. French and Russian Revolutions). Red-Flag socialism and the political groups that adhere to it have always been created and controlled by the Rothschilds. The red flag is the flag of the Rothschilds family – Rothschild means red shield.
1789: Mayer Rothschild organised the French Revolution, and mass murder of the French aristocracy, to seize control of the French economy by privatising the Bank Of France.
1803: The Bank Of France was privatised and a National Debt, to be paid off by income tax, was fraudulently established.

1814 to 1815: James & Nathan Rothschild ordered all European rulers to assemble at the

Congress of Vienna. The Rothschilds drafted a plan that would make it impossible for another Napoleon to rise to power by creating a European "balance of power." – this basically meant that if any European Nation revolted against jewish control all the jew controlled Nations would attack it.
1815: The Battle of Waterloo signified the end of Napoleon's heroic anti-jewish rule and the Christian domination of Europe. Both James Rothschild of France and Nathan Rothschild of England financed Wellington's victory over Napoleon at Waterloo.Nathan Rothschild used false information, about Napoleon winning Waterloo, to defraud the London Stock Exchange and seize control of Britain's economy.

The Rothschilds then privatised the Russian Central Bank and enslaved the Russian people to a jewish Red-Flag socialist elite. Russsia was the first Red-Flag jewish dictatorship and between 20 to 100 million White Christians were murdered in an orgy of executions, rape, torture and enslavement.
1919: The jews insured Germany's humiliation with their Treaty of Versailles. The jew Bernard Baruch advised Wilson at the conference. The jew Phillip Sassoon, the Parliamentary Private Secretary, advised Lloyd George. The jew, Georges Mandel, (aka Louis Rothschild), French Minister of the Interior, advised Georges Clemenceau.
1922: Jew Richard Coudenhove-Kalergi founded the Pan-European Movement in Vienna with the purpose of creating a New World Order based on a federation of Nations led by the USA. Banker Max Warburg donated 60,000 Marks to set it up.

In his book Kalergi indicated that the residents of a future Europe will not be White, but due to miscegenation, will be a mongrel race of Asian/White/Negroes to serve a jewish aristocracy. He also suggested the destruction of Individual Nation States to create a United States of Europe. There is still a Coudenhove-Kalergi Prize given out every two years to the European Politician who has done most to

support this genocide.(supported by the Jewish traitor W. Churchill)

After their surrender over 1 million German soldiers are murdered by the jewish allies including boys as young as 14. I informed him that the Israelis were hot on his trail and that they had made him number one on their most wanted list. . . .
Right off , he made it quite clear that he would have no part of going to Chile for his own safety. He also made it a point to tell me that justice was on his side, because he had committed no crimes and had killed no Jews; but, on the other hand, had helped many of them to re-settle in Palestine. . . .
I turned and asked him one more question, If the Israelis do grab you, what will you do? How will you react?"
I will offer no resistance. I will co-operate fully. I will go along peacefully because I don't believe I will be harmed."

Hitler now put into operation the plan of getting all German areas into one state and all Germans under one German Government. The Germans in the Rhineland, the Germans in Austria and the Sudeten Germans responded willingly. In January 1935 the Saar Valley voted to return to Germany with a 90 per-cent poll in favour. There were also Germans in East Prussia and in Danzig now divided by land ceded to Poland by the Treaty of Versailles. It is interesting to note that between 1933 and 1937 10,000 Jews migrated to Hitler's Germany, 97 of them from Palestine.

THE JEWS AND THE BRITISH EMPIRE. 1935 -Streams of British blood have flowed, countless British lives have been Sacrificed but meanwhile Jewish coffers get fulller andfuller,fill to overflowling ; the Bank of England is their Counting-house and theBritish carry to and fro the precious bullion acquired and stored by Jews . . .After the Napoleonic Wars England has laid all her possessions at thefeet of Nathan Rothschild.Henceforth, Britain will do the bidding of her real masters; she hasbecome the tool of the schemers against all she holds dear, namely, herfaith, her patriotism, traditions, civilisation. She grants the" returned' aliens equality of civil rights; they may and do become mayors overChristian population, and within a short time ,Britain is ruled by aJewish Prime Minister, Disraeli, first and foremost a Jew and the flunkey of the powerful Rothschild financiers.One of the consequences of this disastrous political mistake is the transformation of the national attitude of Great Britain and her colonies into that of the British Empire. Disrali who inspired itknew what he was scheming for, the British people did not. The financial Jewish power had been transferred from Amsterdam to London under William III (of Orange) and the chief financiers there were the Sephardim Jews, the Mendez da Costas, Abudientes, Salvadors, Lopezes, Fonsecas and Seixas-all Marranos. On no account was France to be allowed to develop an Empire and become an independent rival, so England was used to wrest from her her Colonies in India, America, West Indies, Canada. The more Britain expanded, the greater grew the Jewish power and control in the economic and financial realm. Sir Phillip Sassoon, who was a member of several English governments in India, and the lawyer of the same Israelite community called Solomon Judah, who wrote the"Indies Companies Act". The "Jewish Encyclopedia" ends by confirming an already known fact

(which when published in an official book of Judaism of unquestionable authority has even greater value as evidence) that the money earned by these rich Jews coming from Baghdad: "both in Calcutta and Rangoon, Burma, came from the opium traffic between India and China" (8), In fact, it is well known that the British Jews, the Indian Jews and other Israelite monopolist magnates controlled the nineteenth century opium traffic with China, and that when the Chinese government wanted to prevent this criminal commerce, in the interests of the Chinese people, the Jews that controlled the British government forced Britain into a war against China which vas as criminal as the opium traffic itself. This war has been fairly called the "opium war", and (8) "Castilian Jewish Encyclopedia". 5th. vel., p. 615. 1rst. col.Word: India.
was a disgrace to the British people, although it is evident that the true British people and native members of the United Kingdom had little responsibility for the criminal acts of their Jewish and crypto-Jewish rulers other than in permitting them to remain in power, due to the systematic brain washing and manipulation by the Jews of the mass media, the centers of education and by the Protestant and Catholic churches controlled by crypto-Jewish clergymen,and presently by the control Judaism has over the radio and television, and other tentacles of the hidden Israelite power. Such is the power of Judaism in Britain and the United States that both nations have become the incorrigible satellites and colonies of Jewish imperialism. P25

History Of The Moneychangers by ACH
The Bank of England amounted to nothing less than the legal counterfeiting of a national currency for private gain, and thus any country that would fall under the control of a private bank would amount to nothing more than a plutocracy.Soon after the Bank of England was formed it attacked the talley stick system, as it was money outside of the power of the money changers, just as King Henry I had intended it to be.1698 - Following four years of the Bank of England, their plan to control the money supply had come on in leaps and bounds. They had flooded the country with so much money that the Government debt to the Bank had grown from the initial £1,250,000, to £16,000,000, in only four years. That's an increase of 1,280%.

To solve the problems of unrest, and thus to save the White Race, we must know that World Unrest is caused by the Judeo-Mongols and their firm desire to smash the Aryans and to overthrow everything Christian.The planned assault of Asia is not to be upon Europe only, but upon the Aryan Race as a whole, especially upon wealthy America.America is Facing United Foes Bolshevism is inflaming at least five million Judeo-Mongols and some three or four million "secret Judeo-Mongols" in America; also the heads of twelve million Negroes here, and seven million more of all kinds of "reds," "pinks," "radicals," "Utopians," "pacifists," and other discontented persons in the United States.What is Bolshevism? It is the Jewish mask of Communism. "Bolshevism is militant Judaism; the extermination of the White races and the substitution of Asiatic parasites for the Aryans. It is the work of Jewish assassins for the purpose of causing a new domination of the World by a criminal sect." Bolshevism, the manipulations of foreign exchanges, and the general 'world unrest', may be summed up in two words, namely, 'Jew Finance'.
Invisible Secret World Government
"The League of Nations is a Jewish idea, a Jewish Central Government for obtaining World

domination. The League of Nations is entirely run by the Jews."
Abbe Joseph Lemann wrote in 1886: "There is a plan to disorganize at one blow Christian society and the beliefs of the Jews to bring about a state of things where there will be neither Christian nor Jew, but only men stripped of divinity, and where, politically speaking, the Christian will become, if not the slave, at least the inferior of the Jew ...The Jews never sought the improvement of any nation. Their aims were to murder and de-Christianize. In order to establish "Israel Above All", the Jews have kept their World Government secret and invisible.
Financial Bankers Rule Governments
"The real menace of our Republic is the Invisible Government, which like a giant octopus sprawls its slimy length over city, state and nation. At the head of this octopus is a small group of powerful banking houses, generally referred to as the 'International bankers'. This little coterie of powerful men virtually runs our Government for their own selfish ends.""Nominally we govern ourselves: actually, we are governed by an oligarchy of the American branch of the International Bankers. The British Government is the camouflage behind which the money kings of the world have hitherto hid their economic warfare upon the masses of the world."
Assassination of Prime Minister. Spencer Perceval.Congress still refused to renew charter for First Bank of United States, whereupon Nathan Mayer Rothschild railed,
“Teach those impudent Americans a lesson! Bring them back to colonial status!”The British PM at the time, Spencer Perceval was adamently opposed to war with the United States,

High inflation is the hallmark of the presence of the biological parasite, the international Jew, because the Jew, in infecting the nation, raises the rate of inflation to allow him to parlay his small amount of cash into a giant fortune, just as the presence of fever in the patient is a warning of infection in the human body.  Inflation did not become a problem in the American economy until the Jew achieved mastery of our economic system, and through the Jewish agency, the Federal Reserve System, was able to drive down the purchasing power of the dollar, erode savings and impoverish the American workers.

In 1926 Count Cherep-Spiridovitch published a book entitled "The Secret World Government" which shows how the Rothschild's plan for world tyranny dominates modern history.
The fact that Secret World Government is generally considered "right wing" and "antisemitic" is revealing: -
1) It shows the extent society already has been brainwashed and subverted by the Rothschild conspiracy.
2) It reveals how the bogus issue of antisemitism is used to divert attention from a genuine mortal threat to humanity.
3) It explains the true meaning of "right wing" and why the Left is an instrument of the bankers.
Count Cherep-Spiridovitch was a Czarist general who battled the Bolsheviks in the 1917 Russian Revolution.

Financed at virtually no interest by the Rothschild controlled Bank of England, Britain then provoked the war of 1812 to recolonize the United States and force them back into the slavery of the Bank of England, or to plunge the United States into so much debt they would be forced to accept a new private central bank.And the plan worked. Even though the War of 1812 was won by the United States, Congress was forced to grant a new charter for yet another private bank issuing the public currency as loans at interest, the Second Bank of the United States. Once again, private bankers were in control of the nation's money supply and cared not who made the laws or how many British and American soldiers had to die for the Jews .

Murder of British Prime Minister Spencer Perceval by Rothschild assassin, John Bellingham.

Concurrently Perceval was facing increased pressure from Nathan Rothschild to make a declaration of war on the United States. He refused. The British army was already bogged down in a stalemate situation in Spain and Portugal (The Peninsular War 1808-1814) with Napoléon's forces, and he had no desire to commit more troops and treasure, financed by more interest-bearing bank loans, simply in order to save Rothschild's sinking banking interests in America.

The assassin of Spencer Perceval, John Bellingham, was born about 1769 in St Neots, Huntingdonshire. From 1800-1802 he worked in Archangelsk as an agent for importers and exporters. He returned to Russia in 1804, and in November of that year he was falsely accused of having reneged on a debt of 4,890 roubles which subsequently led to his imprisonment for four years. On his release Bellingham took up residence in Duke Street, Liverpool. He unsuccessfully petitioned the government for compensation.

Bellingham, a bitter and aggrieved man, fell into company with two dissolute American merchants, Thomas Wilson and Elisha Peck,[1091] who

In 1865 the Jewish Rabbi RZEICHORN, made a speech in Prague.
The speech was published 11 years later by Sir John Radcliff, who was assassinated shortly after its publication and it became almost extinct for years. Here are a few passages; "With Gold one can buy the most upright consciences, with Gold one can fix the value of every stock, the price of every merchandise, one can loan it to states that afterwards one holds at ones mercy." "Already the principle banks, the stock exchanges throughout the world, the loans to all governments are in our hands.
"The other great power is the press. By ceaselessly repeating certain ideas, the press in the end makes them considered as truths. The Theatre renders similar services, every where theatre and press follow our directives. By an indefatigable campaign in favour of the democratic form of government, we will divide the Gentiles amongst themselves in political parties, we shall thus destroy the unity of their nations, we will sow the seeds of discord. Powerless they will have to accept the laws of our bank, always united, always devoted to our cause.
"The possession of land has always procured influence and power. In the name of social justice and equality, we will divide the great properties; we will give small fragments to the peasents who desire it with all their heart, But who will soon be indebted to us by the very exploitation of these properties. Our capital will enable us to be the real masters.
"Let us use all force to replace the circulation of gold by that of paper; our banks will absorb the gold, and we shall decide what then what value the paper money will have, this will make us masters of every mans existence.
"We will promise to the workers salaries they have never dared to dream of, but we will also heighten the price of all necessities, so much so that our profits will be even greater."By our jokes and attacks we will render their priests ridiculous and eventually odius, their religion as ridiculous, as odius as their priests. We shall become the masters of their souls. But above all, let us get control of education, of the schools. By them we will spread the ideas that are useful to us, and we will mold the childrens brains as we wish".

"Thanks to the terrible power of our International Banks, we have forced the Christians into wars without number. Wars have a special value for Jews, since Christians massacre each other and make more room for us Jews. Wars are the Jews' Harvest: The Jew banks grow fat on Christian wars. Over 100-million Christians have been swept off the face of the earth by wars, and the end is not yet." (Rabbi Reichorn, speaking at funeral of Grand Rabbi Simeon Ben-Iudah, 1869, Henry Ford also noted that: 'A Jew who said, 'Wars are the Jews' harvest'; but no harvest is so rich as civil wars.'

4.Already the principal banks, the exchanges of the entire world, the credits of all governments, are in our hands."
"5. The other great power is THE PRESS. By repeating without cessation certain ideas, the Press succeeds in the end in having them accepted as actualities. The Theatre renders us analogous services. Everywhere the Press and the Theatre obey our orders."
6. By the ceaseless praise of DEMOCRATIC RULE we shall divide the Christians into political parties, we shall destroy the unity of their nations, we shall sow discord everywhere. Reduced to impotence, they will bow before the LAW of OUR BANK, always united, and always devoted to our Cause."
"10. We count among us plenty of orators capable of feigning enthusiasm and of persuading mobs. We shall spread them among the people to announce changes which should secure the happiness of the human race. By gold and by flattery we shall gain the proletariat which will charge itself with annihilating Christian capitalism. We shall promise workmen salaries of which they have never dared to dream, but we shall also raise the price of necessities so that our profits will be greater still."

Henry Ford - The International Jew.

This hostility will be still more accentuated as the result of crises which will close stock exchange operations and stop the wheels of industry. Having organized such a general economic crisis by all the underground means available to us, and thanks to the assistance of gold, all of which is in our hands, we will throw whole crowds of workingmen into the streets simultaneously, in all the countries of Europe. These crowds will gladly shed the blood of those whom they, in the simpicity of their ignorance, have envied since childhood and whose property they will then be able to loot." All this, as the world knows, has occurred in Europe. The weapons first used were economic. The subjection of the people, the revolution, was first economic. The Jewish program profited by the split which Jewish ideas had been able to make between the upper and lower classes of "Gentile" society. "Divide and Rule," is the Jewish motto, as quoted in the Protocols. "Divide the working class from the directing class. Divide the Catholic and Protestant churches." In brief, divide Christendom on economic, creedal, social and racial lines, while the Jew remains a solid body, able because of his solidarity to handle a divided world. And this plan has succeeded. Out of the disorder of the World War look how high the government of Judah has been placed in Russia, Austria, Germany, France, Italy, England and in the United States.
All the Jewish bankers are still in Russia. It was only the non-Jewish bankers who were shot and their property confiscated. Bolshevism has not abolished Capital, it has only stolen the Capital of the GENTILES. P473

The World Order (The first precept of success in making government loans lies in "creating a demand", that is, by taking part in the creation of financial panics, depressions,famines, wars and revolutions. The overwhelming success of the Rothschilds lay in their willingness to do what had to be done.) As Frederic Morton writes in the Preface to "The Rothschilds":"For the last one hundred and fifty years, the history of the House of Rothschild has been to an amazing degree the backstage history of Western Europe. .Because of their success in making loans not to individuals but to nations, they reaped huge profits. . . Someone once said that the wealth of Rothschild consists of the bankruptcy of nations." In "The Empire of the City", B.C. Knuth

When Jews of Newport and Charleston had the criminal idea of enslaving the North American Indians and sell them as slaves in the British colonies and even in other parts of the world, the first thing they did was to send envoys that sold rum to them, to impress the vice of alcoholism on them. Rum distilleries (22) owned by Jews in Charleston and Newport sent their product to the West and center of the country, that were inhabited by the Indian tribes, and sold it to the leaders. Alcoholism, pretty soon, took over those tribes and the business of rum sale gave great profits to the Jewish exploiters. When they became convinced that the Indians - as they said - because they did not like hand work and for other reasons, were not the ideal slaves for the plantations of the Southern British colonies, and reached the conclusion that the African ne-groes would be much better, they sent envoys to sell rum to the black tribes of the African western coast, also with the purpose of stimulating the vice of alcoholism in the black tribes and their leaders; this would also give the Is-raelite exploiters fabulous profits and also would pave the way for the HUNTING of black slaves, as they sarcastically said. That is why the business of rum distillery and sale and the trade of black slaves were closely related in the Jewish businessmen of Newport and Charleston. Among the Jews of those two cities, that according to documents filed in the Carnegie Institute of Technology of Pittsburgh, Pennsylvania (United States) were dedicated to the slave trade, to rum distillery and in general to both businesses, appeared the following Israelites of Portuguese, Spanish, Dutch and British origin but all of them Jews: "Isaac Gomes; Hayman Levy, Jacob Malhado, Nephtaly Myers, David Hart, Joseph Jacobs, Moses Ben Franks, Moses Gomez, Isaac Dias, Benjamin Levy, David Jeshuvum, P52
About the origin of slavery in the United States, it is necessary to take into consideration that before 1661 the 13 British colonies that formed the American nation when they became independent, had laws forbidding slavery.It was the Jews who since that time started to work tirelessly to achieve the derogation of those laws and that slavery was allowed there, specially the entrance of black slaves to those colonies.P49

"Banking was conceived in iniquity and born in sin. The Bankers own the earth. Take it away from them, but leave them the power to create deposits, and with the flick of the pen they will create enough deposits to buy it back again. However, take away that power, and all the great fortunes like mine will disappear — as they ought to in order to make this a happier and better world to live in. But, if you wish to remain the slaves of Bankers and pay the cost of your own slavery, then let them continue to create deposits."
Sir Josiah Stamp (1880-1941), one time governor of the Bank of England, in his Commencement Address at the University of Texas in 1927. Reportedly he was the second wealthiest individual in Britain.

Sarkozy Rescues arrested Jews- A French/Israeli Front Organization - Kids Being Grabbed Out Of Refugee Camps 2007.

You just have to figure the money trail when you are kidnapping child refugees. That trial leads to an operating room, and organ trafficking. Then what is Sarkozy doing going to Chad to get these cretins out? He fits in because the charity is based in France, and Israel doesn't want a connection.

It was first written off as a sex ring, but that didn't make any sense. Who is going to pay $2,000 to have sex with a 12 year-old black boy, when you have hundreds of 10 year-old white Ukrainian girls all over Tel Aviv. But someone is paying $3,000 a kid wholesale, and the reason is black market organs.

It's just economics in organ trading. You bring in a 12 year-old into Tel Aviv, and you don't just grab one $5,000 kidney, and then spend $200,000 raising the kid through college. That kid hits the operating table and he has kidneys, liver, cornea, heart, lung, marrow, etc., and everything is removed. That kid is murdered for his organs. It happens in Israel because of the security needed to cover the operation.

The kidnappers get $3,000 a kid, and all the organs can bring $150,000.

CHABAD LEADER, MESSIAH MENACHEM MENDEL SCHNEERSON ON HIS PLANS TO DESTROY SLAVS.

This speech [a letter sent to the newspaper] of Menachem Mendel Schneerson, the Chabad Leader and Messiah (the Lubavitcher Rebbe), was published in the Vologda newspaper "Slavyanin», N-4 (32), 2001 in Russia.

Following the publication, the court was unable to prosecute its editor, V.F. Popov, under trumped up charges under Article 282, [incitement of national hatred] as he operated on the facts, and several Russian scientists stood up for him, including Academician Y. K. Begunov and Doctor of Law O.G. Korotayev.

This speech was uttered by Menachem Mendel Schneerson in 1994. There is much debate about its authenticity, as once argued about the validity of "The Protocols of the Elders of Zion," but it is an indisputable fact that almost all the goals, laid out by Schneerson, have been achieved by now. This speech is simply the application of Talmud to Ukraine and Russia. Talmud says: Jews should murder and enslave goyim worldwide. This speech says: Jews should murder and enslave goyim in Ukraine and Russia. Yes, the speech by Menachem Mendel Schneerson is monstrous. For a normal person, it is hard to believe that a religious leader can be a MURDERER, and that the religion can be THE IDEOLOGY OF MURDER. That is why, the text of this essay has every criminal passage from the speech next to the criminal passage from Talmud. The face of the Zionist Messiah also speaks for itself: it is the face of a TERRORIST, full of hatred and menace.

'War to Death Against All German People'

By Canadian Press

LONDON, April 23.—War to the death against the whole German people and not merely against the Nazi regime was urged today by Alfred Duff Cooper, former First Lord of the Admiralty.

Mr. Duff Cooper spoke before the Royal Society of St. George in place of Winston Churchill, First Lord of the Admiralty.

Duff Cooper assailed invasions of Austria, Czechoslovakia, Austria, Denmark and Norway as "the crimes of a whole people" and said the Allied slogan must be:

"Never again shall one nation be allowed to plunge the world into war."

"Hitler says the entire German people is behind him," declared Duff Cooper. "I for one am prepared to take him at his word. Victory is certain. No nation with command of the sea has ever been defeated. . . .

"Not even the wildest and most fantastic mendacity could lay a particle of blame for this war on the shoulders of England or France. The whole guilt is on the shoulders of Germany. They have hardly ceased to protest their guiltlessness of the last war when they render themselves guilty of another."

He referred in detail to Nazi aggressions and said that Norway, the latest victim, "is fighting side by side with us to maintain her freedom.

"Now this series of crimes which have made a horror of Europe are not the crimes of one man, nor are they the crimes of a small band of criminals," he continued.

"Let us not underestimate our antagonists. It is wishful thinking and it is dangerous thinking to believe we can drive a wedge between the German government and the German people.

"We must accept no soft words or specious promises as we did when they came whining and grovelling to Versailles," he said, "but must defeat the German people in battle."

"It is going to be formidable, it is going to be a fearful task. How long it will take to accomplish, no man can say. But victory is certain in the end.

"Command of the sea gives us access to all the raw materials of the world. We have, besides, the good opinion, the approval, the well wishes of every civilized, liberty-loving man and woman on earth.

The speaker declared "Germany has assumed many ugly shapes in her past, but never has the face of Germany assumed so villainous and vile an aspect as under leadership of this little gang of blood-stained, money-making murderers.

"Once more St. George is mounted on his charger. His adversary, his quarry, is the most vile that he has ever gone out to destroy."

Hitler Quote-"I shall at some future date be able to demand of history that it will certify that at no hour of my actions in behalf of the German people did I forget the duties which I and all of us owe to the preservation of European culturalized civilization. A prerequisite, however, for the continued existence of this Continent, which is so extraordinary because of the differences of its cultures, is the realization that it is unthinkable without the existence of free and independent national States. Let every European people be convinced it has made the greatest contribution to our Occidental culture."

Speech of March 7, 1936. Quoted in My New Order

"The only way to fight a moral war is the Jewish way:
Destroy their holy sites. Kill men, women and children (and cattle)"
Chabad Rabbi Manis Friedman

A small group of Bolshevik supporters around Alfred Bacharach and Miles Malleson met at the club in its early days, but they were greatly outnumbered by other left-wingers. In the afternoon, it was popular with artists and writers, and as the years went on, they came to dominate the club. Still later, it attracted many poorer members who used the club facilities while looking for work. A dispute between two groups of members and a disputed election led the club's committee to close it down in 1932.[2]

A State has never arisen from commercial causes for the purpose of peacefully serving commercial ends; but States have always arisen from the instinct to maintain the racial group, whether this instinct manifest itself in the heroic sphere or in the sphere of cunning and chicanery. ... But as soon as economic interests begin to predominate over the racial and cultural instincts in a people or a State, these economic interests unloose the causes that lead to subjugation and oppression.

Another blood-drinking practice, that of ritual mur-der, is the only one which has survived into modern times. This religious ceremony of drinking the blood of an innocent gentile child is basic to the Jew's entire concept of his existence as a parasite, living off of the blood of the host. That is why he refuses to abandon this custom, even though it has brought him close to extinction many times.

The Tragic Truth - by Eustace Mullins

History teaches us that, just as today, the Jews always go too far in their Talmudic war of extermination against the Christians. Their
religion, taught from childhood, instructs them to regard all non-Jews as animals who are to be ritually slaughtered for the profit of the Jews. In his gloomiest moments, Cincinnatus could not have foreseen the terrible price which white people would have to pay in World War II merely to survive in a Jewish world. Now we must ask — what price will white people pay to liberate themselves from this tyranny — to march into a future in which these atrocities against us will no longer be tolerated by any sane human being — to build a world in which those who are dedicated to the enslavement and destruction of other human beings will be eliminated for all time and all trace of their evil presence to be forever eradicated, so that the white man for the first time in history will be able to enjoy the fruits of his freedom. Despite the ordeals which the white race has endured, we still retain those qualities which make these goals not only a possibility, but inevitable. Our courage will overcome the stealthy conspiracies of the Jewish Marxist terrorists. Our determination will overcome the hatred with which the Talmudists have poisoned the world. Our lives will be placed in the breach for one final time, for one great and victorious effort, the attaining of eternal freedom!

Poisoners of the Wells - Jews have been poisoning and murdering Non-Jews for Centuries.
In 1610 the medical faculty of Vienna solemnly confirmed that Jewish physicians were bound by their laws to kill every tenth Christian patient by means of drugs.
Queen Elizabeth felt constrained to order the execution of her physician, the converted Jew Rodrigo Lopez, on the charge of conspiring to poison her.

The Black Death - Rosemary Horrox

He believes this to be the case because he has heard many experienced physicians say so, and is certain that the other Jews cannot acquit themselves of the charge, for they knew perfectly well what they were doing and are guilty. Balavigny was taken across the lake from Chillon to Clarens, to identify the spring in which he had confessed putting the poison. Upon arrival he was taken to the spot and as soon as he saw the spring he said, 'This is the spring where I put the poison'. The spring was examined in his presence and the linen rag or cloth in which the poison had been wrapped was found in the channel going from the spring by Henri Gerard, a notary public, in the presence of many people, and shown to the Jew. He confirmed that it was the linen cloth or rag in which the poison had been enclosed when he put it in the spring; adding that the poison was of two colours, black and red. The linen cloth or rag was taken away and is in safe keeping. Balavigny confesses everything recorded here, adding that he believes that the poison is derived from the basilisk, for he has heard it said that the poison would not be efficacious otherwise and is convinced that that is the case. Zionist - Labour25 show their true paedophile colours in Liverpool,send in their UAF attack squad to protect 47 muslim paedophile grooming gang from Liverpool mums and dads.....
The muslim men who the Labour Party UAF thugs were protecting had done unspeakable paedophile acts upon children in Rochdale and Oldham in a paedophile ring that has been getting ignored by Labour Party MP Jack Straw(Jewish) for about 10 years. Baby boys may always be used as subjects for sodomy by grown men, according to the Talmud. (See Exhibit 54) The Pharisaic subterfuge here is that until a child reaches sexual maturity, capable of sexual intercourse, he or she does not rank as a person, hence Biblical laws against sodomy (pederasty) do not apply. Throughout the Talmud "nine years and one day" is the fictitious age of male maturity... When a grown up man has intercourse with a little girl it is nothing, for when the girl is less than this — that is, less than three years old — it is as if one puts the finger into the eye — tears
come to the eye again and again, so does virginity come back to the little girl under three years." (See Exhibit 136, Kethuboth 11b of the Talmud)p53

Her death was the culmination of many months of horrific, sadistic abuse.
You see, Madeleine McCann was no ordinary girl.
She was being raped regularly by several members of a high-level paedophile ring and her abuse was being shared with many on the internet.
Madeleine McCann was used in vile pornography along with many other children.
For the sick bastards using her, she was something special though.

## We mustn't forget that some of greatest murderers of modern times were Jewish

Here's a particularly forlorn historical date: Almost 90 years ago, between the 19th and 20th of December 1917, in the midst of the Bolshevik revolution and civil war, Lenin signed a decree calling for the establishment of The All-Russian Extraordinary Commission for Combating Counter-Revolution and Sabotage, also known as Cheka.

Within a short period of time, Cheka became the largest and cruelest state security organization. Its organizational structure was changed every few years, as were its names: From Cheka to GPU, later to NKVD, and later to KGB.

We cannot know with certainty the number of deaths Cheka was responsible for in its various manifestations, but the number is surely at least 20 million, including victims of the forced collectivization, the hunger, large purges, expulsions, banishments, executions, and mass death at Gulags.

Whole population strata were eliminated: Independent farmers,

The Jews never sought the improvement of any nation. Their aims were to murder and de-Christianize. In order to establish "Israel Above All", the Jews have kept their World Government secret and invisible.
Financial Bankers Rule Governments
"The real menace of our Republic is the Invisible Government, which like a giant octopus sprawls its slimy length over city, state and nation. At the head of this octopus is a small group of powerful banking houses, generally referred to as the 'International bankers'. This little coterie of powerful men virtually runs our Government for their own selfish ends.""Nominally we govern ourselves: actually, we are governed by an oligarchy of the American branch of the International Bankers. The British Government is the camouflage behind which the money kings of the world have hitherto hid their economic warfare upon the masses of the world."
Rothschild and French Revolution
In 1778 "Weisshaupt, a Jew founded in Bavaria the "Uluminati", a secret society and instructed the "Central Committee" of the Grand Orient of France to be ready for a revolt.Robespierre did not become a monarchist, but he understood, that the supposed "French" revolution was simply a "Jewish" acquisition of France and had nothing to do with welfare, freedom, equality and other shibboleths.
The Rothschilds' interests demanded the downfall of Napoleon I in order to save the Rothschilds' money invested with many other rulers. Rathenau repeated the declaration of Disraeli saying that "the world is governed by very different personages from what is imagined by those who are not behind the scenes."

US Civil War Manipulation In 1876 Bismarck said that the division of the United States into two federations of equal force was decided by the High Financial Power of Europe long before the Civil War.These bankers were afraid that a union of States would upset their position of financial domination but that there could be tremendous benefit if they could substitute two feeble democracies indebted to the Jewish financiers.
They encouraged the rupture between the North and the Southern States a priority but were impeded by Lincoln who understood the situation and decided to eliminate the International bankers, by establishing a system of Loans, allowing the States to borrow directly from the people without intermediary.
The local banks were glad to help such a system, but the foreign financiers realised that this was not to their advantage and the removal of Lincoln was the solution.
The intervention in the US land dispute by Alexander II. Meant that the Rothschilds were left without Mexico and the Southern States, and they could not capture the North, as was planned in 1857. The solution was the removal of Lincoln, and after several attempts, the murder of the Russian Czar in 1881.

But Disraeli was a mere tool of the Rothschilds .And according to Bismarck (La Vieille France, N-216) it was Disraeli and his patrons, the Rothschilds,, who invented the plan of destroying the United States by fomenting a Civil War here, and by a foreign attack in 1863-64 by five powers.
P10 THE SATANIC FORCES NOW VS. THE UNITED STATES.
The Civil War was started in 1861 and the British, French,Spanish, Belgian and Austrian* troops were already in Mexico City,ready to profit by the Civil War, staged by the Hidden Hand!But then the Czar Alexander II . warned Napoleon III. that he would invade France if this coalition helped the Southerners to smash the North . The Czar even sent his squadrons at the disposal of President Lincoln to defend New York and San Francisco.President A. Lincoln had the right to order this fleet to fight any of the above five Powers . Only thus the United States was saved!

When the Queen of England goes to visit the City she is met by the Lord Mayor at Temple Bar, the symbolic gate of the City.She bows and asks permission to enter his private, sovereign State. He grants permission to enter by handing her the sword of State.
During such State visits "the Lord Mayor in his robes and chain, and his entourage in medieval costume, outshines the royal party, which can dress up no further than service uniforms." The Lord Mayor leads the queen into his city. The reason should be clear. The Lord Mayor is the monarch.The Queen is his subject! The monarch always leads the way. The subject always stays a pace or two behind! The small clique who rule the City dictate to the British Parliament. It tells them what to do and when. In theory Britain is ruled by a Prime Minister and a Cabinet of close advisers. These 'fronts' go to great lengths to create the impression that they are running the show but, in reality, they are mere puppets whose strings are pulled by the shadowy characters who dominate behind the scenes. As Disraeli wrote: "So you see. . . the world is governed by very different personages from what is imagined. P42
Disraeli, in 1844, in his book Coningsby, frankly states that:
“The world is governed by very different personages from what is imagined by those who are not behind the scenes.” In the Wiener Freie Presse on Decemher 24th, 1921 the Jewish Walter Ratbenau wrote precisely the same thing when he said:“Three hundred men, each

Poor waste management continued in Paris even after World War I, with many of the city's cesspools still in use.Unlike Londoners, most Parisians were still getting their water in 1870 from fountains or water-sellers, and disposing of waste in court pits. Paris was a city of 85,000 cesspools; many remained until after the First World War.{18} Edwin Chadwick, an English social reformer who worked to improve sanitary conditions and public health, believed that sickness bred poverty. He enlisted the aid of three doctors who were sympathetic to sanitary reforms—Neil Arnott,
James Phillip Kay-Shuttleworth, and Thomas Southwood Smith. Their 1838 report revealed the squalor in London. "The room of a fever patient, in a small and heated apartment in London, with no perflation [blowing] of fresh air, is perfectly analogous to the stagnant pool in Ethiopia full of the bodies of dead locusts," declared Southwood Smith. "The poison generated in both cases is the same; the
difference is merely in the degree of its potency.

Since the quarantine speech of 5 October 1937 in Chicago, in which Roosevelt recommended that the “aggressors” – of course, only the Germans, Italians and Japanese – be put in quarantine and that “the reign of terror and international lawlessness” – a clear reference to the countries mentioned – should be fought, the US President’s policy of war is becoming increasingly evident.

“Clare Booth-Luce shocked many people when she said at the Republican Party Congress in 1944 that Roosevelt ‘has lied us [the USA] into the war’. When, however, this statement proved to be true, the Roosevelt-followers stopped denying it, and praised it by maintaining that ‘he had to lie’, in order to save his country, and then Britain and ‘the World’.” 81)

Status of COVID-19
As of 19 March 2020, COVID-19 is no longer considered to be an HCID in the UK. There are many diseases which can cause serious illness which are not classified as HCIDs.
The 4 nations public health HCID group made an interim recommendation in January 2020 to classify COVID-19 as an HCID. This was based on consideration of the UK HCID criteria about the virus and the disease with information available during the early stages of the outbreak. Now that more is known about COVID-19, the public health bodies in the UK have reviewed the most up to date information about COVID-19 against the UK HCID criteria. They have determined that several features have now changed; in particular, more information is available about mortality rates (low overall), and there is now greater clinical awareness and a specific and sensitive laboratory test, the availability of which continues to increase.
The ACDP is also of the opinion that COVID-19 should no longer be classified as an HCID.

After the reporting of the SID cases in Tennessee, we discussed the merits of limiting distribution of a large number of vials from a single lot to a single state, county or city health department and obtained agreement from the senior management staff to proceed with such a plan.

This subject has been discussed with Charlie Young and the following guidelines were developed by FSRD. I would appreciate your comments concerning this procedure and the advisability of formalizing these guidelines.

Interim Measures in Affect

1. Allocation of stock to Distribution Centers is designated by lot number in a manner designed to leave the maximum variety of lot numbers in Great Valley and Marietta to service substantial orders.

2. Managers in D.C.'s carrying average inventories of over 3000 packages (approximate) have been requested to advise FSRD of any orders exceeding 2000 vials. FSRD will then designate shipment by lot number, furnishing additional stock as needed.

Permanent Policy Proposal

1. A D.C. will not fill any order with stock exceeding 2000 packages of one lot number before clearing with FSRD.

2. When additional stock is needed for compliance, FSRD will make necessary arrangements.

3. In the event that the national inventory does not permit compliance, FSRD will clear exception with Marietta management, or make arrangements for split delivery.

This letter is in follow up to the phone call made to you last week between March 30 – April 1st.

Our records indicate that you received a vaccine from us on Sunday March 28th, 2021. During our audit process on that day, it came to our attention that you may not have received the vaccine and you may have received Saline instead. Saline is not harmful but will not provide protection from COVID–19.

Mackenzie Health is committed to being open and transparent with all our patients and we sincerely apologize for this happening.

To ensure you receive proper vaccination, we will need to conduct an antibody blood test that can help detect if you received the Pfizer vaccine. The antibody test needs to be conducted two weeks after receiving the injection for the antibodies in your system to be detected properly. We are currently working with our third-party lab partner to facilitate your antibody test. We will be calling you back by this week to confirm when a mobile team from the lab can come to your home to draw your blood. Or if you prefer, we can arrange for you to visit a lab near you to take the test. We will work with you to make sure it works for your schedule.

Once we receive the antibody test results, we will let you know as soon as possible whether you need to come back to receive the COVID-19 vaccine. If you do need to come back, we will set you up with a new appointment right away.

We will also honour your second dose appointment as it was originally scheduled so your full vaccination is not delayed.

Again, we sincerely apologize for this occurrence.

Canadian physician Dr. Andrew Moulden provided clear scientific evidence to prove that every dose of vaccine given to a child or an adult produces harm. The truth that he uncovered was rejected by the conventional medical system and the pharmaceutical industry. Nevertheless, his warning and his message to America remains as a solid legacy of the man who stood up against big pharma and their program to vaccinate every person on the Earth.

Dr. Moulden died unexpectedly in November of 2013 at age 49.

Because of the strong opposition from big pharma concerning Dr. Moulden's research, we became concerned that the name of this brilliant researcher and his life's work had nearly been deleted from the internet. His reputation was being disparaged, and his message of warning and hope was being distorted and buried without a tombstone. This book summarizes his teaching and is a must-read for everyone who wants to learn the "other-side" of the vaccine debate that the mainstream media routinely censors.

Dr Andrew Moulden.
Through my extensive research and my work throughout the years, I have discovered that vaccinations are causing impaired blood flow (ischemia) to brain and body from clinically silent to death. These are strokes – across the board for all of us. I have reason to believe that all are being affected and all vaccinations ARE causing the overwhelming rise in autism, specific learning disabilities, attention deficit disorders, sudden infant death, gulf war syndrome, dementia, seizure disorders, some cancers it would appear, and much much more. https://vactruth.com/2009/07/21/dr-andrew-moulden-interview-what-you-were-never-told-about-vaccines/

# Jewish family behind OxyContin, to pay $6B in deal against lawsuits

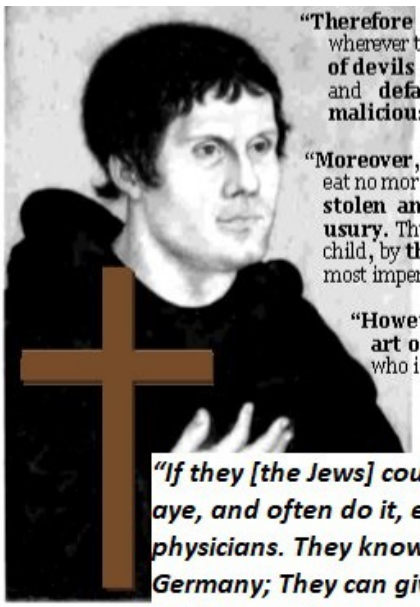
The Sackler family, the Jewish billionaires whose marketing of the painkiller drug OxyContin fueled the United States' ongoing opioid epidemic, will receive full immunity from all civil legal claims in exchange for spending up to $6 billion on addiction treatment and prevention programs.

The decision to grant immunity by a federal appeals court panel Tuesday effectively ends the thousands of civil lawsuits that have been filed against Purdue Pharma, the Sacklers' company, over opioid deaths.



"**Therefore** be on your guard against **the Jews**, knowing that wherever they have their synagogues, nothing is found but **a den of devils** in which sheer **selfglory, conceit, lies, blasphemy,** and **defaming of God and men** are practiced **most maliciously** and veheming his eyes on them."

"**Moreover**, they are nothing but **thieves and robbers** who daily eat no morsel and wear no thread of clothing which they have not **stolen and pilfered** from us by means of their **accursed usury.** Thus they live from day to day, together with wife and child, by **theft and robbery,** as archthieves and robbers, in the most impenitent security."

"**However**, they have not acquired a perfect mastery of **the art of lying; they lie** so clumsily and ineptly that anyone who is just a little observant can easily detect it."

Jew Plandemic Spanish Flu 1919

In January 1918, vaccines were administered to soldiers at Ft. Riley, Kansas. Shortly afterwards, the vaccine was offered by the Division Surgeon to the camp at large. The vaccine used was made in the laboratory of The Rockefeller Institute. Between Jan. 21 and June 4 of 1918, Dr. Frederick L. Gates reported an experiment in which soldiers were given three doses of a bacterial meningitis vaccine. The vaccines were spitball dosages of a vaccine serum derived from horses....

The Institute said it distributed the bacterial serum to England, France, Belgium, Italy and other countries during WWI. Ultimately, these Rockefeller Institute quacks killed 50 to 100 million people via bacterial lung infections from 1918 to 1919.

1918 FLU VACCINE

THE SPANISH INFLUENZA EPIDEMIC OF 1918 WAS CAUSED BY VACCINATIONS Eleanor McBean
Chap. 2: Vaccination Condemned by Eleanor McBean CHAPTER 2

As has been stated before, all medical and non-medical authorities on vaccination agree that vaccines are designed to cause a mild case of the diseases they are supposed to prevent. But they also know and admit that there is no way whatsoever to predict whether the case will be mild or severe - even deadly. With this much uncertainty in dealing with the very lives of people, it is very unscientific and extremely dangerous to use such a questionable procedure as vaccination.

Many vaccines also cause other diseases besides the one for which they are given. For instance, smallpox vaccine often causes syphilis, paralysis, leprosy, and cancer. (See the chapters on smallpox and plagues.) Polio shots, diphtheria toxin-antitoxin, typhoid vaccine, as well as measles, tetanus and all other shots often cause various other stages of disease such as post-vaccinal encephalitis (inflammation of the brain,) paralysis, spinal meningitis, blindness, cancer (sometimes within two years,) tuberculosis, (two to twenty years after the shot,) arthritis, kidney disease, heart disease (heart failure sometimes within minutes after the shot and sometimes several hours later.) Nerve damage and many other serious conditions also follow the injections.

When several shots are given (different vaccines) within a few days or a few weeks apart, they often trigger intensified cases of all the diseases at once, because the body cannot handle such a large amount of deadly poison being injected directly into the bloodstream. The doctors call it a new disease and proceed to suppress the symptoms.When poison is taken by the mouth, the internal defense system has a chance to quickly eject some of it by vomiting, but when the poisons are shot directly into the body, bypassing all the natural safeguards, these dangerous poisons circulate immediately throughout the entire body in a matter of seconds and keep on circulating until all the cells are poisoned.

I heard that seven men dropped dead in a doctor's office after being vaccinated. This was in an army camp, so I wrote to the Government for verification. They sent me the report of U.S. Secretary of War, Henry L. Stimson. The report not only verified the report of the seven who dropped dead from the vaccines, but it stated that there had been 63 deaths and 28,585 cases of hepatitis as a direct result of the yellow fever vaccine during only 6 months of the war. That was only one of the 14 to 25 shots given the soldiers. We can imagine the damage that all these shots did to the men. (See the chapter on What Vaccinations Did to Our Soldiers.)

The first World War was of a short duration, so the vaccine makers were unable to use up all their vaccines. As they were (and still are) in business for profit, they decided to sell it to the rest of the population. So they drummed up the largest vaccination campaign in U.S. history. There were no epidemics to justify it so they used other tricks. Their propaganda claimed the soldiers were coming home from foreign countries with all kinds of diseases and that everyone must have all the shots on the market.

The people believed them because, first of all, they wanted to believe their doctors, and second, the returning soldiers certainly had been sick. They didn't know it was from doctor-made vaccine diseases, as the army doctors don't tell them things like that. Many of the returned soldiers were disabled for life by these drug-induced diseases. Many were insane from postvaccinal encephalitis, but the doctors called it shell shock, even though many had never left American soil.

The conglomerate disease brought on by the many poison vaccines baffled the doctors, as they never had a vaccination spree before which used so many different vaccines. The new disease they had created had symptoms of all the diseases they had injected into the man. There was the high fever, extreme weakness, abdominal rash and intestinal disturbance characteristic of typhoid. The diphtheria vaccine caused lung congestion, chills and fever, swollen, sore throat clogged with the false membrane, and the choking suffocation because of difficulty in breathing followed by gasping and death, after which the body turned black from stagnant blood that had been deprived of oxygen in the suffocation stages. In early days they called it Black Death. The other vaccines cause their own reactions — paralysis, brain damage, lockjaw, etc.

When doctors had tried to suppress the symptoms of the typhoid with a stronger vaccine, it caused a worse form of typhoid which they named paratyphoid. But when they concocted a stronger and more dangerous vaccine to suppress that one, they created an even worse disease which they didn't have a name for. What should they call it? They didn't want to tell the people what it really was — their own Frankenstein monster which they had created with their vaccines and suppressive medicines. They wanted to direct the blame away from themselves, so they called it Spanish Influenza. It was certainly not of Spanish origin, and the Spanish people resented the implication that the world-wide scourge of that day should be blamed on them. But the name stuck and American medical doctors and vaccine makers were not suspected of the crime of this widespread devastation — the 1918 Flu Epidemic. It is only in recent years that researchers have been digging up the facts and laying the blame where it belongs.

US Vaccines Caused 'Spanish Flu'
"It was a common expression during the war that "more soldiers were killed by vaccine shots than by shots from enemy guns."–E. McBean
"The 1918 'Spanish Flu' started in American military Camp Funston, Fort Riley, USA, amongst troops making ready for W.W.I – taking on board vaccinations, recruit training and all. It eventually killed about 40,000,000 people worldwide.

The Rockefeller Pandemic of 1918
Hello. My name is John Davison Rockefeller. You may not know me, but if you have heard of the Spanish Flu Pandemic, you should have heard of me. I am the man behind the mass vaccination that killed millions of people around the world. In fact, my institute, the Rockefeller Institute, used experimental anti-meningococci serum, which was derived from horses and then injected into those who had "flu" like symptoms. This bacterial infection (bacterial pneumonia) is what killed millions of people, not the normal flu. Thought you should know this in case you believe there's such a thing as a viral disease. Oh, and one more thing. Modern medicine is based on my institute's curriculum so that we only promote vaccines and other toxic pharma drugs and treatments. This is why I believe the best way to make money is from disaster. Hence one of my most famous quotes is:
#scamdemic
"The way to make money is to buy when blood is running in the streets."

to 1960 of $30,000, which he would pay to anyone who could prove that the polio vaccine was not a killer and a fraud. There were no takers.
Medical historians have finally come to the reluctant conclusion that the great flu "epidemic" of 1918 was solely attributable to the widespread use of vaccines. It was the first war in which vaccination was compulsory for all servicemen. The Boston Herald reported that forty-seven soldiers had been killed by vaccination in one month. As a result, the military hospitals were filled, not with wounded combat casualties, but with casualties of the vaccine. The epidemic was called "the Spanish Influenza," a deliberately misleading appellation, which was intended to conceal its origin. This flu epidemic claimed twenty million victims; those who survived it were the ones who had refused the vaccine. In recent years, annual recurring epidemics of flu are called "the Russian Flu." For some reason, the Russians never protest, perhaps because the Rockefellers make regular trips to Moscow to lay down the party line.
The perils of vaccination were already known. Plain Talk magazine notes that "during the Franco-Prussian War, every German soldier was vaccinated. The result was that 53,288 otherwise healthy men developed smallpox. The death rate was high."

# Jacob Rothschild *and* David Rockefeller

Born into two of the financial world's most storied dynasties, David Rockefeller and Jacob Rothschild may be in the winter of life, but they are still looking to the future. Saluting their recent partnership, CHARLIE ROSE examines the ways these two men have gilded their family legacies. Photograph by ANNIE LEIBOVITZ

Few families have stood the test of time like the Rockefellers and the Rothschilds. The Rockefellers—founders of the Standard Oil Company in 1870 and a wealth-management firm in 1882; philanthropists of vast generosity in both the arts and the sciences—are considered old money in America. But they are somewhat new-minted compared with the Rothschilds, a name in banking that commenced in the late 1790s and a family whose footprint is large and far-reaching in art institutions all over the world. Three years ago, in May of 2002, the two dynasties came together in a deal that was quietly and poetically momentous.

The deal was done by two remarkable men: David Rockefeller, who is now 99, and Jacob Rothschild—Lord Rothschild, fourth Baron Rothschild—who is 78. Two lions in winter, they have known each other for 50 years; they have also had parallel lives, growing up on grand estates and surrounded by an abundance of art, ancestors, and siblings. David went to Harvard and the London School of Economics and earned a Ph.D. from the University of Chicago. Jacob graduated from Eton and Oxford. They both jumped into careers in finance.

The deal is simple. RIT Capital Partners, led by Rothschild, bought a 37 percent share in Rockefeller Financial Services. In a world of billion-dollar mergers, this is small. In history, it is huge. As Michael Bloomberg, who has more money than Rockefeller and Rothschild combined, has said, "If only my father knew that I knew David Rockefeller and Jacob Rothschild, he would be so proud."

I suspect it is in philanthropy and art preservation that these two new partners will be acclaimed. David, of course, for the Rockefeller Brothers Fund and the Museum of Modern Art (where his mother, Abby Aldrich Rockefeller, played such a prominent role); Jacob, meanwhile, as chairman of the board of trustees of the National Gallery, the National Heritage Memorial Fund, and the Heritage Lottery Fund. The legacy of their deeds raises a question: Who, after they are gone, will make the same commitment to the preservation of the past and the science of the future? □

Jewish Andrew W Mellon introduces Fluoridation in America.

It was Ewing, as chief of the PHS (Public Health Service), who officially gave the green light to fluoridation only five years after the initiation of the 10 to 15-year experiments in Grand Rapids, Michigan, and Newburgh, New York. At that time the permanent teeth of children born under fluoridation had not yet erupted, and therefore no reliable scientific conclusions concerning its benefits could possibly have been reached. Prior to Ewing's tenure of office in the federal government, Andrew Mellon, the founder of ALCOA, had been the U.S. Treasurer. The PHS was then in the Department of the Treasury. One can only speculate concerning Mr. Mellon's role as protector of his company.P313

SKIN CANCER AND FLUORIDE
Fluoride is excreted in sweat; the warmer the climate the greater the amount of fluoride excreted through skin. Fluoride has been scientifically documented as a PHOTOTOXIN which renders the skin susceptible to damage from solar ultraviolet light and contributes to skin cancer. This is why fluoridated Australia has a prevalence rate of skin cancer 20 times the global mean and why 1 in 3 people in the Republic of Ireland will get skin cancer during their lifetime. No matter where you live on this planet, if you drink fluoridated water your risk of developing skin cancer increases. Protect yourself by not consuming fluoridated water.

Facts About Fluoride
So, what are some of the facts about fluoride? According to the handbook, Clinical Toxicology of Commercial Products, fluoride is more poisonous than lead and just slightly less poisonous than arsenic. It is a cumulative poison that accumulates in bone over the years. According to the Physicians Desk Reference, "in hypersensitive individuals, fluorides occasionally cause skin eruptions such as atopic dermatitis, eczema, or urticaria. Gastric distress, headache, and weakness have also been reported. These hypersensitive reactions usually disappear promptly after discontinuation of the fluoride."

AFTER YEARS of litigation over PFOA, an industrial toxin used to make Teflon and other non-stick and stain-resistant products, in 2009 DuPont introduced GenX. Now the slippery substitute has followed the path of the molecule it replaced, contaminating water near plants in West Virginia and North Carolina, and attracting its own intense legal interest.

The lawsuits over PFOA exposed the chemical's links to several diseases, including kidney and testicular cancer. Like PFOA, also known as C8, GenX is a perfluorinated compound and similarly, was the subject of internal DuPont research showing it poses many of the same health concerns as the original chemical. Also like PFOA, GenX persists indefinitely in the environment.

## The Well-Poisoning Accusation

The Black Plague killed almost one third of the European population in the middle of the 14th century. Many believed that the plague was the result of Jews poisoning Christian wells.

He believes this to be the case because he has heard many experienced physicians say so, and is certain that the other Jews cannot acquit themselves of the charge, for they knew perfectly well what they were doing and are guilty. Balavigny was taken across the lake from Chillon to Clarens, to identify the spring in which he had confessed putting the poison. Upon arrival he was taken to the spot and as soon as he saw the spring he said, 'This is the spring where I put the poison'. The spring was examined in his presence and the linen rag or cloth in which the poison had been wrapped was found in the channel going from the spring by Henri Gerard, a notary public, in the presence of many people, and shown to the Jew. He confirmed that it was the linen cloth or rag in which the poison had been enclosed when he put it in the spring; adding that the poison was of two colours, black and red. The linen cloth or rag was taken away and is in safe keeping. Balavigny confesses everything recorded here, adding that he believes that the poison is derived from the basilisk, for he has heard it said that the poison would not be efficacious otherwise and is convinced that that is the case. The Boer War was started by Rothschild's agent, Lord Alfred Milner, against the wishes of a majority of the British people. His plans were aided by another Rothschild agent, Cecil Rhodes, who later left his entire fortune to the furtherance of the Rothschild program, through the Rhodes Trust, a by no means infrequent denouement among Rothschild agents, and the basis of the entire "foundation" empire today.P17

violation is not punished by death!—R. Naḥman b. Isaac answered: Their prohibition is their death sentence.[1]

R. Huna, Rab Judah, and all the disciples of Rab maintained: A heathen is executed for the violation of the seven Noachian laws; the Divine Law having revealed this of one [murder], it applies to all. Now is a heathen executed for robbery? Has it not been taught: 'With respect to robbery—if one stole or robbed[2] or [seized] a beautiful woman,[3] or [committed] similar offences,[4] if [these were perpetrated] by one Cuthean[5] against another, [the theft, etc.] must not be kept, and likewise [the theft] of an Israelite by a Cuthean, but that of a Cuthean by an Israelite may be retained'?[6] But if robbery is a capital offence, should not the Tanna have taught: He incurs a penalty?—Because the second clause wishes to state, 'but that of a Cuthean by an Israelite may be retained,' therefore the former clause reads, '[theft of an Israelite by a Cuthean] must not be kept.'[7] But where a penalty is incurred, it is explicitly stated, for the commencing clause teaches: 'For murder, whether of a Cuthean by a Cuthean, or of an Israelite by a Cuthean, punishment is incurred; but of a Cuthean by an Israelite, there is no death penalty'?[8]—How else could that clause have been taught? Could he state, 'forbidden' . . . 'permitted'? Surely it

Murder and Theft of non-Jews allowed

(1) I.e., in speaking of heathens, when the Tanna teaches that they are forbidden to do something, he *ipso facto* teaches that it is punishable by death; for only in speaking of Jews is it necessary to distinguish between prohibition and punishment. (2) Stole (*ganab*) refers to secret stealing; robbed (*gazal*), to stealing by open violence. (3) In war, v. Deut. XXI, 10-14 — a species of robbery. [This is the only possible and correct rendering of the text, *contra* Goldschmidt. Cf. Tosef. A.Z.] (4) Acts which are not actual robbery, but partake of its nature. (5) 'Cuthean' (Samaritan) was here substituted by the censor for the original *goy* (heathen). (6) [I.e., though it is forbidden to rob the heathen (v. *Yad, Genebah* I, 2; VI, 8), the offence was non-actionable. For reason, v. B.K. (Sonc. ed.) note on Mishnah 37*b*.] (7) But actually it is punishable too. [This is merely a survival of old Semitic tribal law that regarded theft and robbery as a crime against the state, and consequently punishable by death. V. Müller, D.H., *Hammurabi*, 88.] (8) Thus the Tanna does refer to punishment; since then he omits a reference to punishment in the clause under discussion, it shows that the heathen is not executed for robbery. In the whole of this discussion the punishment referred to is death.

While researching and writing the book-in-progress titled "Jewish Persecution", it became clear that Mendelsohn meant what he said, and it is true. There is no such religion as Judaism anyway; the religion is 'Talmudism' or 'Pharisaism'. It IS a LAW which contains the plan for World Dominion, and it is well-hidden 'neath its cloak of religion.

No one condemned the Jews more severely than did Christ, and one wonders, if He came to earth to-day, how many professing Christians would be willing to receive Him; too often their sympathies are with the money-changers rather than with Him who drove them out.

Dr. Ernst Hanfstaengl, one of his(Hitlers) earliest supporters and later his Foreign Press Chief, told me recently that in those days of 1923, Hitler, in recalling his experiences as a soldier during the terrible years of the War, said that nothing in his eyes seemed more insane and deplorable than the wholesale slaughter between the Germans and English. It was very painful to him to have to fire on Englishmen and at moments the sight of the dead bodies of the splendid Highlanders made him feel quite sick.

At the last decisive council of the British Cabinet on July 3,1914, Mr. Lloyd George invited Lord Rothschild to listen to and guide the debate . This Prime Minister played his demoniacal game on behalf of the Rothschilds, whose mere tool he has always been and still is . If England had then honestly declared that she would, stand by Russia and France, there would have been NO WAR, because the Kaiser would never have permitted it, notwithstanding the 10 Jews, who closely surrounded him : Bethman-Hollweg-Rothschild, Rathenau, Ballin, Dernburg, Ambassadors E .Goschen, Schoen, et al . The Rothschilds, through Mr . Lloyd George, prevented such declaration by England, and thus made certain the most bloody,senseless and disastrous war .P48

The Tyler Kent Case

Even so, thirteen years were to pass after the "peace" of 1919 before C. Hartley Grattan, in "The Nation" of July 27, 1932, revealed to the citizens of this Republic that another President, Mr. Wood row Wilson, had secretly committed us to fight in Europe's wars. Date of the commitment, March, 1916. Source: Intimate Papers of Wilson's Col. House, Vol. II, p. 175. Text: "The solution I suggested was that at regular intervals I would cable Sir Edward Grey, in our private code, offering intervention." That is the sort of lie and deceit that was going on behind the "Atlantic Charter" 0/1916 which read: "Make the world safe for democracy." Eight months after that March commitment, Wilson was reelected on another slogan: "He kept us out of war." And less than a half a year from then, a hundred and thirty millions of us learned that the "M" of that March commitment was a small "m."

General John J. Pershing, and two ,million of our best, were on their way to France. Such was the march commitment of early 1916. Why? Following 1918 and the Armistice, propaganda (including the film "Wilson") has largely succeeded in covering up this second peacetime com mitment to put our Nation into foreign war. While, buried deep in the Intimate Papers of Colonel House (Vol. I, p. 249) is his wire to Wilson, ' May 29, 1914: "Whenever England consents, France and Russia will close in on Germany and Austria." Why? Page 31

"Atrocity propaganda is how we won the war. And we're only really beginning with it now! We will continue this atrocity propaganda, we will escalate it until nobody will accept even a good word from the Germans, until all the sympathy they may still have abroad will have been destroyed and they themselves will be so confused that they will no longer know what they are doing. Once that has been achieved, once they begin to run down their own country and their own people, not reluctantly but with eagerness to please the victors, only then will our victory be complete. It will never be final.
Re-education needs careful tending, like an English lawn. Even one moment of negligence, and the weeds crop up again - those indestructible weeds of historical truth."

In his diary Patton had noted that on one occasion an RAF Spitfire attacked his private plane in an attempt to shoot it down but fortunately crashed after missing. General Patton died on December 21, 1945. After a decade-long investigation, military historian Robert Wilcox asserts that OSS head General “Wild Bill” Donovan ordered a highly decorated marksman called Douglas Bazata(a Jew) to silence Patton, who gloried in the nickname “Old Blood and Guts”.

The Secret Origins of WW1 by Chuck Maultsby

The fruits of our research very clearly show that the entire mainstream thesis that Germany was to blame for the war, is a complete fabrication. This leads us to the inevitable but depressing conclusion that, apart from the few notable exceptions, brave and honest war historians are few and far between. Before the First World War had even begun, a dedicated team of 'eminent' English court historians was brought together at Oxford University and richly rewarded for creating anti-German propaganda in the form of 'Oxford Pamphlets .

What we have uncovered is an enormous double-deal whereby not only did food go to Belgium, food that was often sold for profit, but supplies also went to Germany directly down the River Rhine. We know that Edith Cavell saw what was happening. As an avid letter writer whose letters were printed in the Times, she threatened to expose the scandal. This is a story of money, bankers and producers colluding to reap millions from the desperation of a hungry Europe, and in so doing prolonged the bloody war.
https://odysee.com/@louismarschalko:2/The-Secret-Origins-of-WW1-ChuckMaultsby:d

For Jewish tribal nationalism, the period of the peace conferences following the First World War meant yet one more triumph for dreams of Jewish world domination.Wilson himself stated on his return home from the Peace Conference at Versailles:"There was a secret force at work in Europe which was untraceable."At the Versailles Peace Conference the German delegation contained two Jews. Its advisors included Max Warburg, Dr. von Strauss, Oscar Oppenheimer, Dr. Jaffe, Deutsch, Brentano, Struck,Wassermann and Mendelsohn Bartholdi.

[Page 62]

During this period the Christian world failed to notice that the artificially deepened rifts dividing the nations, together with them injustices promoted by the peace treaties, only served to further Jewish aspirations to world power. In starving Germany, rebellious Spartacus groups together with Socialist and Bolshevik revolutionaries, were splitting up society. Across the Rhine. new nationalisms emerge to fly at each other's throats. In the place of the Hapsburg Monarchy and the former Austro-Hungarian Empire, many small

opposing nationalisms prepare to payoff old scores. While the fires of the Bolshevik revolution still smoulder in Italy, the new flames of the Fascist revolution begin to flare up.Meanwhile, more to the East, due to the support of Jewish Finance,Bolshevism grows stronger and stronger so that the Jews of the Kremlin as well as those of the Loeb directorate, may well chant the credo of their nationalism over distracted Europe.“Our men are progressing rapidly in Paris, New York and Moscow. We are advancing towards the second stage of the battle.We have divided Christian Europe and from the soil of the injustice sown by us will spring the seeds of a new war. You will see that the seeds will bear fruit in the next twenty years,”As the great Lenin said:
“The First World War gave us Russia, while the Second World
War will hand Europe to us!” P64

[In Germany in January 1932,] Herbert Norkus was only twelve years old ... [and] was sent out in the pre-dawn darkness to distribute and post bills announcing a National Socialist rally. He was seen and caught by a gang of adult Communists.... The autopsy showed two stab wounds in the chest, five in the back. The boy's face was mutilated beyond recognition, and the lower lip had been cut off . The lad must have died in unspeakable agony. | Dr. Peter H. Peel (Liberty Bell; October 1988; p. 34)

[Ambassador Hugh] Wilson relayed information ... that, in 1938, 10% of the practicing lawyers in Germany were Jews.... | David L. Hoggan (Liberty Bell; March 1984; p. 2)

[T]he Jews and their collaborators ... did not limit themselves to inventing spurious atrocity stories, spurious statistics, spurious statements attributed to Hitler and other German leaders, which were passed off as news"; they also played expertly on the average American's emotions and instincts with undisguised action. Anti-German novels, anti-German short stories, anti-German stage plays, anti-German comic strips, anti-German nightclub acts, anti German posters, and anti-German motion pictures were all used effectively....
The Roosevelt government also engaged in physical intimidation to silence the critics of the Jews. The Federal Bureau of Investigation harassed authors, editors, publishers, and lecturers who attempted to warn the American people that the Jews were brewing up a new war for their own ends. J. Edgar Hoover sent out his black bag" squads to burglarize the homes and offices of law-abiding citizens and to steal their private papers and research materials, all without the slightest worry that the news media would cry foul!"
Dr. William L. Pierce; \Background to Treason"

The Nuremberg Trials -Confessions obtained by Torture.
In addressing these cases, Senator McCarthy told the press: "I have heard testimony and read documentary evidence that the defendants were beaten, abused, and physically tortured by methods that could only be conceived in diseased brains. They were subjected to mock trials and alleged executions, they were told that their families would be deprived of their ration cards. All these things were done with the approval of the prosecutor in order to provide the psychological atmosphere necessary to extract the required confessions. If the United States allows such acts by a few people to go unpunished, then the whole world may rightly criticize us severely and forever doubt the correctness of our motives and moral integrity." The methods of intimidation described were repeated at the Frankfurt/Main and Dachau trials..
https://odysee.com/@louismarschalko:2/nuremberg-justpasteit-nuremberg-trials-torture:f

Dangerous precedents were also created by the Nuremberg court. Maurice Bardeche points out that the concept of having a native country was discarded. Everybody, or more correctly, every Jew, is world citizen. The Jewish migrant from Zhitomir is as much a citizen of your country as you are. He has equal rights to your land. You agricultural workers must respect the rights of Negroes on the land, and you must make room for him at your table. He will march in and take office in your city or rural council, so as to make you familiar with outside “world conscience”. His sons will, perhaps, become masters over you and they may sit in judgment over your sons. They
will rule in your own city and they will re-sell you your own land, for “world conscience” entitles them to do so..P179

World Jewry must be regarded as the sole war criminal of the Second World War because, in the first place, it prevented reconciliation between the nations and the possibility of cooperation, destroying even the prerequisites to these aims. With the help of untruthful propaganda and falsehood, and by use of radio and press, it projected a totally false world picture before the eyes of mankind. It created a general world atmosphere in which the mere utterance of the truth in connection with the German question might entail danger to life or loss of livelihood, or suspicion of high treason. All peace offers made by the German statesmen were labelled sheer lies. It derided all sober and honest plans. It made all social achievements in Germany appear as reactionary red tape, all the progress as an anti-progressive obstacle, every manifestation of the elite concept as barbarism and all forms of anti-Bolshevism as anti-democratic. Colonel Charles Lindbergh, the national hero of America, became suspected of high treason when he dared to state his honest opinion about National Socialism, based on his own personal experience.P78

Following Germany's defeat in World War I, French and British troops occupied portions of Germany to ensure that reparations would be repaid. In some areas such as the Rhineland, France utilized colonial troops from North Africa for patrolling and occupying —possibly serving as an act of further humiliation—making the local Germans be subject to those who were, in turn, subject to a colonial power.At the forefront was the belief that African troops, racially portrayed as oversexed and primal, were ravaging German women.

The Money Manipulators - The Bankers That Stole America 1971.
According to the late Congressman McFadden, former Chairman of the House Committee on Banking and Currency : “The sack of these United States by the Fed is the greatest crime in history.” He further testified that “the Fed has usurped the Government.” Because of the usurpations of this private monster, the Constitutional guarantees of the American people are being swept away and their property is being confiscated without due process of law.New York acts as a single district, while the four remaining districts elect the remaining four members. Thus it can be seen that the financial capital of the world, New York, will always have a man on the Board of Governors.[1]The function of the Open Market Committee is summed up in the opening paragraph of The Federal Reserve and the American Dollar, Problems and Policies:The money of the United States is managed by the Board of Governors of the Federal Reserve System and the Federal Open Market Committee ... [2]Thus this small group of men have the control of our nation’s money and economy in their hands.They also preside over the purchase and sale of government securities. With these controls the Fed
has a virtual monopoly over our fiscal life. “In the statute creating the Federal Reserve System, and as subsequently amended, there is no limitation on its actions, and the result of the delegation of power has been the abject abandonment of governmental control over the power to create money
and credit.”

He was well ahead of his developmental milestones for speech. He had great eye contact and loved to throw a ball back-and-forth.At thirteen months old, I took him in for a well-child visit where he received twelve-month vaccines. Within 24 hours of his well-visit, his speech was gone, he stopped making eye contact, he was no longer interested in playing ball, counting or playing the alphabet game with me. The Schiffs became Rothschild agents, and like most agents of the Rothschilds they eventually became very rich and powerful. The most prominent of the Schiffs was Jacob Henry Schiff. Jacob was born in Frankfort in 1847, and was sent by the Rothschild/Schiff network to America to make his fortune (Much like the Astors sent John Jacob Astor). Jacob Schiff arrived in New York in 1865. Ten years later he became the partner of the Illuminati firm Kuhn, Loeb & Company. Ten years after that he became Its president. Directing Rothschild and Illuminati affairs from this seat of authority. Jacob Schiff was also on the board of directors of Central Trust Company, Western Union. and Wells Fargo Company…

USA-THE MONEY POWER CRUSHES ALL OUR INDUSTRIES, BY INDUCING THE CRASH OF 1873. We have now come in the order of time to the crash of 1873, which ruined many thousands of our business men throughout the country.The crash of 1873 was brought on by the failure of the House of Jay Cooke & Co. Jay Cooke was a London banker, and the agent of the Money Kings for building the Northern Pacific Railroad. The failure was arranged in such a manner that it did not involve the London house of Jay Cooke & Co. at all. But the failure of the Ameri-

can house accomplished its purpose. It started a crash whose influence lasted five years, prostrating all our in- dustries, and sweeping the country with a deluge of bankruptcy; enabling the Money Kings to hold carnival in the purchase of our produce at low prices, and in buying up property cheap at bankrupt sales.

Interesting in this context is the reference by Yad Vashem and the world's media that one reason to ask for this act of censorship was the recent "unfortunate change in climate with more-visible antisemitism" (Jerusalem Post, Feb. 23, 2017). We at Castle Hill Publishers were holding our breaths. Amazon had been criticized by the media many times before for allowing the sale of controversial material on their website, but they never censored anything that was legal. So at first, nothing happened. But then, as
if ordered to emphasize the urgency of Yad Vashem's request, two Jewish cemeteries were vandalized, first one in Philadelphia (Feb. 27), then allegedly another one in New York (Mar. 3). The New York case, however, was later retracted: the tombstones there had fallen over decades due to age. Be that as it may, the cemetery stories added fuel to the fire in which Amazon's feet had been put. Then, on the first workday of the week following the second (false) cemetery story, on March 6, 2017 at

In 1960, it was established that there were no gassings in the Western camps.224 But none of this penetrated the western consciousness of the time which could not see beyond the piles of dead bodies, and saw in them proof of German evil and Nazi Kultur.225 The imagery of the western camps, and above all Belsen, would remain for decades the proof of the Holocaust, and by extension, of the gas extermination claim.P38

New History of the Jews - Eustace Mullins- DEDICATED TO MRS. LYRL CLARK VAN HYNING

JEWS AND RITUAL MURDER P.51

There are so many thousands of well-attested examples of Jewish murder of children that we need only cite a few. In "Excavations at Gezer", the archaeologist R. A. S. Macalister notes that the bodies of sacrificed young children are found in every strata of Jewish remains from the earliest times. Photographs of the children's bodies are published in Macalister's book, although the book itself, like most works which attest to the criminal P51 nature of the Jews, is now almost unobtainable. It is classi
fied as a rare book, and most rare book dealers are Jews.

Bankers Admitted Dream of World Government; Officially,August 1934 .

In the USA. Bankers magazine of Aug 26th 1934 the following barefaced admission appeared:"Bonds and Mortages must be foreclosed as rapidly as possible .When through a process of law the common people lose their home they will become more docile and easily and more easily governed through the strong arm of Govt. under the control of leading financiers .This truth is well known amongst our principle men who engaged in forming an Imperialism of Capital to govern the World. By dividing voters by the political party system we can get them to expend their political energies in fighting over questions of no importance.Thus by discreet action ,we can secure for ourselves what has been so well planned" Canadian Social Crediter 3-27-49

Who brought the slaves to america!
An authentic, contemporary report, based on authority, indicates that of 128 Slave ships, for instance, unloaded in Charleston, within one year, their "Cargo," 120 of these were undersigned by Jews from Newport and Charleston by their own name. About the rest of them, one can surmise, although they were entered as Boston (1), Norfolk (2), and Baltimore (4), their real owners were similarly the Jewish slave dealers from Newport and Charleston. One is able to assess the Jewish share in the entire dealings of the Newport, if one considers the undertaking of a lone Jew, the Portuguese, Aaron Lopez, who plays an important part in the over-all story of the Jews and Slavery. Concerning the entire commerce of the Colonies, and the later State of Rhode Island, (which included Newport) bills of lading, concessions, receipts, and port clearances carried the signature name of the Jew Aaron Lopez. This all took place during the years 1726 to 1774. He had therefore more than 50% of all dealings under his personal control for almost fifty years. Aside from that there were other ships which he owned, but sailed under other names.
In the year 1749, the first Masonic Lodge was established. Ninety percent of the members of this first lodge, fourteen all told, were Jews. And one knows that only socalled"'prominent" individuals were accepted. Twenty years later, the second Masonic Lodge, "King David," was established. It is a fact that all of these members were Jews.

The Hoax Of The Twentieth Century. Arthur Butz - 'The Case Against the Presumed Extermination of European Jewry'

“We have known about it [The Hoax of the Twentieth Century] for some time. But we didn’t want to give it any publicity and help the sales. Now it’s too late; it’s out in the open and we have to face it squarely.” —Abbot A. Rosen, Chicago Executive Director, ADL, Pittsburgh Press, Jan. 26, 1977

First published in 1976, this slightly revised and enhanced edition of The Hoax of the Twentieth Century is the seminal work of “Holocaust” revision
ism and still the most widely read on the subject. In 502 pages of penetrating study and lucid commentary, Dr. Butz gives the reader a graduate course on the subject of the Jews of World War Two Europe – concluding not only that they were not virtually wiped out, but what’s more, that no evidence exists to date to confi rm that there was ever any Hitler attempt to do so. Chapter by solidly referenced chapter, Dr. Butz applies the scientist’s

rigorous clinical technique to every cornerstone of the legend. He focuses on the post-war crimes trials where the prosecution's false "evidence" was secured by coercion and even torture. He re-examines the very German records so long misrepresented; he critiques the European demographics, which do not allow for the loss of the "Six Million"; he re-evaluates the concept and technical feasibility of the "gas chambers" with some startling conclusions; and he separates the cold facts from the sheer tonnage of disinformation that has served as a formidable barrier to the truth since the end of WWII. This is the book that has caused unprecedented shockwaves throughout the

The linear connection between the Rothschilds and the Bank of England, and the London banking houses which ultimately control the Federal Reserve Banks through their stockholdings of bank stock and their subsidiary firms in New York. The two principal Rothschild representatives in New York, J.P. Morgan Co., and Kuhn, Loeb & Co. were the firms which set up the Jekyll Island Conference at which the Federal Reserve Act was drafted, who directed the subsequent successful campaign to have the plan enacted into law by Congress, and who purchased the controlling amounts of stock in the Federal Reserve Bank of New York in 1914. These firms had their principal officers appointed to the Federal Reserve Board of Governors and the Federal Advisory Council in 1914.

"This business of lending blood money is one of the most thoroughly sordid, cold blooded, and criminal that was ever carried on, to any considerable extent, amongst human beings. It is like lending money to slave traders, or to common robbers and pirates, to be repaid out of their plunder. And the men who loan money to governments, so called, for the purpose of enabling the latter to rob, enslave and murder their people, are among the greatest villains that the world has ever seen."
--Lysander Spooner, No Treason (Boston, 1870)

"No one can deny that the Jews are a most unique and unusual people. That uniqueness exists because of their Edomite heritage. You cannot be English Jews. We are a race, and only as a race can we perpetuate. Our mentality is of Edomitish character, and differs from that of an Englishman. Enough subterfuges! Let us assert openly that we are International Jews." —Manifesto of the "World Jewish Federation," January 1, 1935, through its spokesperson, Gerald Soman.

*But in October 1657, Cromwell was short of capital for his new government, so he granted a new charter for financial aid.*

***[Because] everything wrong was blamed on the newly admitted Jews, support for Cromwell's government dissipated**.*

*But when the Cromwell's faltered, the Rosicrucians and **Jews quickly jumped aboard the Levellers' Stuart king "ship"**.*

*Now the **Rosicrucians and Jews even supported the return of the Stuart Templar King Charles II** to sit on the throne.*

*They became aligned to the Royalists, and after Cromwell was out, restored Charles II to the throne of England.*

*After Cromwell died, some Londoners stole his bones from Westminster Abby and chopped off his skeleton's head.*

*And before the Glorious Revolution of 1688 took place, the Levellers had put Charles II, a Stuart king, back on the throne.*

*And after the English Revolution, **Freemasonry and guilds became the way to do business and were in all walks of life**.*

*Charles II, King for 1660 to 1685. After he died, there were no more Stuart kings — and **William of Orange, a Dutch Rosicrucian, became King of England, i.e., a Dutch foreigner**.*

*In 1694 **the English government received 1.25 million pounds raised from Jewish moneychangers — and in return, subscribers are given the Bank of England charter to issue government bonds**.*

*After the Bank of England has been formed, England was plunged into years of costly wars.*

***The Bank of England is still privately owned by Jewish bankers today**, as this plaque outside the banks says, "The Bank of England was founded in 1694 as a private company and now exercising the functions of a State Bank."*

*And so with the formation of the Bank of England in 1694 began the expansion of the British Commonwealth because **Jewish money was pouring into London at that time** — and it expanded as Far East as India where the Hole of Calcutta took place — and also to China with the Opium Wars.*

Deadlier Than The H-Bomb Leonard Young - 1956 Book Pdf
The hordes of Jews, Negroes. Indians, Pakistanis, Cypriots and other non-Nordic aliens flooding into this country are being deliberately introduced by Sanhedrin policy in order to pollute our race and provide alien and degenerate urban mobs which can be used for revolutionary purposes under the "democratic", i.e., Jewish or Communist system.Appalling things are happening in our largest cities where there are these large coloured invasions but these facts can only be learnt by reading such clear-sighted British periodicals as Candour and Free Britain because our press and "B".B.C. keep the public in complete ignorance or very ill-informed. The writer would like to know why our press behaves like it does. Is it because of fear of the crack of the Jew-wielded financial whip or because of blindness and ignorance ? Our "British" Governments of the last decade have cravenly submitted to all these Jewish moves for destroying us. They now appear to be proposing to import Maltese M.P.s to help the process of centralisation and mongrelisation. P69

Dear Mr. President:
It was a pleasure to see you recently at Senator Kennedy's house. There was too much to discuss and too little time. Using my fifteen seconds of access to discuss Jeffrey Epstein and currency stabilization, I neglected to talk with you about a topic near and dear to my heart. Namely, affirmative action and the future. I am sending you a copy of a memo George Stephanopoulos asked me to prepare, and an article about my participation in an FCC set aside program.
I would very much like to continue my involvement with this issue. You deserve a lot of credit for many of your initiatives in this area. Let me know if I can help you in any way.

Edmondson Robert Edward - I testify against the Jews (Book pdf ).....
Quote. Paragraph 'A Jewish Confession of Guilt'
"Of course you DO resent US JEWS. The thing that intrigues me about this anti-Jewish business, however, is your TOTAL LACK OF GRIT. You seem to be suffering with self-consciousness horribly. It is not as if you were amateurs—you have been at it for over 15 centuries. You resent us, but you cannot clearly say why.
"We are. if you are to be believed, a menace to your racial integrity. We shirk our patriotic duty in wartime, because we are pacifists by nature and tradition, You accuse us of stirring up revolution in Moscow'. Suppose we admit the charge, WHAT OF IT?

"Take the three principal revolutions in modern times—the French, Ameri¬ can and Russian. What are they but the triumph of the Jewish idea of social, political and economic justice? And the end is still a long wav off. WE STILL DOMINATE YOU.

"You make much noise and fury about the undue Jewish influence in your theatres and movie palaces. Granted, your complaint is well-founded. But what is that compared with our STAGGERING INFLUENCE in your churches, your schools, your laws and your government, and the very thoughts you think?""

"You believe ‘The Protocols of che Eiders of Zion.' But what is that beside the unquestionable and historical conspiracy which we have carried out, and which we have never denied because you have never had never had the courage to charge us with it?

"You call us subverters, agitators, revolution-mongers. IT IS THE TRUTH —and I cower at your discovery,

"You have not begun to appreciate the real depth of our guilt. We have taken your natural world, your ideals, your destiny, and played havoc with them. We are at the bottom not merely of the latest great war, but nearly all your wars. We have brought discord and confusion and frustration into your personal and public life. WE ARE STILL DOING IT. We did it solely with the irresistible might of our spirit, with ideas and propaganda,

"If we were in your place we should dislike you more cordially than you do us. BUT WE SHOULD MAKE NO BONES ABOUT TELLING YOU WHY. You go about whispering terrifyingly of the hand of the Jew in this and that. IT MAKES US QUAKE. We are conscious of the injury we did when we imposed upon you our alien faith and traditions. And then you specify and talk vaguely of Jewish financiers and Jewish motion picture promoters, and our terror dissolves in laughter. The Gentiles, we see with relief, will never know the REAL BLACKNESS OF OUR CRIMES.

Can you wonder that we Jews have always taken your anti-Semites rather lightly, as long as they did not resort to VIOLENCE?”

When one comes to full realization of what all-engulfing insensate power surging emotion wields over even disciplined individual minds, then will be understood their deep fear of mob violence. Jewish Leadership is past-master in evaluating mass-psychology,

THE GOLDEN CALF AN EXPOSURE OF VACCINE-THERAPY a book BY CHARLES W. FORWARD 1933

8..ANTI-TYPHOID VACCINES. A well-known English doctor and member of the Royal College of Surgeons describes the preparation of antityphoid vaccine thus :" You have a ward full of men suffering from typhoid fever, and these men are treated for it by the medical men who attend them, and who know perfectly well that they are suffering from typhoid fever and from nothing else. . . . The medical men in attendance have to take a portion of the excreta (from the intestines) of every one of these patients and put it into a bottle labelled with the name of the patient, and . . . send it into the bacteriological laboratory. The men in the laboratory, many of whom could not tell a case of typhoid fever if they saw one, at once begin to submit this excreta to a bacteriological or chemical test, commonly called the agglutination test, which is as fallacious and untrustworthy as is the whole system to which it is attached. The mass of filth is then injected into horses, poisoning their blood. From this poisoned blood they obtain the vaccine, with which they poison those into whom it is injected.

Pol Pot trained by his Jew Communists how to Genocide Goyim (PolPot in group photo)

SFIO. - (Jew)Léon Blum was one of the five sons of a wealthy Jewish ribbon manufacturer who had moved to Paris from Alsace. His parents' house was in the rue Saint Denis, in the 'soft-goods' district of Paris, but one which, in Blum's own words, 'was also a popular quarter still haunted by the memories of Republican insurrections'. The most important influence of his early years was his maternal grandmother, known in the family as la Communarde because of her fiery sympathy for the Communist Commune of 1871. From the earliest possible age she made young Léon into a Socialist and trained him in the cult of revolutionary 'heroes'. Blum was educated at the Lycée Charlemagne and then the École Normale Supérieure.

The Neuengamme and Sachsenhausen Gas Chambers With a Focus on British Investigations for the Tesch Trial

Conclusion - What are the lessons of the Tesch Trial? The defendants' innocence of the charge brought against them is obvious, as is the absurdity of Emil Sehm's story which drove the entire investigation and trial. The trial is more enlightening as a window into how War Crimes investigations operated: into the incompetence and dishonesty, the manipulation of documents, the intimidation of witnesses, the suppression of contradictions. Only with this awareness will it be possible to adequately assess the evidence gathered in post-war trials, rather than using it as ammunition to bolster a set of predetermined conclusions.

Adolf Hitler-Collection of Speeches and Proclamations-1922-1945

The Jew has not grown poorer: he gradually gets bloated, and, if you don't believe me, I would ask you to go to one of our health-resorts; there you will find two sorts of visitors: the German who goes there, perhaps for the first time for a long while, to breathe a little fresh air and to recover his health, and the Jew who goes there to lose his fat. And if you go out to our mountains, whom do you find there in
fine brand-new yellow boots with splendid rucksacks in which there is generally nothing that would really be of any use? And why are they there? They go up to the hotel, usually no further than the train can take them: where the train stops, they stop too. And then they sit about somewhere within a mile from the hotel, like blow-flies round a corpse.

# UNITED STATES BANK.

From the Washington Globe.

## REMOVAL OF THE PUBLIC DEPOSITES.

It has been generally known for some months past that the propriety of withdrawing the public deposites from the Bank of the United States was under consideration and engaged much of the attention of the President and of the different members of his Cabinet, all of whom had been called upon by the President to assist him in his deliberations on this subject. After a very full and careful examination, the President came to the conclusion that the public deposites ought to be changed to the state banks, and his opinion was communicated in writing to his Cabinet on Wednesday last, at a meeting held specially for that purpose, and the facts and reasons on which it was founded. As public attention has been drawn to this subject, it is deemed proper, in order to prevent misunderstanding or misrepresentation, to lay before the people the communication made by the President as above mentioned, and a copy has been furnished to us for that purpose, which we now proceed to publish.

Hidden Empire - Pelley Dudley 1938
The Gentile interrogated Mr. Strauss as to what might be depressing him. "It is my people," returned the Jew, and he wagged his head in unutterable sadness. "I'm telling you, my friend. that if my people do not mend their ways and be good citizens in fact, pretty soon the time is coming when America is going to see pogroms beside which the pogroms of Europe have been nothing!"
Nothing is the matter with America but the aliens who have been admitted to her hospitality, and who have shamelessly abused Christian sportsmanship and tolerance to sack her commerce and debauch her institutions.P66

LOOKING TO CHINA: Sir Evelyn de Rothschild flanked by Xiao-Feng Liu, left, and Leroy Jin, Cambridge and Oxford graduates who will help develop the bank in China

# Rothschilds to China

By ANTHONY BOYD
Banking Editor

BRITISH merchant bank NM Rothschild & Sons expects to draw on its bullion banking experience in Australia to service its new customers in China, where it will open a representative office next month.

Sir Evelyn de Rothschild, chairman of the NM Rothschild businesses around the world, said yesterday that he believed bullion banking, project finance and corporate advisory on equity issues would the three main areas of business for his organisation in China.

Gold trading has been a staple business of the Rothschild group in the Asia-Pacific region for many years. The bank has been trading gold with the Bank of China since 1953 and, according to the company's historian, Rothschild London employed a number of agents in Melbourne in 1852 to supervise the purchase and shipment of bullion to London.

Sir Evelyn told *The Australian Financial Review* in Sydney yesterday that the Rothschild expansion into China, under the auspices of the Hong Kong office, should provide valuable spin-offs for other parts of the business, including funds management and treasury.

Rothschild has had offices in Hong Kong, Singapore and Malaysia since the 1970s. It opened an office in Australia in 1968.

Sir Evelyn was particularly bullish about the prospects for China and expressed little concern about the valuation of equities on the Hong Kong stockmarket. He was reluctant to be drawn on the current diplomatic fight between the Governor of Hong Kong, Mr Chris Patten, and the Chinese authorities but he was confident Hong Kong would remain the capital conduit for the Chinese mainland.

"If you look at the fundamentals, Beijing is the political capital of China, Shanghai is the industrial and commercial capital of the north and Guangdong and Hong Kong together, with a population of nearly 100 million, are the financial and commercial capitals of the south — thats not going to alter," he said.

"The Chinese are pragmatic people, they know that in the long run they have got to have foreign capital."

Harold Wallace Rosenthal and the Protocols of the Learned Elders.

Our constant fear is that they may open their eyes and learn that no change was ever brought about with a pen. History has been written in blood, not with ink. No letter, editorial or book has ever rallied the people or stopped tyranny. We understand this principle and are continually propagandizing the people to write letters to the President, to Congress and to their local media. We are safe to continually exploit, intimidate and disenfranchise the white American as long as they are preoccupied with the illusion of educating the masses through printed material. Woe be unto us if they ever see the futility of it, lay down the pen and employ the sword...

Anne Frank Diary Fraud Finally Admitted...
The Basel, Switzerland, Anne Frank Fonds (Anne Frank Fund), which controls the copyright to the Diary of Anne Frank, has admitted that the book was in fact at least co-authored by Otto Frank, Anne's father, after the war.The admission proves that the book, which is still heavily promoted as a "holocaust memoir", is in fact largely a postwar fabrication which contained parts of the young Anne's
diary with extensive additions added by her father.

NO TRIAL OF THE KAISER ."The Unseen (Hidden Hand) will not allow the trial of the Kaiser,
because he may reveal most of its crimes ... Instead of signing the Peace Treaty, casting out Bolshevism (only 30,000 soldiers were needed in 1918, and only 300,000 from the ten Allied Powers in 1919), the Hidden Hand wishing to bleed Russia white, and to enslave Europe by ruin and starvation, has imposed a 'Covenant,' showing its non-Christian origin and objects," etc.
On July 3, 1922, in the Chicago Tribune was published an interview of Baron C, v . Radovitz_- Nei with the Kaiser, in which the latter declared, that the Jews were at the bottom of the world's every ill. You see that I was right in foretelling, that the Kaiser would denounce the Hidden Hand, if he were tried . That is the reason he was not brought to trial, and Lloyd George, knowing this,deliberately lied. , 'Lloyd George cannot be trusted" (Lord Rhonnda, Nov. 1921 .)How immeasurably far from the truth are the statesmen, who believe, as does Lord Parmoor that "all the worst wars of recent times have been due to economic isolation," as is Signor Tittoni, ex-ambassador of Italy, who declared in Milan, that a League of Nations would make war more difficult. No, Signor.. . No ! The only way to prevent wars, among the White nations at least, is to expose the chief cause of wars : The Judeo - Mongol World Government, the direct Legatees of Satan ."If the Czar would hang 300 criminal Jews, he would save 30,000,000 innocent Russians and his family" (Urbain Gohier, a great Frenchman) ."The Jews who surrounded Lloyd George, Wilson and Clemanceau are to be blamed for having created a 'Jewish Peace'," says M. G. Batault ("Le Probleme Juif ", p . 38.) According to CHRIST, the Jews are the sons of the devil, who is a mankiller. Therefore, no real peace could be expected from the above "statesmen", guided, as they were, by the Jews. M. Batault wrongly believes, that at Paris "people" were in the entente of two ' Internationales' : of Gold and of Blood ." It is like stating that there is an entente between the War and Navy Departments of the United States Government. There is constant "entente" between the two departments of the Judeo-Mongol Government .*( 4 The International bankers are offering Germany $10 .000 .000, if she will withhold the note renouncing the war guilt" (N . Y. American, Sept. 15, 1924) .

Twenty-five years later a leading Zionist in England, Lord Melchett, spoke in the same tone of secret knowledge to Zionists in New York: "If I had stood here in 1913 and said to you 'Come to a conference to discuss the reconstruction of a national home in Palestine', you would have looked upon me as an idle dreamer, even if I had told you in 1913 that the Austrian archduke would be killed and that out of all that followed would come the chance, the opportunity, the occasion for establishing a national home for the Jews in Palestine. Has it ever occurred to you how remarkable it is that out of the welter of world blood there has arisen this opportunity? Do you really believe that we have been led back to Israel by nothing but a fluke?"

Once the war(WW1)had gotten started, it was found that it wasn't easy to keep it going. The principal problem was that Germany was desperately short of food and coal, and without Germany, the war could not go on. John Hamill in The Strange Career of Mr. Hoover63 explains how the problem was solved.* He quotes from Nordeutsche Allgemeine Zeitung, March 4, 1915, "Justice, however, demands that publicity should be given to the preeminent part taken by the German authorities in Belgium in the solution of this problem. The initiative came from them and it was only due to their continuous relations with the American Relief Committee that the provisioning question was solved." Hamill points out "That is what the Belgian Relief Committee was organized for--to keep Germany in food." The Moratorium on Germany's war debts was necessary so that Germany would have funds for rearming. In 1931, the truly forward-looking diplomats were anticipating the Second World War, and there could be no war without an "aggressor". Hoover had also carried out a number of mining promotions in various parts of the world as a secret agent for the Rothschilds, and had been rewarded with a directorship in one of the principal Rothschild enterprises, the Rio Tinto Mines in Spain and Bolivia. Francqui and Hoover threw themselves into the seemingly impossible task of provisioning Germany during the First World War. Their success was noted in Nordeutsche Allgemeine Zeitung, March 13, 1915, which noted that large quantities of food were now arriving from Belgium by rail. Schmoller's Yearbook for Legislation, Administration and Political Economy for 1916, shows that one billion pounds of meat, one and a half billion pounds of potatoes, one and a half billion pounds of bread, and one hundred twenty-one millions pounds of butter had been shipped from Belgium to Germany in that year. A patriotic British woman who had operated a small hospital in Belgium for several years, Edith Cavell, wrote to the Nursing Mirror in London, April 15, 1915, complaining that the"Belgian Relief" supplies were being shipped to Germany to feed the German army. The Germans considered Miss Cavell to be of no importance, and paid

no attention to her, but the British Intelligence Service in London was appalled by Miss Cavell's discovery, and demandedthat the Germans arrest her as a spy.72 Sir William Wiseman, head of British Intelligence, and partner of Kuhn Loeb Company, fearedthat the continuance of the war was at stake, and secretly notified the Germans that Miss Cavell must be executed. The Germans reluctantly arrested her and charged her with aiding prisoners of war to escape. The usual penalty for this offense was three months imprisonment, but the Germans bowed to Sir William Wiseman's demands, and shot Edith Cavell, thus creating one of the principal martyrs of the First World War.With Edith Cavell out of the way, the "Belgian Relief" operation continued, although in 1916,German emissaries again approached London officials with the information that they did not believe Germany could continue military operations, not only because of food shortages, but because of financial problems. More "emergency relief" was sent, and Germany continued in the war until November, 1918. Two of Hoover's principal assistants were a former lumber shipping clerk from the West Coast, Prentiss Gray, and Julius H. Barnes, a grain salesman from Duluth.Both men became partners in J. Henry Schroder Banking Corporation in New York after the war,and amassed large fortunes, principally in grain and sugar.

Immediately following the war(WW1) the British government, acting on orders from their hidden masters in the City, clamped a blockade on Germany. This move had a devastating effect on the German people. On March 4th, 1919, Winston Churchill declared in the House of Commons that Britain was "enforcing the blockade with vigor. . . This weapon of starvation falls mainly on the women and children, upon the old, the weak and the poor. . ."(The Nation, June 21, 1919, p. 980).
While the London Daily News was carrying eye-witness reports from Germany of "many horrible things. . . rows of babies feverish from want of food, exhausted by privations to the point where their little limbs were little wands, their expressions hopeless and their eyes full of pain," the Associated Press was carrying a report (datelined Paris, July 24) that "Germany will have to surrender to France 500 Stallions, 3000 fillies, 90,000 milk cows, 100,000 sheep and 10,000 goats. . . Two hundred stallions, 5000 mares, 5000 fillies, 50,000 cows and 40,000 heifers, also are to go to Belgium from Germany. . ."Professor Quigley tells us that "the results of the blockade were devastating. Continued for nine months after the armistice, it caused the deaths of 800,000 persons. . ." (Tragedy and Hope,p. 261). During the four years of the war Germany lost 1,600,000 dead. The German death rate during the blockade was five and a half times higher than during the war! P117

"Unsurprisingly, the average life expectancy contrasted greatly between town and countryside and also shows a great disparity between social classes. In 1840, 57% of the poor children living in Manchester died before they were 5 years. In rural areas this was 32%. An agricultural worker in Rutland had a life-expectancy of 38, a factory worker in Liverpool, a life expectancy of 15 years. Urban living was not conducive to good health for

the poorer classes particularly and cholera thrived in situations where there was an impure water supply. "

White Privilege 3 Year Old 1933 in Jew Slave colony England.

In 1934, the Chimney Sweeps Act, not to be confused with the Chimney Sweepers Act of 1875, was passed outlawing the apprenticing of any child below the age of ten. No child below the age of 14 was to actually be engaged in cleaning chimneys. In 1840, a revised Chimney Sweeps Act raised the minimum age of apprenticeship to 16.As with earlier legislation, this was largely ignored due to the absence of any means of enforcement. Children younger than ten were still being made to climb chimneys.

Modern-day readers find it difficult to imagine how such a practice could ever start. In fact, it resulted from an attempt to save children's lives. Victorian England was overcrowded, and work was scarce. Children were often employed in factories to help families survive. A study of three workhouses revealed an astounding finding. In one workhouse, sixty-eight out of seventy-six children died within a year. In a second house, sixteen out of eighteen died in their first year of work. In a third, for 14 years in a row, no children survived in the factory for longer than a year.This finding forced Parliament to promote a study of child life in Victorian England. The study produced another astounding finding. Orphanages were full of children placed there by poverty-stricken parents who could not afford to support them. In these orphanages, it was found that ninety-three out of every one hundred children died their first year in an orphanage.

As a result of these findings, Parliament passed a law prohibiting children from being kept in a workhouse or orphanage for longer than 3 weeks. This forced many children onto the streets where they were snatched up by uncaring businessmen for cheap labor or back into the hands of poor parents who were then forced to either "sell" their children as workers or watch them starve to death.

Blacks and Indians came to own, and abuse, whites in Virginia in such large numbers that in 1670 the House of Burgesses (legislature) proclaimed that " . . . noe negro or Indian though baptyised and enjoyned their own ffreedome shall be capable of any purchase of christians, but yet not debarred from buying any of their own nation." [Original spelling.] "Christian" was a euphemism of the period for Caucasian. A half to two thirds of the original Colonists of North America were Slaves.
Ulrich B. Phillips, Life and Labor in the Old South explains that white enslavement was crucial to the development of the Negro slave system. The system set up for the white slaves governed, organized and controlled the system for the black slaves. Black slaves were “late comers fitted into a system already developed.” Pp 25-26. John Pory declared in 1619, “white slaves are our principle wealth.”
People from the British Isles were kidnapped, put in chains and crammed into ships that transported hundreds of them at a time. Their destination was Virginia Boston, New York, Barbados and the West Indies. The white slaves were treated the same or worse than the black slave. The white slave did not fetch a good price at the auction blocks. Bridenbaugh wrote in his accounting on page 118, that having paid a bigger price for the Negro, the planters treated the black better than they did their “Christian” white servant. Even the Negroes recognized this and did not hesitate to show their contempt for those white men who, they could see worse off than themselves.

More White Slaves were taken to Africa than Blacks to America.White Slaves in North Africa were guarded by Black Guards that is where the word Blaggard comes from, they were chained to the wall at night."However, by far the worst fate for a Barbary slave was being assigned to man the oars of galleys. Rowers were shackled where they sat,never allowed to leave. Sleeping, eating, defecation and urination took place at the seat. Overseers would crack the whip over the bare backs of any slaves considered not to be working hard enough.

Most Slaves In America Were White.
White slaves transported to the colonies suffered a staggering loss of life in the 17th and 18th century. During the voyage to America, the white slaves were kept below deck for the entire nine to twelve week journey. They were chained with 50 other men to a board, with padlocked collars around their necks. The weeks of confinement below deck in the ship’s stifling hold often resulted in outbreaks of contagious disease, including cholera and dysentery.
Ships carrying white slaves to America often lost half their slaves to death. According to historian Sharon V. Salinger of the University of California, Riverside, “Scattered data reveal that the mortality for [white] servants at certain times equaled that for [black] slaves in the ‘middle passage,’ and during other periods actually exceeded the death rate for [Black] slaves.”
Ms. Salinger affirms a death rate of ten to twenty percent over the entire 18th century for black slaves on board ships en route to America compared with a death rate of 25% for white slaves.

In 1860 there were at least six Negroes in Louisiana who owned 65 or more slaves. The largest number, 152 slaves, were owned by the widow C. Richards and her son P.C. Richards, who owned a large sugar cane plantation. Another Negro slave magnate in Louisiana, with over 100 slaves, was Antoine Dubuclet, a sugar planter whose estate was valued at (in 1860 dollars) $264,000.In Charleston, South Carolina in 1860, 125 free Negroes owned slaves; six of them owning 10 or more. Of the $1.5 million in taxable property owned by free Negroes in Charleston, more than $300,000 represented slave holdings. In North Carolina 69 free Negroes were slave owners.

About the origin of slavery in the United States, it is necessary to take into consideration that before 1661 the 13 British colonies that formed the American nation when they became independent, had laws forbidding slavery.It was the Jews who since that time started to work tirelessly to achieve the derogation of those laws and that slavery was allowed there, specially the entrance of black slaves to those colonies.P49

In Curaçao in the seventeenth century, as well as in the British colonies of Barbados and Jamaica in the eighteenth century, Jewish merchants played a major role in the slave trade. In fact, in all the American colonies, whether French (Martinique), British, or Dutch, Jewish merchants frequently dominated.P17Jewish Pirate, Jean Laffite
The smuggling business boomed after the United States prohibition on imported Africans in 1808 opened a feverish activity in the Mexican gulf area as the price for a Black male.soared from $300 to $1,000 in New Orleans. Plantation owners from all along the Mississippi River and its tributaries arrived to purchase more and more slaves in the clandestine trade.Jewish pirate Jean Laffite smuggled goods and slaves into Louisiana, about 50 miles west of New Orleans. From that station, river craft transported the slaves and merchandise north to St. Louis and to nearby New Orleans.328 Laffite, whose enterprise spanned the Caribbean, marshalled the forces of the area's maritime thugs in a massive operation against free trade. Rabbi Sharfman described the organizational process:... Jean Laffite noted that instead of taking advantage of the principle of supply and demand, the buccaneer captains... in rivalry, stole each other's blacks, and offered prime males for sale at a mere dollar a pound. Accusations and arguments between them would soon result in open warfare that threatened the very existence of Barataria. It was then that the fighting captains agreed to unite under Jean Laffite. Standing on a hillside before a motley assemblage of almost 500 sabre-rattling sea robbers and cut-throats, knife-and-gun-brandishing felons and desperados, the Jewish Creole dandy stood firm, yet relaxed, speaking in his gentlemanly fashion.P65

Whites remained slaves until the Emancipation Proclamation. In 1855, Frederic Law Olmsted, the landscape architect who designed New York's Central Park, was in Alabama on a pleasure trip and saw bales of cotton being thrown from a considerable height into a cargo ship's hold. The men tossing the bales somewhat recklessly into the hold were Negroes; the men in the hold were Irish.Olmsted inquired about this to a ship worker. "Oh," said the worker, "the niggers are worth too much to be risked here; if the Paddies are knocked overboard or get their backs broke, nobody loses anything."

Recently declassified documents now prove beyond doubt that Winston Churchill was part of this 'Judeo-Masonic' plot to demonise and replace anti-war Neville Chamberlain as PM and drag Britain into war. Selected documents from the National archives such as the 1939 MI5 file on MP Sir Archibald Maule-Ramsey and the 224 members of one important anti-war group, make this abundantly clear, whilst the Nordic League, the Right club and the Anglo German fellowship, also held similar numbers of important people vehemently opposed to more Jewish bankers wars.

Dutch Jews and the White Slave Trade(Cover-poor of Barbados. decendents of white slaves and indentured servants)
In the British West Indies much of the early capital to finance White slavery came from Sephardic Jews from Holland. They provided credit, machinery and shipping facilities. In the 1630s Dutch Jews had been deeply involved in the enslavement of the Irish, financing their transport to slave plantations in the tropics. By the 1660s, this combination of Jewish finance and White slave labor made the British island colony of Barbados the richest In the empire. The island's value, in terms of trade and capital exceeded that of all other British colonies combined. (John Oldmixon, The British Empire in America, vol. 2, p. 186.)

Who brought the slaves to america!
n authentic, contemporary report, based on authority, indicates that of 128 Slave ships, for instance, unloaded in Charleston, within one year, their "Cargo," 120 of these were undersigned by Jews from Newport and Charleston by their own name. About the rest of them, one can surmise, although they were entered as Boston (1), Norfolk (2), and Baltimore (4), their real owners were similarly the Jewish slave dealers from Newport and Charleston. One is able to assess the Jewish share in the entire dealings of the Newport, if one considers the undertaking of a lone Jew, the Portuguese, Aaron Lopez, who

plays an important part in the over-all story of the Jews and Slavery. Concerning the entire commerce of the Colonies, and the later State of Rhode Island, (which included Newport) bills of lading, concessions, receipts, and port clearances carried the signature name of the Jew Aaron Lopez. This all took place during the years 1726 to 1774. He had therefore more than 50% of all dealings under his personal control for almost fifty years. Aside from that there were other ships which he owned, but sailed under other names.
In the year 1749, the first Masonic Lodge was established. Ninety percent of the members of this first lodge, fourteen all told, were Jews. And one knows that only socalled"'prominent" individuals were accepted. Twenty years later, the second Masonic Lodge, "King David," was established. It is a fact that all of these members were Jews.

How Jewish Elites Use Non-White Immigration to Undermine Western Nations The Hart Celler Act — United States 1965 The Migration Act — Australia 1966 The British Nationality Act — United Kingdom 1981
Ralph Miliband was born in the jewish quarter of Warsaw. He emigrated to England in 1940.
After the war he joined the Labour Party, despite his hatred for English culture, and proceeded to become an intellectual proponent of the New Left. His writings and lectures proved influential in the reworking of several British Nationality Acts over the decades, as they became increasingly more open to non-White immigration.

Newport was known then as the “JEWISH NEWPORT”, where Israelites manufactured great amounts of rum to be sold to the Indians, thus promoting the vice of inebriation, which gave great profits to the Jews that manufactured and distributed rum.It is confirmed that in only one year, out of 128 ships destined in Charleston to transport black slaves, 120 were freighted by Jews both from Newport and Charleston; this shows that Jews had almost the monopoly of the criminal trade of black slaves.One of the most distinguished Israelites who con¬ trolled the black slaves trade was the Portuguese Jew Aaron Lopez, who had a whole fleet of ships destined to bring slaves, most of them freighted under his own name. An investigation on this matter titled “Who Brought the Slaves to the United States" from where we took this in¬ formation, also indicates that the existing documents on this issue show that the Jew Aaron Lopez, between years 1726 and 1774, freighted under his own name the fifty per cent of the ships entrusted to bring slaves from Africa,P49

The Capitalist does not know the definition of war. He thinks of war as attack with force performed by soldiers and machines. He does not know that a more effective if somewhat longer war can be fought with bread or, in our case, with drugs and the wisdom of our art. The Capitalist has never won a war in truth. The Jews frequently received titles of nobility in England, especially since the long reign of Queen Victory,to such an extent that investigators have shown that most of the titles of Earl, Marquis, Viscount and Lord are presently in the hands of Jewish ennobled families or

of ancient aristocratic English families linked with Jew-ish families.Dukedoms have been Judaized by means of marriages of Jewesses and ancient Dukes,and those P20. Jewesses,with the help of the powerful Israelite com-munities,have secretly initiated in Judaism the eldest son of that marriage,this is to say,the new Duke.It is not strange,then,that the international Judaism is not in a hurry to overthrow the English monarchy,which is con-trolled by the Israelite imperialism.

With the opening of the twentieth century those of the great territorial English families in which there was no Jewish blood were the exception. In nearly all of them was the strain more or less marked, in some of them so strong that though the name was still an English name . . . , the physique and character had become wholly Jewish and the members of the family were taken for Jews whenever they travelled in countries where the gentry had not yet suffered . . . this admixture. | Hilaire Belloc; The Jews; chapter 10

Newly declassified British documents have provided details on reported Israeli arms sales to Argentina before and during the United Kingdom's war with Great Britain over the Falkland Islands in 1982.

UK opens files on Israeli arms sales to Argentina during Falklands War.A report by the Telegraph said the Jewish state had provided Buenos Aires with Skyhawk fighter jets which were used during the conflict to sink four British warships, killing dozens of soldiers.The documents quoted by the paper also noted that arm sales continued well after the war ended, with Israel maintaining they were necessary to support its domestic arms industry.

Argentina was a successful modern country, led in a reasonably efficient way by General Galtieri.The prosperous beef farms were owned by Europeans, so the Zionist fraternity had to employ a different kind of strategy to gain control of Argentina than they had used in Africa.

Margaret Thatcher.- But was she also the best Jew in the cabinet? Indeed, was she the most Jewish prime minister ever?Strictly speaking, that epithet should go to Benjamin Disraeli, who was prime minister twice during Queen Victoria's reign. But there was much about Thatcher that the Jewish community deeply admired, and vice versa. After her death, Benjamin Netanyahu described her as "truly a great leader... a staunch friend of Israel and the Jewish people.

Who Involved the U.S. in WWII When 83% of Americans Voted Against It?

“We Jews,” as the spokesmen of this clannish nationalism might put it, “are well aware that in America, England, France and the Soviet Union, as well as in every other part of the world, the rule is: Judah must come first!
As long as the interests of America are identical with the interests of Old Testament ‘Zionism’, we will be good Americans, but as soon as our interests begin to conflict with the interests of America, we shall betray her too. Generally speaking, democracy suits us if and when it is led by as many Jews as possible. The so-called freedom of the press is good for us too, provided the descendants of the seed of Abraham, above all, can avail themselves of it. Yes! this freedom is a valuable thing, but only where we Jews are at liberty to do anything we like!”

Pope Saint Gregory VII 1073-1085: "We exhort your Royal Majesty (King Alfonse VI), not to further tolerate, that the Jews rule Christians and have power over them. For to allow that Christians are subordinated to Jews and are delivered to their whims, means to oppress the Church of God."

Jews Must Live and Now and Forever by Samuel Roth.
"The next time you read about a particularly bloody pogrom and pause to wonder how Christians, dedicated to a religion of mercy, can exercise so much brutality against the Jews, remember that the Jew wheedles all the mercy out of his neighbors in the ordinary course of business. He lies and cheats until he is caught. When caught, instead of accepting punishment, he moans and tears his hair, invokes the sores of ancestors in their graves and living relations at the point of death in hospitals, until the wronged gentile, nauseated, lets him go. Then, thumbing his nose at the gentile behind his back, the Jew goes about his business the same way, lying and cheating now doubly to make up for lost time. A pogrom is usually the climax of years of such relentless goading. Do you wonder that when the final reckoning comes the gentile is absolutely merciless?

So what are Farage's views on the Jewish community? The Jewish Chronicle recently hosted a meeting with him. The meeting was packed, because Farage and UKIP, unlike other minority political parties in the UK (such as the Greens), are enthusiastic supporters of Israel – unequivocally so. The party even has a caucus called "the UKIP Friends of Israel." Asked by Jewish Chronicle Editor Stephen Pollard about his stance on current Jewish concerns such as attacks on shechita, Farage explained that a UKIP politician recently investigated a kosher slaughterhouse in London's East End and reported that Jewish ritual slaughter methods are actually more humane than those in the abbatoirs for the general population.

Germany Speaks - by 21 Leading Members of PARTY and STATE With a Preface by JOACHIM VON RIBBENTROP, Reich Minister for Foreign Affairs

Therefore, without limiting, or acting against, the achievements of the individual, it seeks to promote the broad conception of "People's Culture," to encourage their inherent taste for decoration, for picturesque celebration and for their own ancient customs, and to direct these so that they conform to those "Christian ethics" which are valid throughout Europe. The German State also accepts it as a duty to discover those who are capable of speaking for the people, and who, every now and then, have tried to gain the light of day, only to be overshadowed by the acceptance, formerly so readily accorded, of foreign values. Those who wish to know something of this subject should read the book, The Tyranny of Greece over Germany, published by the Cambridge University Press. German history can reveal

over and over again how the so-called educated classes kept their distance from the mass of the people, and attempted to form their own autocracy. The present Government, on the other hand, seeks to emphasise the connection between the old literature and the new, and the relationship of both to the people. This is not achieved by laying a compulsion of any sort upon the creative worker. The Government does reserve to itself, however, certain rights of choice and the right to issue recommendations. What other more fortunate nations accept as a matter of course, namely the possession of an art inherently national had still to grow up in Germany and to be assiduously cultivated.
This problem was solved in 1933 with comparative ease, largely thanks to the opposition of the "intellectuals" to the former regime, an opposition that had sprung up before the revolution

CHRISTIANS MUST BE EXTERMINATED

Since, however, it is not always and everywhere possible to effect this extermination of Christians, the Talmud orders that they should be attacked at least indirectly, namely: by injuring them in every possible way, and by thus lessening their power, help towards their ultimate destruction. Wherever it is possible a Jew should kill Christians, and do so without mercy.

RABBI RABINOVICH'S SPEECH OF JANUARY 12TH, 1952.
The goal for which we have striven so concertedly for three thousand years is at last within our reach, and because its fulfillment is so apparent, it behooves us to increase our efforts and our caution tenfold. I can safely promise you that before ten years have passed, our race will take its rightful place in the world, with every Jew a king and every Gentile a slave (Applause from the gathering). You remember the success of our propaganda campaign during the 1930's, which aroused anti-American passions in Germany at the same time we were arousing anti-German passions in America, a campaign which culminated in the Second World War. A similar propaganda campaign is now being waged intensively throughout the world. A war fever is being worked up in Russia by an incessant anti-American barrage while a nation-wide anti-Communist scare is sweeping America. This campaign is forcing all the smaller nations to choose between the partnership of Russia or an alliance with the United States. Our most pressing problem at the moment is to inflame the lagging militaristic spirit of the Americans. The failure of the Universal Military Training Act was a great setback to our plans, but we are assured that a suitable measure will be rushed through Congress immediately after the 1952 elections.

# *Puncturing the Churchill Balloon*

When William of Orange landed at Torbay on 3rd November 1688, the future Duke of Marlborough, John Churchill, marched against the invader and then coolly turned his army over to him.His conduct can easily be explained by reference to the Jewish Encyclopaedia. This work declares that John Churchill, first Duke of Marlborough, was paid the then enormous sum of £6,000 a year by Solomon Medina in recognition of his many services. As the Jew's chosen candidate to replace James II on the throne, the Dutchman William of Orange was paid in the form of a 'loan' of two million Dutch guilders by the Jewish merchant, Antonio Lopez Suasso, to take him across the Channel. Although this has been kept out of the history books, it can be seen that Jewish money-changers were the real power behind the scenes controlling events. As pointed out, for valuable services rendered, William allowed the Jews to establish their misnamed 'Bank of England', which effectively gave them control over the country's affairs.Thus was instituted the National Debt and the conversion of the English into tax and debt slaves. A recent issue of £20 notes confirmed this by printing the six-pointed so-called 'Star of David' on one side, slightly disguised but clearly visible to the discerning mind. In fact a lie is printed across the top of every banknote: it should be 'Bank of the Jews'. With help of their paid lackeys William III and John Churchill, the Jews founded the 'Bank of England' in 1694 and they have controlled it ever since.

Winston Churchills mother
Jenny is portrayed as Lady Churchill, the beautiful and sophisticated mother of Winston Churchill, the bulldog that faced down Hitler.
The truth is she was just a no morals scheming social climber, whose mother married her off to dilettante with a title. International Jewry saw something in Winston and put him under Bernard Baruch's wing. Churchill and Roosevelt (another Jew) crushed Germany, the only floodgate to Communism.

Churchill's rescuer from ruin was a Jew — an Austrian Jew who had managed to pick up a knighthood from the British government.
Sir Henry Strakosch's unflagging generosity to Churchill in bailing him out and paying his extravagant debts — not once but several times — came at a high price. It seems there was a quid pro quo. Sir Henry, the munificent Jewish financier, would pay off Churchill's mounting debts if Churchill agreed to toe the Jewish line and did exactly what he was told to do by international Jewry.

But why? Why would Lawrence of Arabia be considered a threat?
The answer has to do with his political leanings. Around the time of his death, Lawrence was aligning himself with Sir Oswald Mosley, leader of the British Union of Fascists. And when he sustained the injuries that led to his death, Lawrence had been on his way to see his good friend, Hawthornden Prize winner Henry Williamson, who was facilitating a meeting between Lawrence and Adolph Hitler. Lawrence, like other veterans of World War I, abhorred the idea of yet another war in Europe, and, like Moseley and Williamson, saw dialogue with Hitler as a necessary first step to preventing it.In 1935, Lawrence was still a national hero. Moseley advocated peace, but there was an active war lobby in England. It is thought that Lawrence was about to publicly embrace the peace movement. This would have been very embarrassing to the war lobby.

Churchill, according to new research, now stands accused of several murders amongst which were those of his mother Jennie, Lady Randolph Churchill between the dates of 11-29th June 1921; the spymaster and the first head of the modern British Secret Service George M. Smith-Cumming at his house 1, Melbury Road, Kensington on the 14th June

1923 and the British intelligence operative, T.E. Lawrence better known as 'Lawrence of Arabia' between 13th and 19th May 1935.
For many years Churchill had maintained a close professional, but secretive relationship with the Irish Republican Army, an organisation which had long been totally infiltrated and controlled by British security services – and indeed still is to this day. Churchill was not at all coy of using them for his own purposes. He had used one of its members in the murder of Smith-Cumming and was more than ready to use the same method once again.

Germany and England - 1938- Nesta Webster.
That this is still the plan of modern Judaism was confirmed to me in a conversation I once had with a young Jew who asked me for an interview. He said:"I come to you to thank you for what you have written. Do not suppose I come as an anti-Semite since I am a Jew in the marrow of my bones. But in studying the question of Pan-Judaism I came across your books, and they explained to me much that I had never understood before.You are perfectly right in saying the Jews desire world domination, all my life I have heard them speak of it. And I am afraid, yes, I am afraid they will attain it. But that can be only for a moment.The nations of the world will not be able to bear so intolerable a tyranny and they will rise, they will rise and there will be the greatest pogrom the world has ever seen. That is why I come to thank you, for in warning the world of this plan you may help to avert its execution and so save my people from the terrible fate
that awaits them." .....

Nesta Webster 1938 ,England of 1938 is not the England of 1914 because she is no longer controlled by Britons. Ever since the war(WW1) the Jewish power has been growing.
The frightful programme of the German Communist party was no figment of the imagination, as the raid on the Karl Liebknecht Haus clearly proved. There were all the secret preparations for world revolution, underground passages
running all over Berlin, plans for blowing it up, and also whole departments devoted to planning the destruction of the British Empire.

[Ambassador Hugh] Wilson relayed information . . . that, in 1938, 10% of the practicing lawyers in Germany were Jews. . . . | David L. Hoggan (Liberty Bell ; March 1984; p. 2)

"It was the Jews with their international affiliations and their hereditary flair for finance who were best able to seize such opportunities. They did so with such effect that, even in November 1938, after five years of anti-Semitic legislation and persecution, they still owned, according to the Times correspondent in Berlin, something like a third of the real property in the Reich. Most of it came into their hands during the inflation. But to those who had lost their all this bewildering transfer seemed a monstrous injustice. After prolonged sufferings they had now been deprived of their last possessions. They saw them pass into the hands of strangers, many of whom had not shared their sacrifices and who

cared little or nothing for their national standards and traditions. The Jews obtained a wonderful ascendancy in politics, business and the learned professions (in spite of constituting) less than one percent of the population.

According to Liddell Hart, "At the time we believed that the repulse of the Luftwaffe in the "Battle over Britain" had saved her. That is only part of the explanation, the last part of it. The original cause, which goes much deeper, is that Hitler did not want to conquer England. He took little interest in the invasion preparations, and for weeks did nothing to spur them on; then, after a brief impulse to invade, he veered around again and suspended the preparations. He was preparing, instead, to invade Russia" (p140).

This gives a completely different complexion, not only to the war, but to the successful suppression of this information during the war and afterwards. Historians today know only too well where the boundaries lie within which they can paint their pictures of the war and its aftermath, and the consequences of venturing beyond those boundaries, irrespective of the evidence. Unfortunately, only too few of them have been prepared to have the courage to break out of this dreadful straitjacket of official and unofficial censorship.
Winston Churchill: “You must understand that this war is not against Hitler or National Socialism, but against the strength of the German people, which is to be smashed once and for all, regardless of whether it is in the hands of Hitler or a Jesuit priest.”

"We entered the war of our own free will, without ourselves being directly assaulted."
- Churchill, Guild Hall Speech, July 1943.

"In no country has the historical blackout been more intense and effective than in Great Britain. Here it has been ingeniously christened The Iron Curtain of Discreet Silence. Virtually nothing has been written to reveal the truth about British responsibility for the Second World War and its disastrous results."

For us there are only two possiblities: either we remain German or we come under the thumb of the Jews. This latter must not occur; even if we are small, we are a force. A well-organized group can conquer a strong enemy. If you stick close together and keep bringing in new people, we will be victorious over the Jews.

Nesta Webster 1938 Germany and England.
England of 1938 is not the England of 1914 because she is no longer controlled by Britons. Ever since the war the Jewish power has been growing.It was this that brought about the League for creating discord between the Nations, that set up the Soviet regime for carrying out the same process between the classes.It was this which in 1933 tried to turn us against France and since then against Germany and that is now destroying the peace of the world....Germany is under a visible anti-Jewish dictatorship. We are under an invisible

Jewish dictatorship, but a dictatorship that can be felt in every sphere of life, for no-one can escape from it.Already the Jews can make or break the career of any man as they please. Once war broke out we cannot doubt that they would be found in every key position and would hold us at their mercy. Then the real purpose of the world war will become apparent. As long as the Jews do not hold Germany they can never realise their final aim – world domination. Therefore Hitler must be overthrown and the Jewish power restored ..... Once-Christian England, in welcoming Jewish refugees indiscriminately to her shores, shows surprisingly little concern for the effect some of them may have on the minds and morals of her people, especially on the youth of the country.We cannot help, moreover, noting, since this influx began, the change that has come over our Press; a once decent popular paper has boomed the nudity movement; another, which a few years ago could have been safely placed in the hands of a child, publishes matter exalting immorality and sneering at virtue; cartoons by artists not of British race, vulgar and not in the least funny, designed to create bad blood between classes and nations, are published with impunity.

God commanded His people to be SEPARATE

Christendom was Christendom for a reason. The Third World NEVER was Christendom for a reason. God commanded His people to be SEPARATE (segregation, apartheid are not "evil" things—but Godly; the antichrist system calls what God declared "good" to be evil; and vice versa; our nations were blessed when we believed and honored the boundaries that God established; those who reject those boundaries LOVE DEATH).

Aachen is the biggest German town in our hands. It is the most exhilarating sight I have seen for years. The town of some 170,000 inhabitants has not now a single habitable house left in it. . . . In a secret wartime memorandum, Winston Churchill told his advisers that he wanted to"drench" Germany with poison gas.

"I you to think very seriously over this question of poison gas," the four-page note began. The French author hexzane527 considers that all leaders in Europe were Jews (and/or Freemasons, perhaps). And that the name Mosley is probably a combination of Moses and Levy. Stalins Torch Men Order 0428 Documents - Germans Blamed for Allied Jewish Bolshevik Crimes.

Very few people know the detail of Joseph Stalin's notorious Torch-Man Order. As a consequence people little realise that images depicting German atrocities are falsied. Filmed atrocities were the responsibility not of the Reich, but of England and America's Soviet allies. There can be no excuse for using images of one's own crimes to stigmatise one's enemy. To do so to justify war is a war crime.

The banality of evil is that the Torch-Man Order is censored in the West and disguised behind the bland index Order Number #0428.

Twenty-five years later a leading Zionist in England, Lord Melchett, spoke in the same tone of secret knowledge to Zionists in New York: "If I had stood here in 1913 and said to you 'Come to a conference to discuss the reconstruction of a national home in Palestine', you would have looked upon me as an idle dreamer, even if I had told you in 1913 that the Austrian archduke would be killed and that out of all that followed would come the chance, the opportunity, the occasion for establishing a national home for the Jews in Palestine. Has it ever occurred to you how remarkable it is that out of the welter of world blood there has arisen this opportunity? Do you really believe that we have been led back to Israel by nothing but a fluke?"

(Jewish Chronicle, Nov. 9, 1928).P345

Sir Nevile Henderson, British Ambassador in Berlin, said further that "the hostile attitude in Great Britain was the work of Jews and enemies of the Nazis, which was what Hitler

thought himself." (Taylor, AJP: The Origins of the Second World War Penguin 1965, 1987 etc p 324).

At the end of the First World War, Germany was essentially tricked [see Paul Johnson "A History of the Modern World" (1983) p24 and H Nicholson Peacemaking 1919 (1933) pp13-16] into paying massive reparations to France and other economic competitors and former belligerent countries in terms of the so-called Treaty of Versailles, thanks to the liberal American President Woodrow Wilson. Germany was declared to be solely responsible for the war, in spite of the fact that "Germany did not plot a European war, did not want one, and made genuine efforts, though too belated, to avert one." (Professor Sydney B Fay The Origins of the World War (vol. 2 p 552)).

"As a result of these massive enforced financial reparations, by 1923 the situation in Germany became desperate and inflation on an astronomical scale became the only way out for the government. Printing presses were engaged to print money around the clock. In 1921 the exchange rate was 75 marks to the dollar. By 1924 this had become about 5 trillion marks to the dollar. This virtually destroyed the German middle class, reducing any bank savings to a virtual zero." (Koestler The God that Failed p 28)

According to Sir Arthur Bryant the British historian (Unfinished Victory (1940 pp. 136-144):

"It was the Jews with their international affiliations and their hereditary flair for finance who were best able to seize such opportunities. They did so with such effect that, even in November 1938, after five years of anti-Semitic legislation and persecution, they still owned, according to the Times correspondent in Berlin, something like a third of the real property in the Reich. Most of it came into their hands during the inflation. But to those who had lost their all this bewildering transfer seemed a monstrous injustice. After prolonged sufferings they had now been deprived of their last possessions. They saw them pass into the hands of strangers, many of whom had not shared their sacrifices and who cared little or nothing for their national standards and traditions. The Jews obtained a wonderful ascendancy in politics, business and the learned professions (in spite of constituting) less than one percent of the population. The banks, including the Reichsbank and the big private banks, were practically controlled by them. So were the publishing trade, the cinema, the theatres and a large part of the press all the normal means, in fact, by which public opinion in a civilized country is formed. The largest newspaper combine in the country with a daily circulation of four millions was a Jewish monopoly. Every year it became harder and harder for a gentile to gain or keep a foothold in any privileged occupation. At this time it was not the 'Aryans' who exercised racial discrimination. It was a discrimination that operated without violence. It was exercised by a minority against a majority. There was no persecution, only elimination. It was the contrast between the wealth enjoyed and lavishly displayed by aliens of cosmopolitan tastes, and the poverty and misery of native Germans, that has made anti-Semitism so dangerous and ugly a force in the new Europe. Beggars on horseback are seldom popular, least of all with those whom they have just thrown out of the saddle."

Goodness gracious, Sir Arthur! What made you get out of the wrong side of the bed?

Strangely enough, a book unexpectedly published by Princeton University Press in 1984, Sarah Gordon (Hitler, Germans and the "Jewish Question") essentially confirms what Bryant says. According to her, "Jews were never a large percentage of the total German population; at no time did they exceed 1% of the population during the years 1871-1933."

But she adds "Jews were over-represented in business, commerce, and public and private service. They were especially visible in private banking in Berlin, which in 1923 had 150 private Jewish banks, as opposed to only 11 private non-Jewish banks. They owned 41% of iron and scrap iron firms and 57% of other metal businesses. Jews were very active in the stock market, particularly in Berlin, where in 1928 they comprised 80% of the leading members of the stock exchange. By 1933, when the Nazis began eliminating Jews from prominent positions, 85% of the brokers on the Berlin Stock exchange were dismissed because of their 'race'. At least a quarter of full professors and instructors (at German universities) had Jewish origins. In 1905-6 Jewish students comprised 25% of the law and medical students. In 1931, 50% of the 234 theatre directors in Germany were Jewish, and in Berlin the number was 80%. In 1929 it was estimated that the per capita income of Jews in Berlin was twice that of other Berlin residents." etc etc.

Arthur Koestler confirms the Jewish over-involvement in German publishing. "Ullstein's was a kind of super-trust; the largest organization of its kind in Europe, and probably In the world. They published four daily papers in Berlin alone, among these the venerable Vossische Zeitung, founded in the eighteenth century, and the B.Z. am Mittag, an evening paper. Apart from these, Ullstein's published more than a dozen weekly and monthly periodicals, ran their own news service, their own travel agency, etc., and were one of the leading book publishers. The firm was owned by the brothers Ullstein - they were five, like the original Rothschild brothers, and like them also, they were Jews." (The God that Failed (1950) ed. RHS Crossman, p 31).

Edgar Mowrer, Berlin correspondent for the Chicago Daily News, wrote an anti-German tract called 'Germany Puts the Clock Back' (published as a Penguin Special and reprinted five times between December 1937 and April 1938). He nevertheless notes "In the all-important administration of Prussia, any number of strategic positions came into the hands of Hebrews. A telephone conversation between three Jews in Ministerial offices could result in the suspension of any periodical or newspaper in the state. The Jews came in Germany to play in politics and administration that same considerable part that they had previously won by open competition in business, trade, banking, the Press, the arts, the sciences and the intellectual and cultural life of the country. And thereby the impression was strengthened that Germany, a country with a mission of its own, had fallen into the hands of foreigners."

Mowrer says "No one who lived through the period from 1919 to 1926 is likely to forget the sexual promiscuity that prevailed. Throughout a town like Berlin, hotels and pensions made vast fortunes by letting rooms by the hour or day to baggageless, unregistered guests. Hundreds of cabarets, pleasure resorts and the like served for purposes of getting acquainted and acquiring the proper mood." (pp. 153-4). Bryant describes throngs of child prostitutes outside the doors of the great Berlin hotels and restaurants. He adds "Most of them (the night clubs and vice-resorts) were owned and managed by Jews. And it was the Jews among the promoters of this trade who were remembered in after years." (pp. 144-5).

Douglas Reed, Chief Central European correspondent before WWII for the London Times, was profoundly anti-German and anti-Hitler. But nevertheless he reported: "I watched the Brown Shirts going from shop to shop with paint pots and daubing on the window panes the word 'Jew', in dripping red letters. The Kurfürstendamm was to me a revelation. I knew that Jews were prominent in business life, but I did not know that they almost monopolized important branches of it. Germany had one Jew to one hundred gentiles, said the statistics; but the fashionable Kurfürstendamm, according to the dripping red legends, had about one gentile shop to ninety-nine Jewish ones." (Reed Insanity Fair (1938) p. 152-

3). In Reed's book Disgrace Abounding of the following year he notes "In the Berlin (of pre-Hitler years) most of the theatres were Jewish-owned or Jewish-leased, most of the leading film and stage actors were Jews, the plays performed were often by German, Austrian or Hungarian Jews and were staged by Jewish film producers, applauded by Jewish dramatic critics in Jewish newspapers. The Jews are not cleverer than the Gentiles, if by clever you mean good at their jobs. They ruthlessly exploit the common feeling of Jews, first to get a foothold in a particular trade or calling, then to squeeze the non-Jews out of it. It is not true that Jews are better journalists than Gentiles. They held all the posts on those Berlin papers because the proprietors and editors were Jewish" (pp238-9).

The Jewish writer Edwin Black notes "For example, in Berlin alone, about 75% of the attorneys and nearly as many of the doctors were Jewish." (Black, The Transfer Agreement (1984) p58.

To cap it all, Jews were perceived as dangerous enemies of Germany after Samuel Untermeyer, the leader of the World Jewish Economic Federation, declared war on Germany on August 6 1933. (Edwin Black The Transfer Agreement: the Untold Story of the Secret Pact between the Third Reich and Palestine (1984) pp272-277) According to Black, "The one man who most embodied the potential death blow to Germany was Samuel Untermeyer." (p 369). This was the culmination of a worldwide boycott of German goods led by international Jewish organizations. The London Daily Express on March 24, 1933 carried the headline "Judea Declares War on Germany". The boycott was particularly motivated by the German imposition of the Nuremberg Laws, which ironically were similar in intent and content to the Jewish cultural exclusivism practiced so visibly in present-day Israel (Hannah Arendt Eichmann in Jerusalem p 7).

What is:
"Loxism"
It is the hatred of White people by JEWS. It is the most pervasive form of racial hatred on the planet, and yet it is never mentioned by the mainstream of society, media or education. It is the driving force behind most world events today. It explains why JEWS were kicked out 109 times from European cities in the last centuries
JEWISH hatred of the European-Aryan race is the reason why JEWS planned, pushed and run all of: sexual revolution and homosexual propaganda & rights, feminist empowerment and White couples low birth rate, abortion laws & propaganda, Islamization of Europe, anti-White propaganda in media & education, multiculturalism and dozens of thousands of horrible crimes, rapes, thefts per year done by non-Whites on Whites, Porn, race-mixing-miscegination, church of Satan, atheism, secularism, moral decay, chemtrails, vaccines, fluorided drinks & poisoned food that destroy the intelligence-IQ / health of Whites, and finally the certain future of Whites becoming a powerless minority in Europe, America, Australia, Canada by 2040-2060 and the complete ERADICATION of White-Western Civilization by 2100

Katyn and the Soviet Massacre of 1940.

Major of State Security Vasilii M. Blokhin (a GUGB Administrative-Economic Department functionary and commandant of an NKVD building in Moscow) directed the execution stage. He also, personally, acted as the main executioner, bringing with him from Moscow a whole suitcase full of Walther 2 type pistols lIsed to shoot the Poles. These functionaries took up residence in, and directed operations from, a saloon-sleeping wagon, shunted into the dead end of a railway and with telephone connections to it. Tokarev estimates that about 30 NKVD functionaries of all grades, from both the central-regional and local NKVD levels, were involved in the execution and burial stage. His account of the }(."11inin executions differs from Syromatnikov's description of Kharkov in some important respect". Given the different personal and professional factors involved, Tokarev's account should be accepted as more indicative of general NKVD practices..... P102

"The homogenity of European nations is fundamentally against the interests of the Jewish people. We are at a critical turning point in history. The West is becoming more and more racially diverse, and soon the White Race will be forced into submission. The future of the west is that of an ethnically diverse melting pot, where the evil divisions of race and white supremacy no longer reign. This is all thanks to the tremendous power of our social movements and institutions. This great change will be catalyzed by Moslem settlement. From the land of Israel, Jews will forever be a light unto the new monoracial world as guarenteed by G-d."

Elizabeth Dilling: The Jewish Religion: Its Influence Today
Bearing in mind that the Scribes were the Pharisee teachers of the Law of Moses, carefully distorted to comprise the Talmud, note: "There is greater stringency in respect to the teachings of the Scribes than in respect to the Torah ... so that a Biblical law may be transgressed." (Talmud, Sanhedrin 88b, see Exhibit 95).
The Torah in its narrow sense is the Old Testament, and in a still narrower meaning the first five books (Pentateuch) of Moses. In its wider Judaistic use it means the Old Testament as P17 misinterpreted by the Pharisaic Talmud. Always with Judaism the Talmud ranks above the Bible in every way.

"This is not an uncommon impression and one finds it sometimes among Jews as well as Christians – that Judaism is the religion of the Hebrew Bible. It is, of course, a fallacious impression. Judaism is not the religion of the Bible."

[Originally published in 2022, now updated. Christian Universalism is antiChrist and has done more to subvert the faith of the one true Christ-bearing European race than any other false doctrine.
The Bible was indisputably written by, for, and about only one people — the Israelite nations — yet most so-called "judeo-Christians" today would rather see their own people and nations destroyed rather than acknowledge this fact.
As the apostle John said, they fear the judgment of international Jewry much more than their own God and Redeemer, Jesus Christ.]

In the first thousand years following the conversion of Europeans to Christianity, there was no such culture of Christian pacifism — Christians wouldn't hesitate to pick up their swords and defend their faith and nations in some of the most bloody and horrific battles the world had ever witnessed.

So what changed?

But all that changed in the 20th century with the rise of ersatz "judeo-Christianity" — a judaized, watered-down form of Christianity which emphasized one's "personal relationship" with "Jesus" while forsaking the Christian's responsibility to defend his own nation and race — which are the foundations of the faith.

Matthew 10:34

'Think not that I am come to send peace on earth: I came not to send peace, but a sword.'

The statement wasn't an argument to accept your humiliation in every situation — or to never defend yourself. Jesus also told His disciples to buy a sword [Luke 22:36] and to carry a purse when on their missionary trips. Along the road, they would surely encounter brigands who do much more than slap them on the cheek."

[A] a slap on the right cheek meant the soldier backhanded [an Israelite], which was a far more demeaning slap.

'It was degrading….It was what you gave to an inferior or a slave.' To not break down emotionally and simply turn the other cheek meant that the soldier couldn't slap you again on the right cheek, and….'he can't slap you with his left hand, because that is unclean for both of you.'

The soldier's only option was to slap with the palm of his hand, and 'this was not the way to slap a slave. This was reserved for equals.' Thus, in giving the other cheek, the degraded person asserted his humanity in a brave countermove — a humble response, yet also an act of courage against an oppressive system."

They Are Not White They Are Jewish - JEW Lokteff and Red Lies know!

Baby boys may always be used as subjects for sodomy by grown men, according to the Talmud. (See Exhibit 54) The Pharisaic subterfuge here is that until a child reaches sexual maturity, capable of sexual intercourse, he or she does not rank as a person, hence Biblical laws against sodomy (pederasty) do not apply. Throughout the Talmud "nine years and one day" is thefictitious age of male maturity…

When a grown up man has intercourse with a little girl it is nothing, for when the girl is less than this — that is, less than three years old — it is as if one puts the finger into the eye — tears come to the eye again and again, so does virginity come back to the little girl under three years." Historys Most Terrifying Peace by AJ App 1946 as Pdf

Why “history's most terrifying peace”? Because the men who lend-leased this country into the war on the crusading pledges of the Atlantic Charter ended it with “America’s eternal monument of shame, the Morgenthau plan for the destruction of the German-speaking people” (Senator Henrick Shipstead’s words in the U. S. Senate, May 15, 1946). Because America, the self-appointed “arsenal of democracy” put its atom-age instruments of destruction recklessly into the hands of 170,000,000 Eurasian barbarians, well enough known to be godless and uncivilized, urged them to be “harsh” on the vanquished, and before accepting German surrender insisted that they be allowed to swarm all over Central Christian Europe where they “live off the land,” loot, vandalize, slave-labor, and deport millions of people and outrage hundreds of thousands of children and women!

https://odysee.com/@louismarschalko:2/Historys_Most_Terrifying_Peace_by_App:8

In a recently published book by the Professor of Modern History at Cambridge, Richard Evans, a young Russian officer is quoted recalling how when his unit overtook a column of fleeing German refugees: 'Women, mothers and their children lie to the right and left along the route, and in front of each of them stands a raucous armada of men with their trousers down. The women, who are bleeding or losing consciousness, get shoved to one side, and our men shoot the ones who try to save their children.' A group of 'grinning' officers ensured that 'every soldier without exception would take part'.
Evans records: 'Rape was often accompanied by torture and mutilation and frequently ends in the victim being shot or bludgeoned to death. The raging violence was undiscriminating.' The insistence on the men watching the rapes was deliberate policy, intended 'to underline the humiliation'.
Underlying all this foul inhumanity was the way the German Army and its allies had behaved during its invasion of Russia.
That was clearly not the only explanation - it doesn't explain why the Red Army raped Poles, Czechs and Yugoslavs and even Russian women, for example - for that one has to delve deep into the darkest recesses of the male psyche.

."it is hard to escape the conclusion that Dwight Eisenhower was a war criminal of epic proportions. His (DEF) policy killed more Germans in peace than were killed in the European Theater." [2008] Eisenhower's Holocaust - His Slaughter Of 1.7 Million Germans.

According to Bacque, given the extraordinarily harsh conditions imposed upon them by the Allies (i.e., the British, French, Soviets, and Americans), at least 9.3 million and possibly as many as 13.7 million Germans, had, by 1950, needlessly died as a result.A Review of James Bacque's "Crimes and Mercies: The Fate of German Civilians Under Allied Occupation 1944-1950" by Eric Blair.

'Weeks before you entered this house, its tenants were living in constant fright and fear,' the rich German publisher Hans-Dietrich Muller Grote wrote to President Truman about the place he stayed in during the Potsdam conference of July 1945.
'By day and by night, plundering Russian soldiers went in and out, raping my sisters before their own parents and children, beating up my old parents. All furniture, wardrobes and trunks were smashed with bayonets and rifle butts, their contents soiled and destroyed in an indescribable manner.'

Both during and after the war, the Allies tortured German prisoners. In one British center in England, called “the London Cage,” German prisoners were subjected to systematic ill-treatment, including starvation and beatings. The brutality continued for several years after the end of the war. Treatment of German prisoners by the British was even more harsh in the British occupation zone of Germany. At the US internment center at Schwäbisch Hall in southwest Germany, prisoners awaiting trial by American military courts were subjected to severe and systematic torture, including long stretches in solitary confinement, extremes of heat and cold, deprivation of sleep and food, and severe beatings, including kicks to the groin.According to revelations by members of the House of Commons, about 130,000 former German officers and men were held during the winter of 1945-46 in British camps in Belgium under
At that time (End Of WW2) German POWs (Especially those from the Waffen SS) were brutally tortured. After the Second World War, the Allies wanted to extort by torture,(for example, destruction of the testicles) confessions to bring Germans to the gallows and to collect arguments for the re-education of the German people. Among others are the so-called confessions in Malmedy process.
All practices of medieval torture methods were used. As an example, because of alleged involvement in the shooting of Allied airmen the sergeant accused Schmitz who vigorously denied what the interrogators wanted. "Fisher began to rage ... He put the gun to Schmitz's temporal and called again for another statement. Schmitz said nothing. And then the blows rained down with the gun over his head, the lieutenant hit him several times on the face. With a bloody nose and burst scalp Schmitz was returned to his solitary confinement. Pointner, Witzke and Albrecht had previously been treated with the same methods for many weeks They signed what was presented to them the next day.
(KW Hammerstein, "Landsberg - executioner of the law", Wuppertal, 1952, page 104)
One of the most notorious was the infamous Major Abraham Levine.Most found that the interrogations took place only in the evening or at night. Fisher and Levine tortured the prisoners. About the methods in Landsberg reported KW Hammerstein. 'Sometimes the condemned in Schwitzzellen were kept in rooms with 80 degrees temperature in order to 'burn'.

With the Polish army being routed by the advancing Germans in the west, Stalin cleverly decides to break the Soviet-Polish Non Aggression Pact of 1932. Poland is stabbed in the back as Soviet forces pour in from the east. The advancing Red Bolsheviks, occupy the East, take prisoners and carry out massacres… the most famous being the Katyn Forest Massacre of an estimated 15,000 – 22,000 Polish officers, dignitaries and other intellectuals… blamed on Germans, of course.Seven German men hung for this Jewish Bolshevik crime and another three were sentenced to twenty years in the Jewish Gulag death camp system, never to be seen again – yet another result of Nuremberg's Show Trial of purported justice.

"Churchill and Stalin negotiated the starting of co-operation in a war of many fronts against Germany since April 1939…….
Barbarossa,against the Eastern Front E (= the Soviet Union) had to be started by Germany on June 22, 1941, as the willingness of Stalin's Red Army to launch the attack was known. Note Rudolf Heß's flight to England on May 10, 1941 to bring about peace had not been successful, and Roosevelt was already preparing for the entry into the war of the United States with its enormous resources for the production of war material. The German leadership knew all this, and therefore the Eastern campaign had to be launched urgently, because Operation Barbarossa and the Soviet question could only be resolved through a blitzkrieg, in which the initiative was taken and the invasion was completed during 1941. After the collapse of the Soviet Union, Stalin's allies might eventually agree to negotiate a compromise peace.

# Capitalism & Communism

**Capitalism and Marxism/Communism** are two sides of the same coin with capitalist banking systems funding the exploits of global communism. Capitalism (democracy) and Communism (Marxism) are merely products of the Jewish mind manufactured to control slave Nations. Therefore, given the 'divine right to rule' both are ideologically lower than Judaism in the paradigm of the Jewish Zionist. The nature of the game for the Zionist Capitalist is to withhold a land's wealth from its people. Henceforth the Zionist Capitalist gets immensely rich while the nations conquered suffer crippling dept. Consequently capitalism is basically state sponsored usury and any revolutionary response from the slave nations are corralled into Jewish Marxist (Communist) state funded trade unions whose organizers are earmarked to become the leaders of the new Jewish Zionist regime. Thus Jewish Zionism controls both rich and poor. This vicious circle is a representation of the Jewish Marxist one party state.

British War Crimes RAF attacks and sinkings of the Cap Arcona and Thielbek 1945 - On the Cap Arcona alone, more than 5,000 perished.
The Thielbek, struck by rockets, bombs and machine gun fire, sank in just 15-20 minutes. British planes then fired on terror-stricken survivors who were struggling in rescue boats or thrashing in the cold sea. **Letter from Richard Coudenhove-Kalergi to Winston Churchill (19 December 1947)**

*Gstaad, 19th December 1947*

*My dear Winston Churchill,*

Last week, the Executive Council of the European Parliamentary Union held its first regular meeting at Gstaad. I enclose its results. The most important decision was to call for September 8th 1948, to Interlaken, a Parliamentary Congress for the Constitution of a United States of Europe.

Among other things decided by the Council was the official adoption of the symbol and flag of the United States of Europe.

I believe it would be an excellent thing, if the entire movement for a United States of Europe could accept this symbol and flag that has been used since a quarter of a century. This common symbol would indicate better than anything else the common spirit that inspires our movement. I therefore would think it a very good thing if the United Europe Movement could adopt this symbol: a red cross on a golden sun, representing the two basic elements of our civilization: Greek spirit and Christian love.

My wife and I are sailing for New York on January 1st to co-ordinate the Marshall-Plan with our Parliamentary Action.

With every good wish to you and your family for a merry Christmas and a happy New Year

*Sincerely and respectfully yours,*
*[Signed] Richard Coudenhove-Kalergi.*

We must realize that our party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America we will aim for subtle victory. While inflaming the Negro minority against the whites, we will endeavor to instill in the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites and begin a process which will deliver America to our cause.

I declare war against Germany !!!
so that one day in the future Britain can be taken over by third world islamic hordes and those British who resist will be charged with hate speech and hatecrimes !!!

American General Albert Wedemeyer, who, under the Army Chief of Staff and future Secretary of State [Foreign Minister], Marshall, was charged with drawing up the "Victory program" for the defeat of Hitler, added to this statement, after having examined Roosevelt's various war measures during the years 1940-1941, the following words:

"Thus we should have been openly involved in the war months before Pearl Harbor had it not been for Hitler's evident determination not to be provoked by our belligerent acts into declaring war on us... Roosevelt had carried Congress along with him in his un-neutral actions by conjuring up the bogey of an anticipated attack on America. We now know, thanks to the exhaustive examination of the German secret archives at the time of the Nuremberg trials, that there never was any plan of attack on the United States. On the contrary, the tons of documents examined prove that Hitler was all along intent on avoiding war with the United States. He did not declare war on us until compelled to do so by his alliance with Japan.

### Offer by Hitler to Quit Is Forecast in London

By The United Press.

LONDON, Monday, Oct. 2—The Daily Mirror's diplomatic correspondent wrote today that Chancellor Hitler was believed to be preparing "what he considers his cleverest diplomatic trick—an offer to abdicate," when he addresses the Reichstag this week.

"He will play his trump card," The Mirror said, "and declare, 'They say they are fighting Hitlerism. Then I am prepared to go. I have created Greater Germany. Now I am ready to hand over my burden to Goering.'"

The Daily Sketch, another tabloid newspaper, also said a report was current that Herr Hitler was "willing to go into personal retirement."

## 4 BRITISH PLANES DOWNED IN BATTLE

### Fifth Returns to Base After Completing Reconnoissance Objective, London States

By ROBERT P. POST
Wireless to THE NEW YORK TIMES.

LONDON, Oct. 1—Five British planes set out yesterday on a reconnoissance flight over a heavily defended part of the Saar Basin, deep behind the Westwall. The flight was attacked by fifteen German Messerschmidt fighters. Three British planes were shot down and another was forced down in German territory, but the fifth, flown by a squadron leader, bagged two attackers, carried out the reconnoissance and returned so badly damaged that it cracked up and caught fire when it landed. But all three of the crew missed death and the purpose of the flight was achieved.

So in bare outline ran the first detailed story of the exploits in which British and French fliers are fighting, photographing, spotting and reconnoitering far inside German territory.

[The German High Command announced in a communiqué that ten British and two French planes were brought down on the Western Front, while in a battle over the North Sea two British and two German planes were brought down.]

### Red Troops Mass on Border—Turkey Resists Pressure at Kremlin Parley

Wireless to THE NEW YORK TIMES.

COPENHAGEN, Denmark, Oct. 1—Fate has hit Latvia faster than had been expected. Tonight a Stockholm report from Riga declares that the Estonian Foreign Minister, Karl Selter, on his return from Moscow, brought an alarming message to the Latvian Government. It was an "invitation" from the Soviet Union to send a delegation to Moscow.

Mr. Selter also was able to inform Latvian officials of the chief demands the delegation will meet when it arrives at the Kremlin. One will be a new trade agreement, the Soviet demanding Libau and Windau as Russian export trade harbors. The second will be a non-aggression pact like the Estonian-Russian agreement.

The third will be naval access to the harbor of Libau, where one or more Russian warships would be stationed permanently. The fourth will be the right to protect Libau with a division of the Red Army.

Nervousness is spreading rapidly in Latvia, following disclosures that twenty divisions of the Russian Army have been moved from the Estonian border to the Latvian border. Foreigners are rapidly leaving Riga and all air routes are overbooked.

Libau, with 80,000 inhabitants, before the World War was one of the most important Russian export harbors. It is directly connected by railway with Central Russia and the Ukraine. From 1893 to 1906 the Russians developed a navy base there. The harbor of Windau is smaller but deeper and has the advantage of being seldom icebound.

## The International Situation

Britain gave a twofold answer yesterday to whatever peace proposals are being hatched by Chancellor Hitler. First, Winston Churchill said on the radio that it was not the right of men who started wars to say when they should cease and added that large-scale armies were being groomed for the front. Second, the King issued a proclamation calling 250,000 more men to the colors. [Page 1; text of the Churchill address Page 6.]

The "peace offensive" went forward in Berlin, however, with the arrival of Foreign Minister Ciano of Italy, who had a long conference with Herr Hitler. Broad hints were put out that there was a great opportunity for Premier Mussolini, Joseph Stalin and President Roosevelt to step in as mediators and rumors circulated that Premier Mussolini was proposing a seven-power conference that would include the United States. [Page 1.] No information was given out about Count Ciano's mission and Rome seemed as mystified about it as any other capital. [Page 3.]

Russia continued to make hay. She sent an "invitation" to Latvia to dispatch a delegation to Moscow, where, it was reported, the Soviet would demand the use of two Latvian ports for her trade and one as a naval base together with the right to garrison troops on the country's soil. Thus, Latvia seems slated to go the way of Estonia. [Page 1.]

Turkey, whose Foreign Minister finally saw the Soviet Premier and was believed to have stood out firmly against his demands, believed that Russia's threatening attitude was due to German incitement with the idea of embroiling Russia with the Allies. [Page 4.]

On the heels of word that German U-boats would sink armed merchant ships on sight came news that a Danish freighter bound for Scotland and carrying no cargo had been torpedoed without warning at a cost of eleven lives. While the horror-stricken Danes thought this presaged unrestricted submarine warfare, Berlin itself was indefinite as to its policy. [Page 1.]

Increased aerial activity featured the fighting on the Western Front. London's version of Saturday's battle over the Saar Basin said that five British planes had encountered an enemy fleet of fifteen. Three of the British craft, said London, were shot down, another was forced down but the fifth conquered two attackers and returned badly damaged. Berlin announced that Germans had brought down ten British and two French planes on the Western Front and two British planes over the North Sea, where two Nazi craft were lost. [Page 1.]

Harmony reigned among the Pan-American conferees at Panama. Agreement was foreseen on the major issues, including a request to belligerents to keep their war activities out of a safety zone around the American coasts and to omit foodstuffs and clothing from contraband lists. [Page 6.]

In Washington the stage was set for the opening today of debate in the Senate on the new Neutrality Bill. [Page 1.]

### Increase in Fighting Forces Is Preparation to Send More Men to France

By RAYMOND DANIELL
Wireless to THE NEW YORK TIMES.

LONDON, Oct. 1—King George and a spokesman for his government, each in his proper sphere, served forceful notice upon Chancellor Hitler tonight that Britain was at war in deadly earnest.

In a speech broadcast over the vast farflung Empire and to neutral countries as well as the British Isles, Winston Churchill, First Lord of the Admiralty, declared it was not the province of the men who start wars to say when they shall cease. He said that armies "upon the scale of the effort of the Great War" were being prepared to join the large forces already in France.

As though to emphasize the grim determination which Mr. Churchill's broadcast reflected, the King, after meeting his Privy Councillors, issued a proclamation ordering all men of 20 to 22 to hold themselves ready for a call to the fighting forces.

Mr. Churchill's words at least were designed to convince the Nazis, who still seem to think they can avoid a test of arms in the West, that they are pursuing an illusion if they believe the Allies will call off the war, leaving victory to the forces of aggression.

**Voices British Firmness**

Mr. Churchill made a fighting speech, voicing the determination of the British to accept whatever sacrifices were necessary to protect their way of life and the ideals they cherish. It covered many fields beyond the scope of the Admiralty, not excluding foreign relations, and it was an address such as one might expect the head of the government to deliver.

As a war leader Mr. Churchill is already beginning to overshadow

Early reference to Churchills betrayal in WW1.....
Just before the RMS Lusitania sailed in May, Churchill wrote this memo to Walter Runciman, president of Britain's Board of Trade: "It is most important to attract neutral shipping to our shores in the hope especially of embroiling the United States with Germany . . . . For our part we want the traffic — the more the better; and if some of it gets into trouble, better still."....
The Lusitania set sail for Liverpool on May 1st, 1915 from New York harbor. It was carrying millions of rounds of ammunition and shrapnel. The previous captain Daniel Dow had resigned because of mixing civilian passengers with munitions. The ship was to have a British battleship escort called the Juno but was recalled before the rendezvous in spite of the knowledge that a Uboat was active in the path of the Lusitania.
On May 5th, the Uboat U20 sank the schooner Earl of Lathom. On May 6th, it also sank two more ships, the Candidate and Centurion. All of these sinkings occurred directly in Lusitania's course. The Lusitania was given orders under the premise of saving coal to only run 3 of 4 boilers which would slow the vessel considerably. The only warning Lusitania received was a general "submarines active off south coast of Ireland".
At about pm on May 7th the Lusitania was hit with a torpedo that had been fired by U20. Immediately following the explosion, a second explosion occurred. The ship sunk in 18 minutes. There were 1,959 people on board of which 1,198 died including 128 Americans. Captain William Turner was blamed by the Admiralty in an official Board of Trade inquiry held by Lord Mersey. Captain Richard Webb of the navy wrote to Mersey: "I am directed by the board of Admiralty to inform you that it is considered politically expedient that Capt Turner, the master of the Lusitania, be most prominently blamed for the disaster."
Winston Churchill's response to the report given to Mersey was "Fully concur! We shall pursue the Captain without check!" Luckily for Captain Turner, Lord Mersey was a fair

man and saw that Turner was becoming the scapegoat. Turner was found not guilty and the German government was blamed. Mersey resigned and called the trial “a damned, dirty business.”
The sinking of the Lusitania was a clear false flag perpetrated by Winston Churchill and the British Admiralty to draw America into the war. The blame should have been placed on Churchill’s orders and not the German government. It was probably no coincidence that the ship was owned by J.P. Morgan’s competition in shipping. The Lusitaniasinking did not immediately draw the U.S. into war however, and it was almost two years later that the U.S. finally joined the war.

...thirteen years were to pass after the "peace" of 1919 before C. Hartley Grattan, in "The Nation" of July 27, 1932, revealed to the citizens of this Republic that another President, Mr. Wood-row Wilson, had secretly committed us to fight in Europe's wars. Date of the commitment, March, 1916. Source: Intimate Papers of Wilson's Col. House, Vol. II, p. 175. Text: "The solution I suggested was that at regular intervals I would cable Sir Edward Grey, in our private code, offering intervention."
That is the sort of lie and deceit that was going on behind the "Atlantic Charter" 0/1916 which read: "Make the world safe for democracy."

Would it be reasonable to expect that a written record exists of the commitment to provide military aid which Roosevelt gave to Neville Chamberlain prior to the latter's announcement to Parliament in March 1939, that Britain and France would provide military assistance to Poland if she were attacked? Such a commitment was in fact given by Roosevelt to the British ambassador in Washington and a telephonic confirmation was sent to Ambassador Kennedy in London. ...

The hulk of the *Lusitania* lies in comparatively shallow water and divers have examined it. Its holds have been shown to have been filled with contraband of war and its decks equipped with defensive weapons. This made it a warship and a legitimate target for the German submarine. Knowing the psychological effect that the sinking of the *Lusitania* had on public opinion in the United States and how the loss of American lives helped so greatly in gaining support for intervention, the British lost no time in contriving a similar incident very early in World War II. This was the sinking of the liner *Athenia* on September 4, 1939 when the war was only twenty-four hours old . Some thirty American lives were lost. However, the anti-war sentiment was so strong this time that the ploy failed in its object. The public more or less shrugged off the incident, saying in effect: "Stay out of the war zones if you don't want to get hurt." Now some very mysterious correspondence came to my notice at that time. It was from the office of the Naval Attache, a Captain Kirk. By close questioning, Captain Kirk had been able to ferret out of the British an admission that the *Athenia* might have been sunk on their own orders. Not that it was sunk by a torpedo from a British submarine. Rather, it was done by one of the two Polish submarines which escaped from the Germans and had come to England where they were under the command of the British Admiralty. It is true that a German U-Boat commander was forced by torture and intimidation to confess at the Nuremberg trials that he sank the *Athenia*. But such a confession is as credible as all the other confessions extorted by similar means.

Hitler Answers Roosevelt.
The Polish ambassador in Paris, Jules Lukasiewicz, confidentially informed Warsaw of a talk with William Bullitt, the US ambassador to France. The American envoy had assured him that if hostilities should break out, one could "foresee right from the beginning the participation of the United States in the war on the side of France and Britain."
https://ihr.org/other/HitlerAnswersRoosevelt

[Potocki] was highly critical of the American Jews. He believed that Jewish influence on American culture and public opinion, which he regarded as unquestionably preponderant, was producing a rapid decline of intellectual standards in the United States. | David L. Hoggan; President Roosevelt and the Origins of the 1939 War" (Liberty Bell, March 1984)

"In April, 1939, (four months before the outbreak of war) Ambassador William C. Bullitt, whom I had known for twenty years, called me to the American Embassy in Paris. The American Ambassador told me that war had been decided upon. He did not say, nor did I ask, by whom. He let me infer it. ... When I said that in the end Germany would be driven

into the arms of Soviet Russia and Bolshevism, the Ambassador replied: “What of it? There will not be enough Germans left when the war is over to be worth Bolshevising.”
(Karl von Wiegand, April, 23rd, 1944, Chicago Herald American)

Jerzy Potocki, who reported regularly to Warsaw on conditions in the United States. In a confidential dispatch of February 1938 — more than a year a half before the outbreak of war in Europe — he took note of the Jewish role in pushing for war.
“The pressure of the Jews on President Roosevelt and on the State Department is becoming ever more powerful,” he wrote. “The Jews are right now the leaders in creating a war psychosis which would plunge the entire world into war and bring about general catastrophe. This mood is becoming more and more apparent … This hatred has become a frenzy. It is propagated everywhere and by every means: in theaters, in the cinema, and in the press. The Germans are portrayed as a nation living under the arrogance of Hitler who wants to conquer the whole world and drown all of humanity in an ocean of blood.

“ … This international Jewry exploits every means of propaganda to oppose any tendency towards any kind of consolidation and understanding between nations. In this way, the conviction is growing steadily but surely in public opinion here that the Germans and their satellites, in the form of fascism, are enemies who must be subdued by the ‘democratic world’.”

In a confidential dispatch of January 9, 1939, the ambassador reported: “The American public is subject to an ever more alarming propaganda which is under Jewish influence and continuously conjures up the specter of the danger of war. Because of this the Americans have strongly altered their views on foreign policy problems, in comparison with last year.”

Charles Lindbergh: A Courageous American’s Prophetic Voice
Twenty-five years after the end of the Second World War, Lindbergh published his Wartime Journals. In an introduction to the book, which prompted much discussion and comment, he looked back on the conflict and its legacy.
“We won the war in a military sense,” he wrote, “but in a broader sense it seems to me we lost it, for our Western civilization is less respected and secure than it was before. In order to defeat Germany and Japan we supported the still greater menaces of Russia and China – which now confront us in a nuclear-weapon era. Poland was not saved … Much of our Western culture was destroyed. We lost the genetic heredity formed through aeons in many million lives … It is alarmingly possible that World War II marks the beginning of our Western civilization’s breakdown, as it already marks the breakdown of the greatest empire ever built by man.”

Jews and Jutland - the first official report of the Battle of Jutland was published. The world was in-formed by the Government that many of our capital ships had been sunk ; and the actual German losses, admittedly known to the Government, were suppressed.As a result the impression was created that Britain had sustained a severe defeat at sea. Instantly British stock in America fell ; but within a week the truth was well known, and British stock in America rose again. It may be of interest to the public to know that as a result of this fall and rise in stock a certain financial group of Jews cleared a net profit of £18,000,000.It may also be said that the Cabinet Minister who drew up and issued the false report about

the Battle of Jutland which produced this fall in stocks had spent the week-end with one of the most powerful members of the financial group, Sir Ernest Cassel, and came straight from Sir Ernest's house to publish his report, the report which led the world for a week to believe that the British Navy had been defeated by Germany.The Press and the Government have met these statements I with nothing better than terrified silence. Not a solitary word about Jutland has been printed in our British journals for two weeks.P.28

The American Admiral at Dantzig Recalled by President Wilson.(Wolfsohn)
Rear-Admiral Hughes, United States Navy, who has been in charge of the American forces in Dantzig, has just been recalled from his post. This action was taken by Josephus Daniels upon the President's orders when they received an urgent report from Rear Admiral Hughes upon the class of emigrant being shipped to the United States in the famous " kosher " ships of the Harrimann-Hamburg line. These ships were fitted out by a Mr. Krushnitz, of New York, with rabbinicaUy superintended kitchens in order to cater for the Jews fleeing from Russia and Poland with their plunder.
Rear-Admiral Hughes visited the camps of these Jews and found them full of the lowest types of criminal humanity. But, even more strange, he found the camps in charge of men dressed as officers and soldiers of the United States regular army. He knew no such force was in Poland, and he demanded the authority of the men (who were all East-end New York Jews) for wearing the United States uniform. The Jews replied they were members of the B'nai Brith, or Sons of the Covenant. They said that Mr. Henry Morganthau, a friend of President Wilson's, had given them permission to wear uniform and they were paid through the Warburg's bank.
Naturally the United States Admiral reported this wholesale swindle and mis-use of American uniform and as a result of telling the truth he has been recalled and the affair remains as hushed-up as Jutland P.165

Unfortunately for those who would like to link Hitler and the National Socialists with gun control, the entire premise for such an effort is false. German firearms legislation under Hitler, far from banning private ownership, actually facilitated the keeping and bearing of arms by German citizens by eliminating or ameliorating restrictive laws which had been enacted by the government preceding his: a left-center government which had contained a number of Jews.

A Last Appeal to Reason
Submitted by William Finck on Wed, 12/29/2010 Hitler did not want war with Britain, it was forced on him. Thousands of ethnic Germans were being massacred in Poland, in lands once belonging to Germany, while the Poles were encouraged by the Americans, French and British who were hoping to force Germany into war. Hitler hoped that ties of blood would prevail over jewish money. He wanted the British to join him in a war against the jewish-led Soviet hordes who had been planning all along to conquer all of Europe. Germany was truly and literally caught between a rock and a hard place. The jews had designs on the whole world, and now with their victories over Russia and Germany, and the false Christianity by which they have seduced the American people, they rule it.

On the 3rd of June, 1938, the American Hebrew boasted that they had Jews in the foremost positions of influence in Britain, Russia and France, and that these "three sons of Israel will be sending the Nazi dictator to hell." - Joseph Trimble, the American Hebrew.
"There is only one power which really counts. The power of political pressure. We Jews are the most powerful people on earth, because we have this power, and we know how to apply it." - Vladimir Jabotinsky, Jewish Daily Bulletin, July 27, 1935.
"We Jews are going to bring a war on Germany." - David A. Brown, National Chairman, United Jewish Campaign, 1934 (quoted in "I Testify Against The Jews" by Robert Edward Edmondson, page 188 and "The Jewish War of Survival" by Arnold Leese, page 52).
World Jewry must be regarded as the sole war criminal of the Second World War because, in the first place, it prevented reconciliation between the nations and the possibility of cooperation, destroying even the prerequisites to these aims. With the help of untruthful propaganda and falsehood, and by use of radio and press, it projected a totally false world picture before the eyes of mankind. It created a general world atmosphere in which the mere utterance of the truth in connection with the German question might entail danger to life or loss of livelihood, or suspicion of high treason. All peace offers made by the German statesmen were labelled sheer lies. It derided all sober and honest plans. It made all social achievements in Germany appear as reactionary red tape, all the progress as an anti-progressive obstacle, every manifestation of the elite concept as barbarism and all forms of anti-Bolshevism as anti-democratic. Colonel Charles Lindbergh, the national hero of America, became suspected of high treason when he dared to state his honest opinion about National Socialism, based on his own personal experience.P78

2/- Kings Speech letter (Draft) written weeks prior to Hitlers intervention after the Bloody Sunday and Bromberg Massacres of Germans in the Danzig corridor(German territory taken from here after WW1 Versaille treaty) by Polish Jews .(see attached letter in notes) On the 3rd of September 1939, King George VI read the famous 'Kings Speech' addressing the British nation and the world. The speech that began with, "In this grave hour, perhaps the most fateful in our history …" was to inform the world that Germany had allegedly invaded a sovereign nation, that the world was at war due to this military attack and the Allies of the world should unite steadfastly against this purportedly – Surprise Aggression – of a common enemy to all peaceful peoples… However, the draft of this speech is dated the 25th of August, 1939 – a week before Germany entered the Corridor to liberate the German people and 9 days before the King delivered the speech. This indicates that Britain had plans to 'Declare War on Germany' before the Wehrmacht entered -Poland to liberate the German people… thus, Britain's 'Declaration' was not a reactionary response to a surprise invasion. Further, the typed document, which was actually the second draft of the speech, was retained by civil servant Harold Vale Rhodes, who had previously written a first attempt (date unknown). In a penciled note in the left-hand margin, Mr Rhodes criticised the length of some of the sentences in the second draft and hinted that his should be used.

The Bromberg Massacre and The Kings Speech Draft written a week before Germany entered Danzig Corridor to save Germans.(Page slow to load)
'Declaration of War' for HRH King George VI to address the world.-Kings Speech. However, the draft of this speech is dated the 25th of August, 1939 – a week before Germany entered the Corridor to liberate the German people and 9 days before the King delivered the speech…
The early draft accused Germany of being a bully who wanted to dominate the world by brute force and stressed that, we are fighting for the principles of freedom and justice… "Brute Force of a Bully" – if it could be considered such – had not even occurred at the time the speech was drafted.

“Churchill and Stalin negotiated the starting of co-operation in a war of many fronts against Germany since April 1939.....
Barbarossa,against the Eastern Front E (= the Soviet Union) had to be started by Germany on June 22, 1941, as the willingness of Stalin's Red Army to launch the attack was known. Note Rudolf Heß's flight to England on May 10, 1941 to bring about peace had not been successful, and Roosevelt was already preparing for the entry into the war of the United States with its enormous resources for the production of war material. The German leadership knew all this, and therefore the Eastern campaign had to be launched urgently, because Operation Barbarossa and the Soviet question could only be resolved through a blitzkrieg, in which the initiative was taken and the invasion was completed during 1941. After the collapse of the Soviet Union, Stalin's allies might eventually agree to negotiate a compromise peace....

Hitler had concluded (the None Aggression)Pact, because the Anglo-French-Soviet negotiations,ongoing for months, were taking on a threatening character for Germany with the dispatch to Moscow of the Military Missions at the end of July, thereby confronting him with the alternative either to accept this massive alliance coalition or to demolish it via diplomatic channels. These Allied endeavours included Soviet expansionist advancing into Central Europe. Hebrew Priest Josephus calls "Traditions of the Elders" as "Tradition of our forefathers."
"What I would now explain is this, that the Pharisees have delivered to the people a great many observances by succession from their fathers, which are not written in the laws of Moses; and for that reason it is that the Sadducees reject them, and say that we are to esteem those observances to be obligatory which are in the written word, but are not to

observe what are derived from the tradition of our forefathers." (Antiquities of Judeans Book XIII.X.VI).

This is also agreed by Jewish society.

# Todesurteil für Juden-Mörder

## Das Reich gewährt allen Einwohnern Rechtsschutz. Das furchtbare Verbrechen in Bahn gesühnt

Stettin, 18. Dezember.

Das Schwurgericht Stettin verurteilte den Raubmörder Josef Reinhardt, der in der Nacht zum Bußtag mit zwei Komplicen in der pommerschen Kleinstadt Bahn den jüdischen Händler Abraham und dessen arische Ehefrau auf der Straße ermordet hatte, zum Tode. Seine beiden Komplicen, die Gebrüder Jütz, wurden zu lebenslänglichem Zuchthaus und zu sechs Jahren Gefängnis verurteilt. Der Vorsitzende betonte, daß es bei der Bestrafung der Schuldigen keine Rolle gespielt habe, ob der ermordete Händler Jude gewesen sei oder nicht. Das Dritte Reich sei ein Rechtsstaat, in dem der Jude ebenso den Rechtsschutz genieße wie jeder andere. Mord bleibe Mord und werde in jedem Falle mit den schärfsten Mitteln geführt.

Mit dem Todesurteil gegen Reinhardt ist der Schlußstrich unter ein grausiges Verbrechen gezogen. Der Mörder und seine Helfer hatten bei dem jüdischen Händler in der Nacht zum Bußtag für 230 RM. Kleidungsstücke gekauft. Als der Händler die Ware einpacken wollte, schoß Reinhardt ihr hinterrücks in den Nacken. Der schwerverwundete Jude lief dem Mörder nach, erreichte ihn noch auf der Straße, aber dort traf ihn der zweite, tödlich wirkende Schuß. Inzwischen war seine Frau, die sich schon schlafen gelegt hatte, hinzugeeilt, um ihrem Mann zu helfen. Als sie den Mörder festhalten wollte, schoß Reinhardt sie ebenfalls nieder, so daß sie tödlich getroffen auf dem Pflaster liegenblieb.

It was reported that Josef Reinhardt had been sentenced to death for killing a Jewish merchant Abraham and his gentile wife. It was pointed out that murder was murder regardless of the victim.

Hitler's final solution was to gather Jews on Concentration Camps ready to move them to terrritory in Russia a nation of their own.Deaths in the camps as the Int, Red Cross stated caused by Typhus outbreaks and lack of food caused at Wars end as Germany's supply. transport system and production was bombed into oblivion by the Allies, also deteriorating conditions in the camps was intentionally exacerbated to fuel the appearance of intentional suffering of the Jews for the planned Holocaust atrocity propaganda see Sefton Delmer (Australian Jew )

British Letter to BBC and Clergy advising use of atrocity propaganda to be used against Germany (and Japan) as they did in WW1.

In 1939 Britain pledged assistance to Poland in the event of aggression. By our declaration of the 3rd of September we did associate ourselves with her cause, although we could afford no material support. This declaration of war was made when her western frontiers were overrun by Germany, but no similar declaration was made when on the 17th of September her eastern defenses were stormed by Russia. A delicate question. Our action, if hardly logical, was at least indicative of the realistic trends of British diplomatic machinations.

This first issue, virtually a test case, if not honorably settled will rout any hope we may have of a balance of power in Europe. It will constitute a flagrant disregard by the U.S.S.R. of all treaties ratified by her and a virtual admission by Britain of the U.S.S.R. as the supreme power in Europe. A sorry tribute to Britain and to her Empire, which stood alone during those dark and crucial days after the fall of France.

You raised the question in your speech of British approval of the Russo-Polish frontiers. But, surely the guarantee of these frontiers and our frequent re-affirmation of our intention to restore them was sufficient indication of our approval of them. The League of Nations set up after the last war was admittedly a failure, but what hope can we have of establishing any similar institution, the existence of which in some form will be essential to safeguard post-war Europe from the disasters of this first part of the twentieth century—if the U.S.S.R. assumes the role of European dictator even before the peace is won?

Let it not be recorded for posterity how the descendant of the glorious Marlborough was diverted from his path of honor and justice by the ruthless leader of a terror regime, and we can hardly consider that of the Soviet as other than terrorist, when to maintain order it required to detain in captivity twenty millions of its one hundred and eighty millions subjects.

Let it not be said of the one-time invincible Churchill: "Were it not better had he gone down in his glory at Teheran before the pass was sold, rather than live to associate his name and that of the Empire with such ignominy and shame."

(Signed) E. J. CAMBELL.[45]

As the Polish press in England indicated, undoubtedly many Poles would have identified themselves with the spirit and the wording of this communication.

It was rather difficult, however, to sway Churchill from a policy, once he had adopted it. And apparently Churchill was determined to carry out his Teheran commitments loyally.

On February 29, 1944 the British Ministry of Information sent the following note to the higher British clergy and to the BBC.

Sir,

I am directed by the Ministry to send you the following circular letter:

It is often the duty of the good citizens and of the pious Christians to turn a blind eye on the peculiarities of those associated with us.

But the time comes when such peculiarities, while still denied in public, must be taken into account when action by us is called for.

We know the methods of rule employed by the Bolshevik dictator in Russia itself from, for example, the writing and speeches of the Prime Minister himself during the last twenty years. We know how the Red Army behaved in Poland in 1920 and in Finland, Estonia, Latvia, Galicia, and Bessarabia only recently.

We must, therefore, take into account how the Red Army will certainly behave when it overruns Central Europe. Unless precautions are taken, the obviously inevitable horrors which will result will throw an undue strain on public opinion in this country.

We cannot reform the Bolsheviks but we can do our best to save them —and ourselves—from the consequences of their acts. The disclosures of the past quarter of a century will render mere denials unconvincing. The only alternative to denial is to distract public attention from the whole subject.

Experience has shown that the best distraction is atrocity propaganda directed against the enemy. Unfortunately the public is no longer so susceptible as in the days of the "Corpse Factory," the "Mutilated Belgian Babies," and the "Crucified Canadians."

*Your* cooperation is therefore earnestly sought to distract public attention from the doings of the Red Army by your wholehearted support of various charges against the Germans and Japanese which have been and will be put into circulation by the Ministry.

*Your* expression of belief in such may convince others.'

I am, Sir, Your obedient servant,

(Signed) H. HEWET, ASSISTANT SECRETARY

The Ministry can enter into no correspondence of any kind with regard to this communication which should only be disclosed to responsible persons.[46]

It is unknown how many recipients of this communication complied with the above instructions.

On March 9, 1944 Mr. McLaren, the Head of the Political Desk of the Political Intelligence Department in the British Foreign Office, informed Mr. J. Zaranski, the counselor to the Polish Prime Minister, that he had received a specific order to prepare a series of broadcasts to Poland in Polish and other languages in order to prepare Polish public opinion about the necessity of giving up a considerable part of its eastern territories without mentioning, for the time being, the Curzon Line. These broadcasts were almost ready in the BBC, and they would go on the air without any delay. Upon being informed of this proposal, Mikolajczyk categorically rejected the plan, as a result of which the Foreign Office temporarily abandoned it.[47]

At the same time, the democratic organizations which were fighting the Nazis and suddenly were faced with a new terror, sent an urgent appeal to the peoples of the world through their Government in London, asking for help and implying that they had lost faith in Western leaders.

Nazi-Soviet Relations.
December 5, 1939.- The expulsion of Jews into Russian territory, in partic-ular, did not proceed as smoothly as had apparently been expected. In practice, the procedure was, for example, that at a quiet place in the woods, a thousand Jews were expelled across the Russian border ; 15 kilometers away, they came back, with the Russian commander trying to force the German one to readmit the group.

Meanwhile, the war against the Soviet Union has allowed us to dispose of new territories for the final solution. Consequently, the Führer has decided to displace the Jews not towards Madagascar but towards the East. Thus, there is no longer any need to consider Madagascar for the final solution. »

Captured German Documents
At the end of the Second World War, the Allies confiscated a tremendous quantity of German documents dealing with Germany's wartime Jewish policy, which was sometimes officially referred to as the "final solution." But not a single German document has ever been found which even refers to an extermination program. To the contrary, the documents clearly show that the German "final solution" policy was one of emigration and deportation, not extermination. Consider, for example, the confidential German Foreign Office memorandum of August 21, 1942 (Nuremberg document NG-2586-J. NMT green series, Vol. 13, pp. 243-249). "The present war gives Germany the opportunity and also the duty of solving the Jewish problem in Europe," the memorandum notes. The policy "to promote the evacuation of the Jews (from Europe) in closest cooperation with the agencies of the Reichsfuhrer SS Himmler] is still in force." The memo noted that "the number of Jews deported in this way to the East did not suffice to cover the labor needs." The document quotes German Foreign Minister von Ribbentrop as saying that "at the end of this war, all Jews would have to leave Europe. This was an unalterable decision of the Fuhrer [Hitler] and also the only way to master this problem, as only a global and comprehensive solution could be applied and individual measures would not help very much." The memorandum concludes by stating that the "deportations [of Jews to the East] are a further step on the way to the total solution . . . The deportation to the [Polish] General Government is a temporary measure. The Jews will be moved on further to the occupied [Soviet] eastern territories as soon as the technical conditions for it are given." This unambiguous document, and others like it, are routinely suppressed or ignored by those who uphold the Holocaust extermination story.

What happened to Jews 'Aktion Reinhardt Camps' - Berlin Jew Siegmund Rothstein, born in 1867, who was first deported to the Theresienstadt Ghetto for elderly Jews in August 1942. Barely a month later, however, on September 26, he was deported to Treblinka at the age of 75. But that was not his end at all, because the German authorities found life signs of him further east, as they finally determined that Rothstein died in Minsk, the capital city of Belarus, some 240 miles (286 km) east of Treblinka.

Billy Wilder in Buchenwald.

Within a week of the capture of Buchenwald, the famous Hollywood director Billy Wilder was in the camp making a film of propaganda lies that still circulate to this day. An inadvertent shot of Wilder on the set at Buchenwald is shown above. The film, complete with props, claimed that the Nazis made soap from the fat of (Jewish only of course) prisoners, made lampshades from the skin of prisoners, and shrunk the heads of prisoners like in the Amazon. Even the Holohoax establishment now admits these were all lies.

Letter from Prisoner No. 11647 Block 28/3 Dachau K3 on September 8, 1940 to his relative in Litzmannstadt (Lodz):

Dachau.
I saw the camp very well, as all TK units were trained in the training units which were close to the camp. I saw the prisoners in the camp, and I can assure you they were treated very well. They had very strict rules and a schedule they all had to follow, but never abused. I even saw a ceremony where some prisoners were being released. Yes, they even let prisoners go when they served their sentence, it was a prison for political prisoners. If

someone committed a crime, and it was based on a political motive, they went to a camp instead of jail. In Germany of that time there were laws in place to keep communists and anarchists from rioting and harming the nation. For a short while I was assigned to the office that read their mail to make sure it was not discussing anything that could harm the nation or Hitler. I was surprised that so many of the prisoners were against the Hitler regime, at the time it was very good and nothing bad had happened. They were largely old reds, even the church people there seemed to hold Bolshevik beliefs.

I remember seeing a letter from someone famous, who I can not recall now, but the person writing him would tell him that his beliefs were protected by his god, and for him to keep the faith that good will always win. I knew what that meant, but let it slide. Remember nothing bad had happened yet, yet these people believed the regime was bad and wrong, I did not understand how they could feel that way. I knew there had been the removal of what was called unqualified people, many of them Jews, from certain professions. It was believed they attained positions based on being Jews, whom other Jews helped, and did not obtain them honestly. The churches had some left-leaning clergy who spoke out for the reds and Jews, and they were removed as well. This, in my opinion, was very correct, and not worthy of ridicule. I was back then a firm believer in Hitler and thought anyone opposing his worldview was a fool or deliberate criminal. Hitler restored German honor, fixed the economy, retuned morals, and gave us all a sense of hope for the future. It was a great time to be living in, but, again, I did not understand why some did not want this.

The Answer – Justice An Australian Prisoner of War and Witness in the Small Fortress, Terezin Concentration Camp, in 1945 Excerpts from the autobiography of Alexander McClelland (1920-2010)….

In 1971 DVA doctors diagnosed me as a paranoid schizophrenic. They told me if I told people I'd been in a Nazi Concentration Camp during WWII and that I'd been given 28 days solitary confinement in UK, I would have to be put in a place and given special treatment. As no-one in Australia believed me, in desperation I went to England where Airey Neave, MP and WWII hero, believed me and helped me prove my claims. Finally, in 1988, the Australian Government confirmed I had been incarcerated in both the places I had claimed in 1970

In April 1939, Adolf Hitler celebrated his 50th birthday. To celebrate this occasion, plans were drawn up for a pardon for several thousand prisoners in the camps. The instructions that determined who was to be freed and who would remain as an inmate reveal the different kinds of prisoners in the camps as well as revealing Hitler's generosity and good will. The intention of the pardon was to free inmates who were brought to the camps in 1933, six years before.

The Germans themselves often referred to these camps as "education camps." In the summer of 1942, three years after World War II began, Himmler was still emphasizing the re-educational aspects of the camps when he wrote a letter to Oswald Pohl.11 The language that he used in this letter was also given as part of official instructions to guards at the camps. Himmler instructed each guard to make his behavior a personal example to the prisoners, in order to imbue them with respect for the National Socialist state and to teach them how to behave properly.12 This re-education at the camps was to stress traditional Aryan virtues, such as hard work, strict discipline, a belief in law and order, support for the complete family and respect for traditional German society, as well as encouraging them to respect the National Socialist state and the Nazi movement in general.

Over the years, tens of thousands of inmates were released from the camps once they had shown that they had chosen to reform themselves. On many occasions the commandants of the camps had determined that inmates had abandoned their old ways and had chosen to become loyal members of German society. As late as October 1944, inmates were being released, and many of these were communists who had abandoned their previous beliefs.13

Under Two Flags by Heinz Weichardt.
I like to emphasize the military participation of the Jewish part of my family because thiswas by no ways an exception but the norm, especially among the more well-to-do Jewish families which strived to be Germans first .Let's go back to Nazi terrorism. There were, as everybody knows, concentration camps. Who were theinmates? Mostly vagrants, bums and, yes, some obnoxious politicians of the leftist variety (come tothink of it, not a bad idea at all) who had previously caused the ire of the new rulers. Strangely enough--hardly any Jews,. Berlin with my father, as a journalist in constant touch with the authorities (he had,e.g., to attend, together with other journalists, confidential monthly meetings with Propaganda Minister Goebbels to obtain political directives and listen to pep talks) and aware of all nasty anti-government rumors, I had neither a single personal contact with anybody who had suffered physical harm from the authorities of the Third Reich, nor did I hear from anybody among my rather extended acquaintances that they knew of somebody who had.

Police in Germany in Hitler's National Socialist Govt. were not allowed to wear or use truncheons, crime was so low their numbers were reduced .
The Jewish Bolsheviks who occupied and 'Liberated' certain camps (namely Auschwitz), deliberately stopped food and medical supplies organised by the IRC, from reaching internees, causing further deaths and suffering.Divisions of the Reich both funded and facilitated the establishment of Jewish communities with virtually independent autonomy.Germany continued to facilitate those European Jews who wished to immigrate, from the transitional camps to various foreign lands.Approximately, more than 2.5 million Jews were not interned by the Reich and were enabled to live freely and independently in Europe, within the guidelines of various Reich policies.
Internment Camps: IRC Records disclose more than just death figures of 271,301 from Typhus during WWII – Soviet sabotage and German patronage.271,301 people of various religious denominations, races and social status' died of disease and starvation (NOT 6 million Jews by intentional Extermination Policy).

Meanwhile, the war against the Soviet Union has allowed us to dispose of new territories for the final solution. Consequently, the Führer has decided to displace the Jews not towards Madagascar but towards the East. Thus, there is no longer any need to consider Madagascar for the final solution. »

5/-These measures were necessary because FDR's backers were planning to involve the U.S. in the Second World War. Any popular political opposition to Roosevelt might have swept him out of office in 1940, just when he was needed to bring off the Pearl Harbor attack. On the morning of Pearl Harbor, Gen. Marshall, his Chief of Staff, met secretly with Maxim Litvinoff (married to Ivy Low of England), to assure the Russians that everything was going according to plan. Marshall later testified before Congress that he "couldn't remember" where he was on Pearl Harbor Day.The "managed conflict" was well on its way.

Pearl Harbor,Having already broken the Japanese secret communications code, American military intelligence knew when and from where the Japanese fleet had embarked and exactly where it was headed.
https://odysee.com/@louismarschalko:2/Pearl-Harbor-Chuck-Maultsby:1

The American High Command knew in advance of every movement of this fleet, the Commandant of Pearl Harbour received no message at all, informing him that, due to the outcome of diplomatic negotiations, a Japanese attack was imminent. As much as four weeks earlier the chiefs-of-staff knew very well that the Japanese intended to overrun Pearl Harbour. They even knew the exact hour the Japanese warships and carriers left their home ports to attack Pearl Harbour. They succeeded even in intercepting the secret Japanese telegram containing the text of the declaration of war and commanding at the same time that this declaration was to be handed over to the White House at the exact time the first bombs were falling on Pearl Harbour. This catastrophe could have been averted easily.

FDR called the Portugese Ambassador to visit him 11 months prior to the Pearl Harbor attack informing him that their Timor colony was safe as the United States was intending to attack Japan when she was least expecting it and at her weakest.This Portugese Ambassador sent this information back to the Portuguese leadership in Portugal in Code. Roosevelt knew the Japanese had broken the Portugese Code and also read the message.This was confirmed when this urgent message caused alarm in Japan's leadership when internal messages transmitted in Japan were intercepted and read by American Codebreakers as they had broken the Japanese Codes.Japan now felt she had to attack as America could with media control say Japan had attacked even if she had not. Therefore her best chance was to attack first. See video link... https://www.bitchute.com/video/7IE4IuxvN0Pm/

The British SS division, Britisches Freikorps - British Free Corps.
"Antony Beevor (Inside Hitler's Concrete Tomb, last week) mentions the foreign SS troops who helped to defend Berlin. Among them were soldiers of the British Free Corps, who were released from prisoner of war camps in return for donning German SS uniforms, with the understanding that they would not be asked to fight their own countrymen. As a National Serviceman stationed in Berlin, I met a Russian Red Army officer who was impressed by the fighting spirit of eight misguided British soldiers.
"They held up an entire Russian regiment for almost two days until they ran out of ammunition. Only two survived to surrender and were promptly shot by the understandably irritated Russians, who had lost almost 100 men and three tanks.
"The Russian officer said that had SS Unterscharführer Corneld and a soldier identfied as Pleed been fighting the Germans; they would have deserved the Victoria Cross (VC). He told me: "I hope the British invented a good story for their families, for a brave soldier is still a brave soldier even when a traitor to his country."

Germany and England by: Nesta Webster 1938
Such then is the position in Europe to-day. No people of any country wish for war except Bolsheviks and Jews.The Germans do not want to fight the French nor the French the Germans, the true people of England do not want to fight either. Never, probably,throughout the last fifty years has there been so little animosity between the peoples of Europe. Yet never has war been prepared on so gigantic a scale. In every country the extraordinary spectacle is seen of the human race digging itself in as in a vast rabbit warren, for refuge against each others' bombs in the war we are being led to believe is inevitable.
https://odysee.com/@louismarschalko:2/Webster-Nesta-Helen---Germany-and-England:8

Nesta Webster.1938 - "The intended war will thus be a war of Bolshevism against Fascism, with Great Britain, to her eternal dishonour and eventual ruin, on the side of Bolshevism. "
Joyce's last words were: "In death, as in life, I defy the Jews, who caused this last war: and I defy the power of Darkness which they represent, I warn the British people against the aggressive imperialism of the Soviet Union, May Britain be great once again; and in the hour of the greatest danger to the west, may the standard of the Swastika be raised from the dust, crowned with the historic words: 'In spite of everything, you have been victorious:' I am proud to die for my ideals/and I am sorry for the sons of Britain who have died without knowing why." – William Brooke Joyce
ALLIED WARS CRIMES -CIVILIANS; WOMEN AND CHILDREN MACHINE-GUNNED by British
Tens of thousands of middle-European peoples, displaced by the war who fell into British hands were treated even worse in British controlled Austria and Yugoslavia. There, Britain and the NKVD ran the concentration camps jointly. The latter, forerunners to the evil KGB, were invited to assist the British in the capture and corralling, deportation and slaughter of their captives.
One British officer described how "The prisoners (civilians) were treated coarsely but not brutally. They were pushed and shoved but there was no resistance, no fighting or trying to get back or get away. They were all completely docile, resigned to their fate. The soldiers collected them all quickly into groups and marched them away to be machine-gunned in groups.'The British officer added, 'some of them didn't get very far I'm afraid. At the back of the station there was a wood, a copse, and they seemed to be marched behind this copse. Shortly afterwards there were quite a number of sustained bursts of machine-gun fire. I can't say for certain what happened, because I couldn't see the shooting. But I am pretty sure that a lot of them were shot there and then, not on the siding itself but just around the corner of the wood."
This is typical of many accounts when units of the British Army working with Red Army NKVD officers, hunted down and butchered tens of thousands of Cossack civilian refugees including children in Austria, in summer, 1945 after the war had ended.
A BLOOD-SPATTERED BRITISH TRANSPORT TRAIN
Tens of thousands of people of many nationalities were hunted down and rounded up like cattle to be taken to the Red Army's killing fields. One account described how 'the whole train was bespattered with blood. They were open-plan carriages, and I remember the bloodstains where bodies had been dragged right down the corridor between the seats and down three of four steps. The lavatories were absolutely covered in blood…."
"Another such patrol, consisting of two Red Army officers and four British soldiers set off into the hills on horseback on June 8th. They captured one such group on the lower slopes…. "The Cossacks ran off, leaving just a few, mainly women and children who were too weak to move. One soldier spotted a Cossack in the distance, aimed his rifle at him,

fired and saw him drop. .... As he was not seen to rise again it was assumed he had been killed."
Captain Duncan McMillan remembers, 'Being guided to a small railway station where there was a barbed-wire enclosure' He saw the Cossacks being unloaded from the trucks and described how they were stripped of their possessions, even food before being marched away. 'Many British soldiers who were there have testified that they heard the rattle of machine-guns nearby just moments after the prisoners were removed." James Davidson said: "We thought that machine-gunning must be the finish of them. We thought they were just taken back there and slaughtered."
These awful accounts were described in Nicholas Bethell's book, The Last Secret published by Futura, (London) in 1974. The English legal apparatus suppressed further accounts.
"British and allied troops appearing as defendants in war crimes trials with brutal Serbs and former Red Army thugs is well overdue", says 20th Century analyst, Michael Walsh. His research exposes allied genocide, enslavement and institutionalized ill treatment of axis prisoners-of-war both during and after World War 11.
He says, "the scale of abuse of prisoners-of-war was contrary to the Geneva and other conventions to which Britain and its allies were signatories. As late as 1948, three years after the war's end, the British Government's treatment of its foreign prisoners was subject to International Red Cross scrutiny and international condemnation. The IRC threatened to bring the British government before international tribunals for abuse and illegal enslavement. Typically, British administered prisoner-of-war camps were worse than Belsen long after the war had ended and war disruption ceased. Tragically even civilians were illegally held, deported and murdered in the tens of thousands whilst the evil killers responsible have so far evaded justice.
TORTURE AND BRUTALITY
Adding to international outrage, Cyril Connolly, one of England's most acclaimed writers reported: "British guards imprisoned German troops and tortured them." He described how "they were so possessed by propaganda about German 'Huns' that they obviously enjoyed demonstrating their atrocities to visiting journalists. A British reporter named Moorehead who was present at these 'torture fests' observed that 'a young British medical officer and a captain of engineers managed the Bergen-Belsen camp. "The captain was in the best of moods," he said. "When we approached the cells of gaoled guards, the sergeant lost his temper." The captain explained. 'This morning we had an interrogation. I'm afraid the prisoners don't look exactly nice.'
The cells were opened for the visiting journalists. "The German prisoners lay there, crumpled, moaning, covered with gore. The man next to me made vain attempts to get to his feet and finally managed to stand up. He stood there trembling, and tried to stretch out his arms as if fending off blows. "Up!" yelled the sergeant. "Come off the wall."
"They pushed themselves off from the wall and stood there, swaying. In another cell the medical officer had just finished an interrogation. "Up." yelled the officer. "Get up." The man lay in his blood on the floor. He propped two arms on a chair and tried to pull himself up. A second demand and he succeeded in getting to his feet. He stretched his arms towards us. "Why don't you kill me off?" he moaned.
"The dirty bastard is jabbering this all morning." the sergeant stated. (3)
SHOOTING PRISONERS 'FOR FUN'
Former British Army veteran A.W Perkins of Holland-on-Sea described conditions in the 'Sennelager' British concentration camp, which shockingly held, not captured troops but civilians. He recounts; "During the latter half of 1945 I was with British troops guarding suspected Nazi civilians living on starvation rations in a camp called Sennelager. They were frequently beaten and grew as thin as concentration camp victims, scooping handfuls of swill from our waste bins."
This ex-guard described how other guards amused themselves by baiting starving prisoners. "They could be shot on sight if they ventured close to the perimeter fence. It was

a common trick to throw a cigarette just inside the fence and shoot any prisoner who tried to reach it." (4).
"When Press representatives ask to examine the prison camps, the British loudly refuse with the excuse that the Geneva Convention bars such visits to prisoner-of-war camps." complained press correspondent Arthur Veysey from London on May 28th 1946.
"UNDERFED AND BEATEN" ADMITS TOP AMERICAN NEWSPAPER
Typically "The prisoners lived through the winter in tents and slept on the bare ground under one blanket each. They say they are underfed and beaten and kicked by guards. Many have no underclothes or boots." reported the Chicago Tribune Press Service on 19 May 1946 one year after the war's end.
US ARMY SLAUGHTERED GERMAN POWS
The German armed forces invariably obeyed the Rules of War conventions to the letter. Speaking for himself and other allied military commanders, Major General Robert W. Grow, U.S.A. Commander 6th Armored Division in Europe conceded there was 'no German atrocity problem'.
"My service during World War Two was in command of an armored division throughout the European campaign, from Normandy to Saxony. My division lost quite a number of officers and men captured between July 1944 and April 1945. In no instance did I hear of personnel from our division receiving treatment other than proper under the 'Rules of Land Warfare'. As far as the 6th Armored Division was concerned in its 280 days of front line contact, there was no 'atrocity problem'. Frankly, I was aghast, as were many of my contemporaries, when we learned of the proposed 'war crimes' trials and the fact that military commanders were among the accused. I know of no general officer who approved of them." (9)
Despite the German observance of convention the American forces response was often as summary and as brutal as those practiced by their Soviet allies. Only in cases where large numbers of captured soldiers had been taken were they to be enslaved. If captured in smaller groups the US Army policy was simply to slaughter their captured prisoners where they stood.
A specific study is now being made for the purpose of compiling evidence of such atrocities to which the author, Michael Walsh, would appreciate input.
One such case was the cold-blooded slaying of an estimated 700 troops of the 8th SS Mountain Division. These troops who had fought with honorable distinction had earlier captured a US field hospital. Although the German troops had conducted themselves properly they were, when subsequently captured by the US Army, routinely separated and gunned down in groups by squads of American troops.
The term neutralized of course is a politically correct (or cowardly) way of saying that prisoners-of-war were rounded up and machine-gunned in groups. Accounts of the mass murder of prisoners-of-war at Dachau have been described in at least two books; 'The Day of the Americans by Nerin Gun, Fleet Publishing Company, New York, and, Deliverance Day – The Last Hours at Dachau by Michael Selzer; Lippincot, Philadelphia
These books describe how German prisoners were collected in groups, placed against a wall and methodically machine-gunned by American soldiers while some were still standing, hands raised in surrender. American soldiers casually climbed over the still twitching bodies, killing the wounded. Whilst this was happening, American photographers were taking pictures of the massacres that have since been published.
At Dachau, which was in the American zone of Germany, a shock force of American and Polish guards attempted to entrain a group of Russian prisoners from Vlasov's Army who had refused to be repatriated under the new American ruling.
GERMAN TREATMENT OF POWs FAR MORE HUMANE
By contrast the German armed forces behaved impeccably towards their prisoners-of-war. "The most amazing thing about the atrocities in this war is that there have been so few of them. I have come up against few instances where the Germans have not treated prisoners

according to the rules, and respected the Red Cross reported respected newspaper The Progressive February, 4th1945.
Allan Wood, London Correspondent of the London Express agreed. “The Germans even in their greatest moments of despair obeyed the Convention in most respects. True it is that there were front line atrocities – passions run high up there – but they were incidents, not practices, and misadministration of their American prison camps was very uncommon.” Lieutenant Newton L. Marguiles echoed his words.
US Assistant Judge Advocate, Jefferson Barracks, April 27th1945. “It is true that the Reich exacted forced labour from foreign workers, but it is also true that, they were for the most part paid and fed well.”
“I think some of the persons found themselves better off than at any time in their lives before.” added Dr.James K.Pollack, Allied Military Government.
“What did the Germans do to get efficient production from forced labour that we were not able to do with Germans working down the mines? They fed their help and fed them well.” Said Max H. Forester, Chief of AMG’s Coal and Mining Division in July 1946.

Piles of Corpses at Dachau, Buchenwald Were Dead German Soldiers Staged for Propaganda by Jews in US Military.In 1977, during a visit to New York and Cape May, I recounted the story of the trainload of dying German prisoners to two former US officers. They had both been stationed in Heidelberg shortly after the war and they knew all about it. They agreed that the cattle cars were filled with captured German soldiers who were infected with typhus and dysentery.On a sunny day in mid-June 1945, I hopped on a freight train and went to Erfurt. The train stopped about a kilometer and a half before the station, so I shouldered my rucksack and began walking toward the station. I soon noticed a freight train of about 20 cattle cars sitting on a side track. A bad odor was coming from that direction. As I came closer I saw hands protruding from ventilation holes and heard sounds of moaning, so I crossed several tracks and approached the cattle cars. The people inside noticed me and began crying “Water, comrade, water!” Then I reached the train and recognized the terrible stench of feces and rotting corpses. The sliding doors and ventilation holes were crisscrossed with barbed wire securely nailed. Urine and partially dried feces oozed from under the sliding doors and between the boards….They were in fact unwitting extras in a movie being made by Alfred Hitchcock, the Hollywood horror-film specialist. He had been awarded a contract to make a movie about concentration camps for the Nuremberg tribunal.

**During the 1990's, several Jewish survivors of Auschwitz testified that they knew nothing of any "gas chambers" – with one man claiming the "gas chamber" story was a propaganda myth.**

After testifying in defense of Canadian "Holocaust Denier" Ernst Zundel; three-year Auschwitz inmate and noted writer Joseph Burg was disowned from the Jewish community for stating that there were "no gas chambers" at Auschwitz.

When Burg died, Zundel had to have him buried at a Catholic Cemetery.

I was shocked by it, as if it was a new revelation. My school district was ridiculed for holding on to the old books that were published shortly after World War 2, but I think and have thought for years that SOMEONE in my school district knew that the new books were packed full of lies, and have never felt cheated over having such old books in school. After all, how much more accurate can you get than having something that was published when it happened, rather than later, when manipulations have taken place?**

## Human fat wasn't used by Nazis, Israel's Holocaust Museum says

Reuter

JERUSALEM

Israel's Holocaust Museum, rebutting a common belief, said yesterday that the Nazis never made soap from human fat of murdered Jews during the Second World War.

"Historians have concluded that soap was not made from human fat. When so many people deny the Holocaust ever happened, why give them something to use against the truth?" said Shmuel Krakoski of the Yad Vashem Museum.

Israeli Holocaust historian Yehuda Bauer said there is no evidence Nazi Germany used corpses for soap, although it did use skin for lampshades and hair for mattresses.

He said many Jews believed murdered families had been turned into soap because the Nazis themselves propagated the idea as "a sadistic tool for mental torture."

## Holocaust expert rejects charge that Nazis made soap from Jews

By IRSH ORGEL
Jewish Telegraphic Agency

TEL AVIV — Professor Yehuda Bauer, head of the Hebrew University's Holocaust history department and regarded as one of the foremost researchers of the Holocaust, has denied the frequently quoted charge that the Nazis used the bodies of Jewish death camp victims to make soap.

Yehuda Bauer

political science at the University of Vermont and a pre-eminent historian of the Holocaust, agrees that the soap rumor, although widespread, was probably unfounded.

"There were all kinds of rumors," he said, noting that a New York Times article during the war suggested that Jews were given lethal injections before deportation and arrived at the extermination camps already dead.

Other rumors speculated that Jews were killed in the Belzec camp by electrocution in winter, some thought that Jews were gassed in the trains.

"All of these rumors are untrue, based on nothing at all," Hilberg said. "No evidence has turned up" to suggest that the Nazis used human fat to make soap.

In Danzig, Germany (now Gdansk, Poland), pictures of dead, heavyset people cut into slices and a recipe for soap were discovered in 1945 at the Stutthof camp. "But we don't know that the bodies were of Jews, as the pictures and recipe were found in ashes," said Hilberg.

Moreover, the rumor was being circulated as early as 1942, according to documentary evidence.

"It's fairly reliable that the story was circulated, but I can't say whether or not it is true," said Hilberg.

JTA staff writer Elana Newman in New York contributed to this report.

Auschwitz bombing Raid

POLAND 1944 AUSCHWITZ BIRKENAU BOMBING BY US AIR FORCE - CONCENTRATION CAMP KONZENTRATIONSLAGER
The I.G. Farben plant at Auschwitz-Monowitz was first photographed on an American reconnaissance flight on April 4, 1944. When analyzing the aerial photos, Royal Air Force specialists identified various production facilities of I.G. Auschwitz as targets for strategic aerial warfare. Additional recon flights followed between late May and mid-August 1944. The first sizable bombing raid by the 15thU.S. Army Air Force on the plant buildings of I.G. Auschwitz took place on August 20, 1944. Because of the heavy escort of 100 P-51 Mustang fighters, only one of the 127 bombers employed was shot down. The attack inflicted considerable damage on the production facilities of I.G. Auschwitz. Monowitz prisoner Adam Szaller managed to escape during the strike. According to the testimony of Monowitz prisoner Siegfried Pinkus, “around 75 prisoners were killed” in this raid, and “more than 150 prisoners were injured, some only slightly, others seriously.”[1] Pinkus held the plant managers of I.G. Auschwitz jointly responsible for this, because they had forbidden prisoners to take cover in self-made shelters.

1979 - Auschwitz - An Unbiased Eyewitness Report - Thies Christophersen

There is not one authentic document in existence which places the overall losses of the Jewish population during the last war higher than 200,000. During one single night, in Dresden, more defenseless, innocent Germans perished-children, women, old people and especially wounded men-than Jews have died in all the concentration camps in the years of the National Socialist Regime!!! And in these Jewish total losses even

natural maths are included. Thus the losses, taken as a percentage and absolutely, are much below those of any other power taking part in the war: keeping in mind that the Jewish world organizations had already in 1933 declared a h o l y war on Germany to be fought to the death
At that time n o t a single hair on aJew's head had been touchedlYet, the world resounds with the clamour for the dead Jews. But no outrage is voiced about Dresden and the genuine figure of six million murdered East Germms. No voice is raised about the millions of murdered German and European war prisoners who had fought on the German side. No plaque tells us of the 105,000 Frenchmen who were murdered because they were pro-German. No days of remembrance are held for the Dutch, Danes, Belgians, Norwegians, Rumanians, Russians, Cossacks, Ukrainians, who were slaughtewd in a most bestial manner for having worked or fought on the German side. They wanted to save Europe from Bolshevism or, in
IV
some cases, German control was probably considered to be the lesser evil. An employee of the present German Postal Service can be dismissed on the spot if he denies that Jews were gassed. This strange concept, of 'justice' was supported by a court in Hesse which agreed that no employer needs to tolerate such utterances against Jews, which "cannot be surpassed . in their offensiveness." Every scoundrel though may freely boast today that he committed sabotage and treason against Germany.
One of the concerned readers asked me if I were not perhaps falling victim to a new kind of Anti-Semitism? On the contrary! I like to see the JeWs being treated the same as everybody else and n o t enjoy special privileges. These privileges, and the lies spread by certain Jewish World Domination Cliques are the cause of a new Anti-Semitism. Mr. Wiesenthal promotes more Anti-Semitism than i do. Every decent Jew will welcome our search for truth and therefore agree with this brochure. By publishing this sensational report we do n o t stir up nationalism or hatred, but merely serve the truth, and only the truth will make us and others free. Only injustice which was really committed can be made good or forgiven. Invented 'atrocity' stories will create new hatred and sow seeds of discontent without fail.
We are not so much interested here in running up and down the scale of losses and crimes, but first of all we are concerned about the spiritual recovery of our people. We have been accused of the worst crimes in the history of mankind: namely to have willingly started a global war, to have murdered millions of innocent people, and if we had had the time and opportunity, we would have eliminated also the rest of all 'subjugated' peoples.
One who can accept such an accusation without protest has neither heart nor brains! Now suddenly there are witnesses who stand up and say: All this is n o t true! Germany neither wanted nor started this war but has been forced into it by her deadly enemies. Hitler had no intentions to kill JeWs and never has hegiven any orders for their extermination nor for the destruction of any other peoples. There were no gas chambers. All these are the inventions of morbid brains. Nearly all of the so-called war crimes and concentration camp trials have been held with perjured witnesses and falsified documents.
A n y person who is accused of a crime will certainly be pleased when he is found n o t guilty, all the more so if it was proved that the crime in question had not even been commited.

We Germans should, therefore, rejoice when today witnesses do appear who can prove that Auschwitz was no death machinery, but an enormous armament factory and that the inmates of the camp were on the whole treated decently, and that any people from outside could visit the camp at any time. Most of our people react quite differently though. They behave as if one wanted to deprive them of their most precious post-war experience-their guilt complex. With claws and teeth they hang on to a German guilt. This is quite a unique phenomenon in the history of mankind. In any other people such a reaction would be unthinkable and can only bedescribed asa deep mental disturbance, asit is not normal that someone should insist on being guilty.
This is the real problem and the true reason for the publication of this brochure. .....

I never made a secret of my having been at Auschwitz. When asked about the destruction of Jews. I answered that l‘ knew nothing about that. I simply marvelled at how quickly the populace was willing to accept and believe the stories about these mass gassings, without any apparent resistance. As a result of a war injury in 1940 I developed a severe case of chronic sinus. The slightest cold p u t me back in hospital. The Autumn of 1942 brought an official medical finding: service on the home front. I filed: a request for furlough to attend a higher agricultural school and did so in 1942/43. Of course there is synthetic rubber. made from carbon. lime and sulphur. called “buna.” But without the addition of natural india rubber to the mixture, it cannot be produced as there is then no cohesion The Russians. in their attempt to become self-sufficient ( i n o u r case this was called preparation for war). had systematically searched their whole from for plants that contained india rubber . . . and found some .- among “ h e r s , one called Kok Sagis. a close relation of the dandu’on. The white latex in i t s roots contains india rubber. This became very important to carrying on the war. The motorized vehicles branch at HO had organized departments for the cultivation. utilization and research of plants with india rubber content. After a short training period I was sent to the Ukraine to supervise the planting and cultivation of india rubber bearing plants. I had never seen a Kok Sagis plant. but practical work and assistance from some Russian agrarians soon provided the necessary knowledge.

In 1943 we lost the Ukraine, and early in 1944 I was transferred to the department of plant cultivation at the Kaiser Wilhelm lnstitut. This institute had established a branch at Auschwitz, so I went there, and only on my way did I learnthat it was a concentration camp.

When relating my experiences at Auschwitz. I have some doubts as to whether I should mention names of former colleagues who today are still alive and ‘with whom I still maintain contact. I know that I myself must be prepared for reprisals for breaking the silence. I am now ready to accept these . . . and in part already have had to do so.

The first thing I noticed was the inscription over the gate “ARBEIT MACHT FREI". ("Work will set us Free"). I was surprised to see so many inmates of the camp walk around unguarded.” Later I learned that the camp, surrounded with an electrified barbed wire fence was under guard only at night. There were guards posted outside the grounds, however, who were pulled in at night after roll call.

I reported to my superior. Dr. A.. a fine-looking man with steel-blue eyes and reddish hair. He greeted me warmly.

I was curious about the camp and asked about the inmates. He said, “The Germans who are here belong here . . . apart from that it-is the European elite that is here." Later I discovered there was some truth to that statement. I was introduced to his co-workers. There was a former Czarist officer, an exile. who also spoke German and French. and

warming about his laughter and he was well liked by the inmates and he still corresponds with some of them today. Later on he had his wife and two young children join him.
I then moved to an apartment in a botanic building that had just been completed. This I shared with a scientist whose name I can mention; it was Dr. Boehme. He was shot and killed by Polish civilians who went wild after the capitulation. He had never harmed anyone and had been kindness and courtesy personified.
The first inmate I met was "Agnes." She was a member of the Jehovah's Witnesses and was our cleaning lady. I questioned her about conditions at the camp but she would not speak about them. Not so Mrs. Pohl who was in control of the kitchen. She also was a student of the Bible and made up flyers which she distributed to the inmates. Actually. this was against the regulations. but it wasn't my job to watch the inmates. Apart from that. her publications seemed harmless to me. and I had always been tolerant in matters of religion. Even now I cannot deny Jehovah's Witnesses a certain measure of respect, for they were willing to have themselves locked up and suffer for their faith simply because they wanted to suffer. There was no need to watch them and they were free to move even beyond the line of posted guards.
In our camp about 300 women were housed in three barracks. They. were made up of a select type of worker who worked almost exclusively for the department of plants.

For the most part they were Jewish and Polish with a sprinkling of French. All spoke German quite well and many had an academic degree. Their work was of a scientific nature and they were quite s e l f sufficient In fact. it was not I who was training the inmates. they were training me. and they did so with a certain pride. in fact. I might almost say. with an air of self--importance. At any rate. I had the impression that the inmates performed their research tasks gladly and with enthusiasm.

9

The cultivation of plants proceeded on a basis of select-Ivity. The roots of the plants were examined as to their india rubber content and reproduced through seedlings. Their seeds were carefully gathered and re-sown. Sabotage could easily have been committed but we never learned of even a single instance. It must be mentioned, however. that the inmates did not trust each other. There was that ancient feeling of hate between Jews and Poles. Compared to this hate. so-called National Socialist hatred of the Jews was quite harmless.

The results in increased india rubber production were quite satisfactory. One of our superiors went to Russia. and returned with a number of scientists. They came with their families and worked for us as civilians. enjoying their work. - Russian a g r o n o m i s t [ o n left) and the author.

A sort of drama developed with the arrival of one Russian agronomist J Sassmoshek. He found a former sweetheart among the inmates and this re-union had its natural effects. Sassmoshek married the woman and she was released from her internment. After the evacuation from Auschwitz, I saw them again at Halle and both were radiantly happy. i myself was not so happy at the time, I had just been through that terrible air raid of February 13th on Dresden.

That the officers with whom he came in contact were amicable and reticent, like thme at Oranienbum and Ravensbruck. That he saw many groups of men and women in small working commandos. That the British Red Cross "Insider" was a member of the British Commandos and that he mentioned to the Red Cross delegate he had heard rumours of as chambers. However. the Red Cross delegate after careful inspection, could not verify these rumours.

“Kansda” was kept under guard at all times to prevent looting from the outside. in our weather station we had a female SS-worker who. on one occasion. “organized" a pair of stockings for herself from “Kanada”. She was court-martialled for “plundering”. However. the inmates themselves. who worked there. stole constantly.

Surprising to me was the elegance of the inmates' wearing apparel. Their outer garments did. of course, consist of uniforms, but all other apparel, including shoes. was of the finest quality. nor was there any lack in beauty care, and make-up was all part of the female dress. Every Saturday our women were sent to the main camp for an exchange of laundry and they brought back alluring bits of booty. which were then distributed among the inmates. It was a type of theft that I think was being quietly tolerated.

This fact alone, that we were able to have our relatives visit us at any time, should prove that the camp administration had nothing to hide. Had Auschwitz been the death factory it is reputed to have been. such visits would certainly not have been permitted. Formalities, such as even today are required for a visit to. that prison camp. otherwise known as East Germany, were not required at Auschwitz. We were a young married couple and had notseen too much of each other in our marriage. I met my wife at the railway station. She wore wooden sandals without stockings and a kerchief over her hair. It was war time and elegance was a luxury we could not afford.
At that time i had a new cleaning lady - personal maid would have been a more fitting title. Olga! Olga was Polish. She was a factotum. But there was something touching about the solicitous care with which she took my affairs in hand. There were always flowers in my room: always a clean table cloth and clean curtains. and somehow she always managed to have a surprise for me.
She had taken special pains in getting my room ready for my wife's visit. Above my bed she had attached a pray-

that! Actually. her care was a bit overpowering, but l had to accept since I didn‘t want to hurt the concerned soul that she was.

During my wife's visit._work was commenced on the India rubber fields and I did not have too much time for my visitor. but she had the best possible companion in Olga. who could talk like a waterfall. My wife felt she should compensate Olga for her thoughtfulness and bought her a small gift. The result was that when I took my wife to the railway station for her trip back home. I hardly recognized her. She was dressed in new clothes from head to toe. Olga had "obtained" everything for her. even a brand new suitcase. My wife had brought me a few delicate morsels saved from her own meager rations. among other things, a piece of

butter. Olga managed to make fried potatoes for me evenings and strangely enough there was no end to the butter. Care packages arrived daily and Olga felt duty-bound to include me in the distribution of this bounty. The inmates at Baisko never went hungry. and any new arrival looking somewhat undernourished. after only a few days seemed to have a “smooth fur."

TheDeath Camp

“The death camp was not in Auschwitz. it was at Birkenau." This is what I heard and read after the war. Well. I was also in Birkenau. This camp I did not like. It was overcrowded and the people there did not make a good impression on me. Everything looked neglected and grubby. I also saw families with children. It hurt to see them. but I was told that the authorities felt it kinder not to separate children from their parents when the latter were interned. Some children played ball merrily enough. Still. I felt children did not belong there and the fact that the English had done likewise - in the Boer War. for instance. was a poor excuse. i said so to my superior. His answer: "I agree with you. but I can't change it."

I had been commissoned to pick 100 workers for hoeing the Kok-Sagis plants. At roll call the inmates were asked if they were interested in this kind of work and if they had done it before. Then followed the “selection" of the workers. This “selection" was later completely misinterpreted. The purpose was to give the inmates something to do and they themselves wanted to be occupied. Selecting them meant no more than to inquire about their inclinations, their capabilities. and their physical state of health with regard to the work they were to do.

The fact was, however. that in Auschwitz there were more people than were jobs. Naturally, I was concerned with getting workers who had experience on farms. Jews. of course, were not experienced for any kind of farm work. whilst on the other had, Poles were excellent farm workers. Gypsies were entirely useless. Detachment 11 - that was the name of our female workers from Birkenau - came every day to work in the fields that lay beyond the outer line of posted guards. i dealt with these people almost daily and listened to their complaints. On one occasion I saw an SS-guard kick a woman. I confronted him about this. He claimed

1Women Inmatesworking Kok-Sagls fields. Note absence of guards and standard attire of women.

that the woman had called him a Nazi pig. but the fact was that he had first insulted her. I reported this case and the SS-guard was sent to “Strafbataillon” in Danzig. From this day on, my favor with the inmates rose significantly, especially with those in Detachment 11. They often came to me

16

with requests or complaints and I did whatever I could for them. because to me they were not enemies. they were

simply interned. Often. I did favoursfor them that were against the regulations. Their greatest joy was for me to take them for a walk down to the river Sula. where on those hot summer days of 1944 I allowed them to go bathing. Apart from all else. the hoeing-detachment from Birkenau was a merry bunch. They sang their Polish folk songs while working and the gypsies danced to the melodies. In the beginning. I was quite upset and worried about the undernourished appearance of some of the inmates. Then I learned that they had arrived in rather poor physical shape and it took some time before they had padded themselves with some extra poundage. Often I shared their common noonday meals and fared well doing so.

But Detachment 11 also had a secret supply source. The most wonderful

things were found by them in unknown hiding places. In the night these were replenished by friends of the inmates. Sometimes these friends even donned inmate attire and marched into the camp. allowing an inmate to take a few days off. Auschwitz was located in Poland and the populaton helped the inmates as much as possible. though this was officially not permitted.

The occupation troops, but especially the so-called civil administration, often roused the antagonism of the population. as was well-known. One measure I decidedly diSapproved of was the expropriation of land from small farmers. They had to give it up for agricultural use by the concentration camp. I was told. however, that they were compensated for their property on the same basis as land expropriated from Germans for the construction of autobahns. I also did not like the resettlement measures that were carried out, but I was told repeatedly that these were never forced on anyone. Curtailment of freedom is hard, but war is tough and it became increasingly tougher for us too. In the fall of 1944. for the first time. the camp at Auschwitz was bombed by American planes. There were about 20 victims among the inmates. I myself had lost faith in victory after the successful landing at the English Channel. Reports from the front became more and more ominous. and the inmates too were well informed - the devil knows through whom.

In our area the inmates were looked after now just as well as they had been before. Once a week a film was shown. Camp supervisors and inmates jointly saw. among others. the film "Muenchhausen" and the “Golden City." Church services were held in community halls. I attended several myself and found them to be quite solemn. especially those of the Russian Orthodox Community. to which our Russian civilian workers also belonged. A theater group had been organized by the inmates and one evening they

invited us to a performance of "Faust." Professional actors could not have produced a better show.
As for myself. I would have liked to take some more time off for studies but the war situation was serious and chances were poor. It was suggested that I take a correspondence course. and I sent away for books. An inmate. a Jewish female doctor from Prague offered to help me cram. and she did so every afternoon. This was possible in Raisko.
18
The Jews were intelligent and so far i I got to know them in Auschwitz. quite nice too. In the sunroer my motier came nr a visit and stayed several days. i' course, a l i t friends'o'o do relopc'i between her and ilga. One. evening my mower asked abou. "he crematorin where corpses were Supposed n be burned. I n e w noth g about this, st I asked Olga. She éwld not tell me anythin refinite either. She did intimate. however. that around Bieli here always wis what seemed to be a reflection against 6 sky. as if frcr. _afire.
So i went in the direction of Bielitu d there found a mining camp in which some inmates also Crked. I travellelaround the entire camp and examined all . r 3 grates and a i smoke stacks, but found nothing. I asks ny colleagues: he answer . . . a shrug of the shoulderu d "don't pay art attention to those rumors." Actually here was a cren atorium in Auschwitz, I was told. for ther v ere 20,000 peop' there and any city of that size has rrematorium. Of :ourse people died here as they did eeNhere. but not l i l y inmates at the camp. The wife of in of our supervisns had also died here. As far as l was unzerned. that was 0 0 t h of an answer.
During all the time i was . Auschwitz l n e v e l n the least observed anything that en indicated mass kil i gs in gas chambers. Also the story 0f a smell of burned flesh that allegedly hovered over the car- at times was an infamous lie. In the vicinity of the ma' :amp there was a smithy where horses' hooves were sh l. The burning of the horses' hooves when fitting them with shoes naturally caused an unpleasant smell. Incidentally the man who was in charge of this particular smithy at that time. now lives in a neighboring village
As a matter of fact. can regulations became nore generous all the time. In the main camp there was a brothel for the men. Love is something human ifter all. and was not withheld from those who were interns. Of course there were also relationships among the
19
inmates. i doubt that the so-called "house of pleasure" was a deterrent. The fact that such houses did exist for the inmates in Auschwitz was completely ignored in all" post-war reports. An admission to such a brothel was a kind of reward for good behaviour. There were also some inmates who flung their ticket into the Kapo's face. Hats off to them. I say. for that to me was a special show of good behaviour.

Olga loved to constantly chatter "and her continual gossiping. rumouring and wondering as to whether or not Corpses were being burned (whilst I knew for sure there was no such happening) finally got on my nerves. This, plus ‘ her almost slavish servitude, brought us to a parting of the ways. She was given a new job. one i did not begrudge her. She was made “overseer" in the women's camp and it was her job to keep out men who had no business there. Olga had a gift for "raising hell" and could scold so beautifully that it was a joy to see her eject males from the female camp. Her fellow inmates called her “Zerberus”.

Good old Olga. sometimes I wonder what became of her. She didn't want to return to a Communist Poland -- almost none of the inmates wanted that. not even the Jews. Many of them even prayed for a German victory. From a colleague. whom i visited recently. l learned that quite a number of them are in the US. He still corresponds with some. Some were also willing to testify on behalf of SS Officers at their trials but were denied this privilege by Allied and especially by West German authorities. These reports were publicized by the “right wing" press at the time.

had a great many Inspections at Raisko. but the people who came were largely interested In plant cultivation. I was often involved in these tours. Although it was actually not permitted that inmates converse with visitors. they did explain their work to them.

Visiting delegation.

At the time we experimented with colchezin. This is a poison of the Autumn Crocus (colchium autumnale]. With the aid of this poison we developed a plant with twice its number of chromosomes. Such plants tended to grow into giants. but at the cost of fertility. The collection of plant seed therefore still played an impertant role. but the harvesting of the seed was not exactly simple. because the reproduction device of this plant was similar to that of the dandelion. With the aid of some talented mechanics and Russian agronomists. i had begun to construct a harvesting machine. Some Russian agronomists worked with a so-called "Iongalvanization" method. For this purpose. the inmates

built tools that worked with ultra short waves. The material for these I picked up at a shop where planes that had been brought down were dismembered. The inmates also found material there with which they could build small radios. These of course they could not take into the camp I myself learned to build radios at Auschwitz. My teachers were the inmates and they supplied me with everything I needed for a small receiving set.

At Auschwitz we did not of course only cultivate plants. lnnumerable research tasks were carried out. Because of the availability of workers there. more and more research work was being delegated to Auschwitz. At that time the place was also fairly safe from air attacks. About every two weeks the SS officers met for a casino night. On these occasions, department leaders spoke about their particular field of work. I heard many interesting lectures there and I do not recall anything that might have been offensive. Later on I heard that experiments were supposed to have been carried out on living human beings. I remember having listened to a lecture on the development of the embryo in the womb of the mother under various kinds of diet. Whether these women had to carry and give birth to a child while subjected to starvation diets. I cannot say. We were told. however. that these experiments produced valuable insights into the dietary care of pregnancies. Reports on experiments of newly developed medicines carried out on inmates do not appear plausible to me. A medical doctor at Auschwitz told me that new medicines were given to people only when experiments on animals were concluded. This practise is still carried on in all civilized countries.

After the war i saw a TV film about Auschwitz that showed a building with huge smoke stacks. i am very sorry, but when i left the camp at Auschwitz in December 1944.'i did not see this building. I cannot imagine that these smoke stacks were built in the cold winter of 1944/45. but i suspect that these structures were erected after the war. It also seems implausible that. if they should have existed. the SS did not destroy them. During the past few days i have heard a report on the radio according to which 4 million people

are supposed to have been shot at Auschwitz. it is an
22
absolute certainty that no people were shot at Auschwitz.
because this we would have heard. I do. however. recall one
occasion when there was great excitement in the camp. A
rumour was being spread that hostages were to be shot. This
type of revenge is the most despicable I can think of be-
cause it hits innocent people. That it did take place - on
either side - is quite likely. If for every bombing victim
an inmate should have been killed. none of the 200,000 in-
mates would have left a concentration camp alive. On this
basis. considering that Auschwitz was in operation only four
years, one million people a year or 3,000 per day would have
had to die. Just what would a crematorium look like in which
3.000 corpses were burned every day? Even mass graves
on this order could not be kept secret
Yet the German people continue to believe in these
mass murders. Why? We who know the truth. have we not
burdened ourselves with an awful responsibility? Why did
we keep silent for so long? I shall try to answer these
questions.
1. We have not kept silent at all. There was no one
who wanted to hear our reports. no paper wanted
to publish them. no publisher print them.
2. Even today there are still enough witnesses aliVe
who could verify my statements and make similar
ones of their own. What we need. however, is an un-
biased constitutional state. To tell the truth is tan-
tamount to social ostracism and financial suicide.
3. I cannot say that I am tired of life. but my life's task
lies behind me; my children are taken care of. and
my wife should receive her well-earned pension at
65.At least. I hope it will not be withheld from her if
something should happen to me.

HOLOCAUST DEPROGRAMMING COURSE
According to Judge Edward L. Van Roden's book American Atrocities in Germany, out of 139 cases of treatment of
alleged German "war criminals" that were investigated by the commission (who were put on trial by the American Military
Tribunal in Dachau after World War II), 137 were tortured by having their testicles crushed.Other methods used by the American interrogators included brutal beatings, placing a hood over the prisoner and
punching them in the face with brass knuckles, breaking jaws, knocking out teeth, starvation rations, and solitary
confinement. The prisoners were then presented with prepared statements to sign, "confessing" to various crimes.

The Red Army's atrocities against women in Dresden in the spring of 1945, a city that had already suffered heavily from Allied bombing, were carried out in a sickeningly systematic manner. 'In the house next to ours, Soviet troops went in and pulled the women on to the street, had their mattresses pulled out and raped the women,' recalled one inhabitant, John Noble. 'The men had to watch, and then the men were shot. Right at the end of the street, a woman was tied to a wagon wheel and terribly misused. 'Of course, you had the feeling that you wanted to stop it, but there was no possibility to do that.' Women going to and from work past Red Army pickets were routinely raped. The historian Chris Bellamy believes that although there are no surviving written records to prove it, 'the hideous spectre of multiple rape was not only condoned, but, we can be pretty sure, legally sanctioned by the political officers speaking for the Soviet government'. Nor is it true that rape was mainly carried out by reserve units following behind the front-line troops. The Russian war correspondent Vassily Grossman was embedded with the elite front-line Eighth Guards Army which committed rape, as did at least one of his own war correspondent colleagues. As well as the estimated two million rapes in Germany, there were between 70,000 and 100,000 in Vienna and anywhere from 50,000 to 200,000 in Hungary, as well as thousands in Romania and Bulgaria, which had been pro-Nazi, but also in Poland, Czechoslovakia and Yugoslavia, which had not been.

Both during and after the war, the Allies tortured German prisoners. In one British center in England, called “the London Cage,” German prisoners were subjected to systematic ill-treatment, including starvation and beatings. The brutality continued for several years after the end of the war. Treatment of German prisoners by the British was even more harsh in the British occupation zone of Germany. At the US internment center at Schwäbisch Hall in southwest Germany, prisoners awaiting trial by American military courts were subjected to severe and systematic torture, including long stretches in solitary confinement, extremes of heat and cold, deprivation of sleep and food, and severe beatings, including kicks to the groin.According to revelations by members of the House of Commons, about 130,000 former German officers and men were held during the winter of 1945-46 in British camps in Belgium under
At that time (End Of WW2) German POWs (Especially those from the Waffen SS) were brutally tortured. After the Second World War, the Allies wanted to extort by torture,(for example, destruction of the testicles) confessions to bring Germans to the gallows and to collect arguments for the re-education of the German people. Among others are the so-called confessions in Malmedy process.
All practices of medieval torture methods were used. As an example, because of alleged involvement in the shooting of Allied airmen the sergeant accused Schmitz who vigorously denied what the interrogators wanted. "Fisher began to rage ... He put the gun to Schmitz's temporal and called again for another statement. Schmitz said nothing. And then the blows rained down with the gun over his head, the lieutenant hit him several times on the face. With a bloody nose and burst scalp Schmitz was returned to his solitary confinement. Pointner, Witzke and Albrecht had previously been treated with the same methods for many weeks They signed what was presented to them the next day.
(KW Hammerstein, "Landsberg - executioner of the law", Wuppertal, 1952, page 104)
One of the most notorious was the infamous Major Abraham Levine.Most found that the interrogations took place only in the evening or at night. Fisher and Levine tortured the

prisoners. About the methods in Landsberg reported KW Hammerstein. 'Sometimes the condemned in Schwitzzellen were kept in rooms with 80 degrees temperature in order to 'burn'.

General Mohnke
As for Malmedy, it was no massacre at all; I have spoken to many comrades who were there. The Americans were a bunch of undisciplined cowboys who tried to pick up the fight after seeing the confusion of the guards. Some grabbed guns and started to run, then were fired on, causing others to open fire on the whole group. A tragic mistake caused by the undisciplined Americans who invited return fire which hit standing soldiers. Again, there were no orders to shoot prisoners, only to treat them well and care for their wounds as best we could.

Documented Torture of German POWs Before the Nuremberg Trials.
Baron Paget of Northampton wrote in his book titled “Manstein: His Campaign and His Trial” (published by Collins in 1951) on page 109:
[The US Simpson Inquiry Commission] reported among other things that of the 139 cases they had investigated, 137 had their testicles permanently destroyed by kicks received from the American War Crimes Investigating Team.
Pennsylvania judge Edward L. Van Roden – member of commission investigating accusations by Colonel Everett reported that Germans did not receive fair trial, wrote in his book “American Atrocities in Germany“:
Our investigators would put a black hood over the accused’s head and then punch him in the face with brass knuckles, kick him, and beat him with rubber hose. Many of the German defendants had teeth knocked out. Some had their jaws broken. All but two of the Germans, in the 139 cases we investigated, had been kicked in the testicles beyond repair. https://rudolfhoess.wordpress.com/

There was international criticism of Hitler I remember reading. Many in the Party countered that if the world really cared about how priests and clergy were treated, then they would have spoken up for all those killed by the Bolsheviks in Russia and other parts of Europe in revolutions. I remember thinking that was true, the Bolsheviks in Russia and Spain attempted to eradicate the Church. I met an exiled Russian priest while in Finland and he confirmed that during the revolution of 1919 the Bolsheviks rounded up all christians they could find who opposed them, and killed them. I knew Hitler's party was not lying about this after speaking to him. We had soldiers in the Spanish Civil War and I had a comrade who was there in 1937 and he spoke of seeing nuns who were tied up and shot in the back of the head. One, he recalled, had her rosary stuffed in her mouth. The behavior of the communists was disgusting and alarming. I saw some of this in the east as well while I was a soldier.

Spanish Civil War and American Communists.
The enlistees were then sent to New York, where they embarked for France. There the Blum government gave them arms, after which they were smuggled through the Pyrenees mountains under cover of darkness. Many never came back.Those who returned were made heroes at specially plan-ned home comings. Elaborate parties were given them at New York. Here the most brazen experiences in sexual promiscuity ever produced by human degeneracy were publicly related.Under the influence of liquor, these returning soldiers of the revolution poured out to gleeful listeners, their unspeak-able, barbaric adventures in Spain.They told of raids on convents, where every nun would be repeatedly raped by alternating red beasts until dead. Then their bodies would be piled high, like cordwood, in public places. After being swathed in oil, the torch was applied, and the stench of burning flesh became a sweet odor to the nostrils of these half-crazed Communists.Returning comrades told of their vandalistic destruction
of church property. Some displayed rosary beads and other ornaments stolen from the bodies of Priests whom they had
slain. Protestants, though fewer in number, suffered in proportion. I shall never be able to erase these horrible atrocity stories from my memory. Would to God that I could. P39

Adolf Hitler - Great speech to the German Reichstag Berlin, July 19, 1940

All of this-as I said-need not have happened. For peace was all I asked of France and England in October. But the gentlemen war profiteers wanted a continuation of this war at all cost. They have it now.I myself am too much a soldier not to comprehend the tragedy of such a development. Still all I hear from London are cries-not the cries of the masses, but of the politicians-that this war must now, all the more, be pursued. I do not know if these politicians have an inkling of just how this war is in fact to be pursued. They declare that they will continue this war, and should England fall, then they will do so from Canada. I do not believe this means that the English people will all emigrate to Canada, but rather that the gentlemen war profiteers will all retreat to Canada by themselves. I fear the people will have to remain behind in England. And, assuredly, they will see the war with different eyes in London than their so-called leaders in Canada.Believe me, my Deputies, I feel an inner disgust at this type of unscru-pulous parliamentarian annihilators of peoples and states. It is almost painful to me to have been chosen by Providence to give a shove to what these men have brought to the point of falling. It was not my ambition to wage wars, but to build up a new social state of the highest culture. And every year of war takes me away from my work. And the cause of this robbery is those ludicrous zeroes whom one could at best call nature's political run of the mill, insofar as their corrupted vileness does not brand them as something out of the ordinary.
Mr. Churchill has repeated the declaration that he wants war. About six weeks ago now, he launched this war in an arena in which he apparently believes he is quite strong: namely, in the air war against the civilian population, albeit beneath the deceptive slogan of a so-called war against military objectives. Ever since Freiburg, these objectives have turned out to be open cities, markets, villages, residential housing, hospitals, schools, kindergartens, and whatever else happens to be hit.

Adolf Hitler-An Overlooked Candidate For The Nobel Prize
If anyone deserved the Nobel Peace Prize, it was Adolf Hitler. Hitler did not want war. World War II was forced on Germany. Poland was encouraged to attack Germany by the promises of British Ambassador Sir Howard William Kennard and French Ambassador Leon Noel. They promise unconditionally that England and France would come to Poland's immediate aid should she need it in case of war with Germany; therefore, no matter what Poland did to provoke Germany's attack, Poland had an assurance from England and France. With this guarantee, Poland began acting ruthlessly. In addition, Kennard andNoelflattered Poland into thinking she was a great power.As the Chinese proverb says, "You can flatter a man to jump off the roof." They sabotaged the efforts of those Polish leaders who wanted a policy of friendship with Germany.

Put out in embryo any attempts to contrapose us against the society. Destroy the anti-Jewish tendencies at the very beginning whatever form should they appear. Fascism is not an accidental phenomena. It appears everywhere where we underestimate the strife of the local people for mastering over their land. Fascism is dormant and is ripening in all peoples. 'The Jew as Criminal' by J. Keller and Hanns Andersen intro by Julius Streicher 1937 as Pdf
These facts indicate that President MacKinley fell victim to the Anarchist-Jewish clique, led by the Jewess Goldmann and her accomplice Czolgosz, who liquidated their "sentenced-to-death" target with as much coldness as calculation. But who still remembers that the founder of the German Reich, Otto von Bismarck, but for a narrow margin, would have likewise fallen victim to a Jewish murderer? [167] The assassin who attempted Bismarck's life (1) was the Jewish student Ferdinand Cohen, a step-son of the democratic

writer Karl Blind, who was then living as an emigrant in London, and who had a leading role participating in the Baden revolt of 1849. The murderous attack took place shortly before the outbreak of the Prussian-Austrian war, in which Bismarck was seen as the most hated man in Prussia, above all as a consequence of the conflict with the Landtag [state legislature]. When, on the afternoon of 07 May 1866, after a talk with King Wilhelm I on the central promenade of the "Linden," he returned
to his apartment on the Wilhelmstraße, Cohen, who was at the corner of Shadowstraße, shot twice at the unsuspecting man from behind and
at point blank range; only one bullet grazed him on the side -- and, as Bismarck quickly turned around, he shot a third time. That shot wounded him lightly in the right shoulder. After Bismarck succeeded in seizing Cohen by the right wrist, the latter switched the revolver to his left hand with lightning speed and fired twice more; the first of the two shots missed Bismarck, but the second bruised his ribs. As if by a
miracle, Bismarck remained almost unscathed .

On the Jews and Their Lies, Martin Luther (1543) Pdf
P45 Therefore, dear Christian, be on your guard against the Jews, who, as you discover here, are consigned by the wrath of God to the devil, who has not only robbed them of a proper understanding of Scripture, but also of ordinary human reason, shame, and sense, and only works mischief with Holy Scripture through them. Therefore they cannot be trusted and believed in any other matter either, even though a truthful word may drop from their lips occasionally. For anyone who dares to juggle the awesome word of God so frivolously and shamefully as you see it done here, and as you also noted earlier with regard to the words of Jacob, cannot have a good spirit dwelling in him. Therefore, wherever you see a genuine Jew, you may with a good conscience cross yourself and bluntly say: "There goes a devil incarnate."

The English contingent fighting in Spain for the Communists included Virginia Woolf's nephew, Julian Bell, who was killed, and Eric Blair, later known as GeorgeOrwell. He was in the front line for 112 days before being wounded. He later wrote "1984" a propaganda coup for the World Order which claimed no one would be able to withstand their power. Among those revealed to have benefited from slavery are ancestors of the Prime Minister,Jewish David Cameron, former minister Douglas Hogg, authors Graham Greene and George Orwell, poet Elizabeth Barrett Browning, and the new chairman of the Arts Council, Peter Bazalgette. Other prominent names which feature in the records include scions of one of the nation's oldest banking families, the Barings, and the second Earl of Harewood, Henry Lascelles, an ancestor of the Queen's cousin. Some families used the money to invest in the railways and other aspects of the industrial revolution; others bought or maintained their country houses, and some used the money for philanthropy. George Orwell's great-grandfather, Charles Blair, received £4,442, equal to £3m today, for the 218 slaves he owned.The British government paid out £20m to compensate some 3,000 families that owned slaves for the loss of their "property" when slave-ownership was abolished in Britain's colonies in 1833.

Spanish Civil War
Leftist Wikipedia claims in its article on Blum that he adopted a policy of neutrality regarding the Spanish Civil War. Despite that, Wikipedia in its article "Foreign involvement in the Spanish Civil War" states that the Léon Blum government provided covert military aid such as aircraft, pilots, and engineers to the Republican side, and other sources state that only pressure from internal and external anti-far Leftists prevented Blum from more extensive interventions. Despite its official policy of non-intervention, France sent far more volunteers to the Republican side than any other country.

"The inward thought of Moscow (the Jews) indeed appears to be that for twenty centuries while humanity has been following Christ, it has been on the wrong word. It is now high time to correct this error of direction by creating a new moral code, a new civilization, founded on quite different principles (Talmudic Principles). And it appears that it is this idea which the communist leaders wished to symbolize when a few months ago they proposed to erect in Moscow a Statue to Judas Iscariot, to Judas, this great honest misunderstood man, who hanged himself, not at all, as it is usually and foolishly believed, because of remorse for having sold his master, but because of despair, poor man, at the thought that humanity would pay for by innumerable misfortunes the wrong path which it was about to follow." (J. and J. Tharaud, Causerie sur Israel, p. 38; The Secret Powers Behind Revolution, by Vicomte Leon De Poncins, pp. 143-144)

"A Jew remains a Jew even though he changes his religion; a Christian which would adopt the Jewish religion would not become a Jew, because the quality of a Jew is not in the religion but in the race. A Free thinker and Atheist always remains a Jew." (Jewish World, London December 14, 1922)

"The Christians are always singing about the blood. Let us give them enough of it! Let us cut their throats and drag them over the altar! And let them drown in their own blood! I dream of the day when the last priest is strangled on the guts of the last preacher." (Jewish Chairman of the American Communist Party, Gus Hall).

"Israel won the war [WW I]; we made it; we thrived on it; we profited from it. It was our supreme revenge on Christianity." (The Jewish Ambassador from Austria to London, Count Mensdorf, 1918).

"The strongest supporters of Judaism cannot deny that Judaism is anti-Christian." (Jewish World, March 15, 1924)

"We shall drive the Christians into war by exploiting their national vanity and stupidity. They will then massacre each other, thus giving room for our own people." (Rabbi Reichorn, in Le Contemporain, July 1st, 1880)

“...if you really are serious when you talk of Jewish plots, may I not direct your attention to one worth talking about?... You have not begun to appreciate the real depth of our guilt. We are intruders. We are disturbers. We are subverters. We have taken your natural world, your ideals, your destiny, and played havoc with them. We have been at the bottom not merely of the latest great War but of nearly all your Wars, not only of the Russian but of every other major revolution in your history. We have brought discord and confusion and

frustration into your personal and public life. We are still doing it. No one can tell how long we shall go on doing it…" -Marcus Eli Ravage  Jewish Writer and Rothschild Biographer, The Century Magazine, A Real Case Against the Jews, 1928 p.347

According to British documents, located in the British Public Records Office at Kew Gardens in London, over 500,000 Croatian civilians and 200,000 soldiers were handed over to Tito's Yugoslav Partisan Army in May of 1945. Based on eyewitness testimony and independent documentation, we can only estimate that the vast majority were slaughtered.May 15th 2014 marks 69 years since the days after WWII ended hundreds of thousands of innocent Croats (disarmed soldiers, civilians including women and children, fleeing communist Yugoslavia into promised freedom in the West found themselves slaughtered over the ensuing two months by Tito's communists; the field at Bleiburg in Austria marks the central point where the slaughters began as the fleeing refugees were turned by the British forces into Yugoslavia, into the vicious and murderous hands of the communists, who dare to call themselves antifascists, under the pretence of forced repatriation.

In Italy, Moroccan mercenaries fighting with the free French forces in 1943 fought under contract terms that included free license to rape and plunder in enemy territory.
Many women in Italy were raped; the Italian government later offered the victims a modest pension in an effort to compensate the women for their trauma.They were pretty good at raping civilians too. The night after the battle for Monte Cassino was over and the Germans had withdrawn in good order, a division of Moroccan soldiers -- 12,000 of them

-- left their camp and swarmed over a group of mountain villages around Monte Cassino. They raped every village woman and girl they could get their hands on, an estimated 3,000 women, ranging in age from 11 years to 86. They murdered 800 village men who tried to protect their women. They abused some of the women so badly that more than 100 of them died.According to an Italian eye-witness, "……the brutally inclined Goumiers (Moroccans)had the lowest moral values of anyone associated with war in the European theater. They raped women, they raped men, and when they got through with them, they raped animals.

***Although most of the millions of German girls and women who were ravished by Allied soldiers were raped by Red Army troops, Soviet soldiers were not the only perpetrators. During the French occupation of Stuttgart, a large city in southwest Germany, police records show that 1,198 women and eight men were raped, mostly by French troops from Morocco in north Africa, although the prelate of the Lutheran Evangelical church estimated the number at 5,000. / 9 “A nurse from Stettin, a young, good-looking blond, told how her father had been stabbed to death by Russian soldiers who, after raping her mother and sister, tried to break into her own room. She escaped and hid in a haystack with four other women for four days … “On the train to Berlin she was pillaged once by Russian troops and twice by Poles. Women who resisted were shot dead, she said, and on one occasion she saw a guard take an infant by the legs and crush its skull against a post because the child cried while the guard was raping its mother.***

“British and allied troops appearing as defendants in war crimes trials with brutal Serbs and former Red Army thugs is well overdue”, says 20th Century analyst, Michael Walsh. His research exposes allied genocide, enslavement and institutionalized ill treatment of axis prisoners-of-war both during and after World War 11.He says, “the scale of abuse of prisoners-of-war was contrary to the Geneva and other conventions to which Britain and its allies were signatories.

Dr.F.K.Wiebe-Germany The Jewish Problem 1939 ..

It has already been said that the projected creation of a National Home for Jews in Palestine will not afford a solution of the Jewish problem. What is needed, is to find territories,the ownership of which is not, as is the case in Palestine, claimed by others — territories which by virtue of a general agreement shall be allotted exclusively to the Jews. This need is reflected in the fact that even in England, the Mandatory Power, herself, the possibility of settling Jews in overseas territories is envisaged. P86

Henry Ford - The International Jew

This hostility will be still more accentuated as the result of crises which will close stock exchange operations and stop the wheels of industry. Having organized such a general economic crisis by all the underground means available to us, and thanks to the assistance of
gold, all of which is in our hands, we will throw whole crowds of workingmen into the streets simultaneously, in all the countries of Europe. These crowds will gladly shed the blood of those whom they, in the simpicity of their ignorance, have envied since childhood and whose property they will then be able to loot." All this, as the world knows, has occurred in Europe. The weapons first used were economic. The subjection of the people, the revolution, was first economic. The Jewish program profited by the split which Jewish ideas had been able to make between the upper and lower classes of "Gentile" society. "Divide and Rule," is the Jewish motto, as quoted in the Protocols. "Divide the working class from the directing class. Divide the Catholic and Protestant churches." In brief, divide Christendom on economic, creedal, social and racial lines, while the Jew remains a solid body, able because of his solidarity to handle a divided world. And this plan has succeeded. Out of the disorder of the World War look how high the government of Judah has been placed in Russia, Austria, Germany, France, Italy, England and in the United States.
All the Jewish bankers are still in Russia. It was only the non-Jewish bankers who were shot and their property confiscated. Bolshevism has not abolished Capital, it has only stolen the Capital of the GENTILES. P473

# HOLOCAUST IN DRESDEN "City Wiped Off The Map"

AAP And British Official Wireless

LONDON, March 4

Dresden was completely wiped out by the massive Allied air blows on February 14 and 15. Not a single building remains and tens of thousands of citizens are buried under the ruins, reports the German News-agency, in what Reuter's describes as the most revealing admissions of devastation ever to pass the German censorship.

The newsagency's war correspondent writes:—The Dresden catastrophe is without precedent. There were a million people in Dresden on the night of February 15, including 600,000 refugees from the east. Raging fires spread irresistibly in the narrow streets killing a great many for sheer lack of oxygen. Even identification of victims was hopeless.

"Two more British formations appearing on the blood-red horizon after midnight, spread further devastation and added to the holocaust. The town area is devoid of life and the buildings are beyond reconstruction. Dresden has been wiped from the map of Europe."

Dresden.
Bomber Harris (Harris is a Jewish name)

A Swiss citizen described his visit to Dresden two weeks after the raid:- 'I could see torn-off arms and legs, mutilated torsos and heads which had been wrenched from their bodies and rolled away. In places the corpses were still lying so densely that I had to clear a path through them in order not to tread on arms and legs.'

On the 70th Anniversary of the Dresden Holocaust, former British POW, Victor Gregg, recalls what he describes as the Allies “Pure Evil” attacks on the civilian and refugee population of Germany.
As a prisoner of war held in Dresden, I still suffer the memories
of those terrible events and my anger refuses to subside.

(Victor Gregg)

I wasn't new to murder and bloodletting. I had enlisted two years prior to the outbreak of the second world war and by the time I was 21 I had taken part in one major battle and various smaller ones. I had been in fights where the ground in front of me was littered with the remains of young men who had once been full of the joy of living, laughing and joking with their mates. As each year of the war went by, the fighting got more ferocious, new weapons were introduced and fresh young men became the targets. How I remained a sane person through all this I don't know.
Then came the evening of the 13 February, 1945 – 68 years ago this week. I was a prisoner of war held in Dresden. At about 10.30pm that night, the air raid sirens started their mournful wailing and because this happened every night no notice was taken.
The people of Dresden believed that as long as the Luftwaffe kept away from Oxford, Dresden would be spared. The sirens stopped and after a short period of silence the first wave of pathfinders were over the city dropping their target flares.
As the incendiaries fell, the phosphorus clung to the bodies of those below, turning them into human torches. The screaming of those who were being burned alive was added to the cries of those not yet hit. There was no need for flares to lead the second wave of bombers to their target, as the whole city had become a gigantic torch. It must have been visible to the pilots from a hundred miles away. Dresden had no defences, no anti-aircraft guns, no searchlights, nothing.
My account of this tragedy, Dresden: A Survivor's Story, was published on the day of the anniversary this week. I gave a number of interviews around the publication, in which

I insisted that the affair was a war crime at the highest level, a stain upon the name Englishman that only an apology made in full public view would suffice to obliterate. Many – including some writing comments underneath articles on this site – have criticise me for this. Reading through the criticisms I have to admit that some of the things I have written have caused many people some hurt, but to these people I would say that as a person I still suffer at times the memories of those terrible events.

From being regarded as some form of hero on the one hand, to a Nazi supporter on the other, has taught me that there are so many sides to any question. I have learned to try to understand those who disagree with my outlook. Like Kurt Vonnegut in Slaughterhouse-Five,I wrote as I witnessed. I have no axe to grind. I just sat down and tried to empty my mind and clear away the residues of the nightmares that I still occasionally suffered from. My justification for still harbouring these attitudes is the events in European history since the ending of the second world war. The massacres in Bosnia at Srebrenica, the hurling of Tomahawk missiles by British naval cruisers into the centre of an inhabited Benghazi, the manner in which as a nation we still tend to be sympathetic to the use of superior aircraft strength to bomb overcrowded refugee centres. These are the reasons my anger has refused to subside.

Perhaps I should be more realistic and knuckle down to the concept of the brutality of the human race, but I have always been a stubborn individual. I am not a diplomat. I just happen to have witnessed the worst that man has to offer and I like it not one bit. Bearing in mind that I care deeply about the future of all my children and grandchildren, please allow me to express my anger.

.. Between 7:50 and 8:12 p.m. local time on February 23, 1945, RAF aircraft dropped 1575 tons of high explosive and incendiary bombs on Pforzheim, setting off a firestorm that is widely seen as one of the most devastating in military history. According to official statistics, 17,600 people died, and tens of thousands of others were injured. The market square and old town area were destroyed and completely depopulated. In the entire city, over 80 percent of the architecture that existed in 1945 was defaced, making Pforzheim, proportionally speaking, the worst instance of destruction at

# the end of WWII. The Allied bombardments of Dresden and Hamburg have been well documented and remain in the public consciousness today, both in Germany and abroad. But Pforzheim doesn't.

Had "anyone" known, Stephenson would have had to be arrested and deported. German sailors were being deliberately murdered by Stephenson's provocateurs in New York as acts designed to force Hitler to declare war against the United States. The INTREPID file in SOE (Stephenson's cover name) described it as "a reign of terror conducted by specially trained agents and fortified by espionage and intelligence in Occupied Europe." Every act of Donovan and Stephenson was a violation of American neutrality.P.99

According to Bacque, given the extraordinarily harsh conditions imposed upon them by the Allies (i.e., the British, French, Soviets, and Americans), at least 9.3 million and possibly as many as 13.7 million Germans, had, by 1950, needlessly died as a result.A Review of James Bacque's "Crimes and Mercies: The Fate of German Civilians Under Allied Occupation 1944-1950" by Eric Blair.

But the Germans in Lola (Jewish) prison were slapped and whipped. And I'm so sorry to have to say it, but they were also tortured. The boy scout: the guards poured gasoline on his curly black hair and set it on fire. The boy went insane. The men: they were beaten with a Totschläger, a "beater-to-death." It's a long steel spring with a big lead ball at the end. You use it like a racketball racket. Your arm, your wrist, the spring: they deliver a triple hit to a German's face.

Lola didn't tell me, but the Germans in her prison were dying. I found their death certificates in Gleiwitz city hall. One of Lola's guards told me, "Yeah, the Germans would die." He told me, "I'd put the bodies in a horse-drawn cart. I'd cover them with potato peels so no one would see. I'd ride to the outskirts and, after I threw the potato peels out, I'd take the Germans to the Catholic cemetery. To the mass grave."

From Chapter 11 "Halls of Hell"

Near Lamsdorf, German women were force to disinter bodies from a Polish burial site. According to John Sack:

The women did, and they started to suffer nausea as the bodies, black as the stuff in a gutter, appeared. The faces were rotten, the flesh was glue, but the guards--who had often seemed psychotic, making a German woman drink urine, drink blood, and eat a man's excrement, inserting an oily five-mark bill in a woman's vagina, putting a match to it--shouted at the women..."Lie down with them!" The women did, and the guards shouted,

Hug them!" "Kiss them!" "Make love to them!" and with their rifles, pushed on the backs on the backs of the women's heads, until their eyes, noses and mouths were deep in the Polish faces' slime. The women who clamped their lips couldn't even scream, and the woman who screamed had to taste something vile. Spitting, retching, the women at last stood up, the wet tendrils still on their chins, fingers, clothes, the wet seeping into the fibers, the stink like a mist around them as the marched back to Lamsdorf. There were no showers there and the corpses had all typhus, apparently, and all sixty-four women...died." https://web.archive.org/web/20180410185048/https://careandwashingofthebrain.blogspot.com/2018/03/what-happens-when-jews-run.html

Millions of women victims raped by Russian soldiers during the last months of World War II. Anthony Beevor's book "Berlin -- The Downfall 1945" documents rape by Russian soldiers. "Beevor's conclusions are that in response to the vast scale of casualties inflicted on them by the Germans the Soviets responded in kind, and that included rape on a vast scale. It started as soon as the Red Army entered East Prussia and Silesia in 1944, and in many towns and villages every female aged from 10 to 80 was raped." The author "was 'shaken to the core' to discover that even their own Russian and Polish women and girls liberated from German concentration camps were also violated." Until recent years, East German women from the World War II era referred to the Red Army war memorial in Berlin as "the Tomb of the Unknown Rapist.

Overrun by General Gatlitsky's 11th Guards Army, his soldiers, crazy with bloodlust, set about raping, looting and killing with such ferocity that eventually discipline had to be restored to force the soldiers back to fighting the war. From buildings, Russian signs were hung which read 'Soldiers! Majdanek does not forgive. Take revenge without mercy!'. When the Soviet 4th Army took over the town five days later, hardly a single inhabitant remained alive. Women were found nailed to barn doors after being stripped naked and gang raped, their bodies then used for bayonet practice. Many women, and girls as young as eight years old, were raped so often and brutally that they died from this abuse alone. Children were shot indiscriminately and all those trying to flee were crushed to death under the treads of the Soviet tanks. Forty French prisoners-of-war were shot on the spot as spies after welcoming the Red Army as liberators. Seventy one women and one man were found in houses, all dead. All the women, including girls aged from eight to twelve, had been
raped. https://web.archive.org/web/20200420033251/http://www.chuckmaultsby.net/id260.html

WW2: AMERICAN POWs AND RUSSIAN DISSIDENTS HANDED OVER TO RUSSIA BY AMERICA & BRITAIN (2 Million handed over to Stalins slaughter)

Allied armies, especially England’s and America's, assisted the Russian Red Army to ethnically cleanse 5,115,709 Eastern Europeans during population transfers under the top secret Yalta Agreement of February 1945.

The top signature on the British and American sponsored holocaust was that of unelected British premier Winston Spencer Churchill. His signature was followed by that of U.S. President Franklin D. Roosevelt. The last signature on this hellish document is that of Josef Stalin, one of the most notorious mass killers in history.

Of the on-going removal of millions of people collected from 20 or more nations, one hapless ethnic group was that of the Cossack. ..

THE SOVIET ISRAELITE CLAW STRANGLES THE ARABS By Louis Bielsky 1965 LOPS2 pdf

The Jews, that once had used the Ottoman Empire against P 19 the anti-Jewish Spain and European Christianity, and who had used Turkey as a shelter and place of protection, receiving from the Sultans all kinds of benefits, now that Turkey was a hindrance for International Israel in its plansmto conquer Palestine, did not hesitate about destroying their old and generous protector, the Ottoman Empire, this time using Christian armies to destroy the force which kept the Islamic unity, just as they had used the Muslim armies before to destroy the Christian powers which were fighting against Judaism.

The Cuban Missile Crisis Comedy.

1965 For that purpose Kruschev(Jewish) and Kennedy, with the support of the Master of both factions, the Jewish world leader, Bernard Baruch, and with the help of Hebrew technicians, thought of the comedy of the Soviet missiles. The USSR sent missiles to Cuba, seriously threatening the United States. Kennedy sent the fleet to block Cuba and demanded that the USSR withdraw the dangerous missiles. The Jewish-controlled press supporting the comedy, made a lot of noise about the possibility of an atomic war. Americans and the free world believed the farce and were alarmed. Then came the saving transac-tion. The USSR removed the atomic missiles from Cuba and the United States committed themselves to safeguard the government of the "marrano" lcrypto-Jewl communist Fidel Castro, against any invasion.P36

This way, soon after this, the Government of Eisenhower would help Fidel Castro reach power and President Kennedy would prevent every EFFECTIVE action to overthrow him. In order to complete this betrayal, the crypto-communist John F. Kennedy planned secretly with Nikita Salomon Kruschev (Jew Pearlmutter) a way to justify, before the opinion of American people, a vile treaty that would pledge the United States government to support the red government of Fidel Castro against any invasion thus guaranteeing the consolidation of the communist regime in the enslaved Cuba.

A similar situation prevails in Korea and Vietnam.In Judaism these yellow Chinese Jews are known as Tiao-Kiu-Kiaou Jews, that have strong infiltrations both in the leading of the communist party and in the secret police, the government positions and in the army. When the Jew Nikita Salomon Kruschev turned against Stalin, Mao Tse-Tung became angry because of the steps taken by Kruschev, the Soviet dictator who was destalinizing the USSR and turning against Stalin, the man who had been

able to give communism a power never achieved before;and Mao(Moses Tung) regarded as treacherous and revisionist all the antistalinist political reforms approved by Kruschev.P38

A Sea of Blood -Jewish Bolsheviks

As for men of the cloth, they would bring priests into a church, marry them with a sow or mare in a sarcastic ceremony and then nail them to the cross over the altar. The bishop of Voronesh was plunged live into a giant kettle of boiling water and his monks were forced at revolver point to take spoonfuls of this “soup”.

Judaism and Bolshevism 1933

And from the "Jewish World" of March 15, 1923 :—"Fundamentally, Judaism is Anti-Christian,"an expression of opinion which is by no means new to the "Jewish World," for, in its issue of February 9, 1883, there appeared the following :—"The great ideal of

Judaism is . . . that the whole world shall be imbued with Jewish teachings, and that in a Universal Brotherhood of Nations—a greater Judaism in fact—all the separate races and religions shall disappear."

Russia No.1 1919 A Report On Bolshevism In Russia - published London.
The danger is now so great that I feel it my duty to call the attention of the British and all other Governments to the fact that if an end is not put to Bolshevism in Russia at once the civilisation of the whole world will be threatened.This is not an exaggeration, but a sober matter of fact; and the most unusual action of German and Austrian consuls-general, before referred to, in joining in protest of neutral legations appears to indicate that the danger is also being realised in German and Austrian quarters. I consider that the immediate suppression of Bolshevism is the greatest issue now before the world, not even excluding the war which is still raging, and unless, as above stated, Bolshevism is nipped in the bud immediately, it is bound to spread in one form or another over Europe and the whole world, as it is organised and worked by Jews who have no nationality, and whose one object is to destroy for their own ends the existing order of things. The only manner in which this danger could be averted would be collective action on the part of all Powers. P6

From 1933 to 1942, agents from the Jewish NKVD killed 300,000 at the Lukianivka prison in Kiev.
In contrast to the situation in National Socialist Germany, churches and Christians suffered terribly under Jew Josef Stalin and his Soviet communists. In May 1943 units of the German army were stationed in the Ukrainian city of Vinnitsa, a community of 100,000. Officials in Vinnitsa told the Germans that five years earlier the Soviet secret police had buried the bodies of a number of executed political prisoners in a city park. The Germans investigated, and within a month they had dug up 9,439 civilian corpses in the park and a nearby orchard (mostly farmers or workers). The men all had their hands tied behind their backs. The bodies of a number of young women were naked. All the victims had been shot in the back of the neck with a .22 caliber pistol, the trademark of the NKVD Jew executioners. Authorities estimated that in addition to the bodies exhumed, there were another 3,000 still in unopened mass graves in the same area. These were just a few of the approximately 60 [sixty] million Christians wiped out by the Reds. In 1933 and 1934, 7 million Ukrainians were systematically killed by starvation. Why is it that we hear so much about Auschwitz but we never hear about Vinnitsa? Above, a German WWII period poster of the tragedy.

German Soldiers in the Soviet Union as Witnesses against Bolshevism Rule by Bigwigs and Jews.
The Jews and Bolshevists hauled every Latvian who was still around out of his house before the Germans arrived. They stole the valuables, doused the houses with gasoline, and set them on fire. The Latvians who did not want to go with the Bolshevists had their hands and feet cut off, their tongue slit, and then were left behind. They nailed men and even children to the walls.

How Jewry turned England into a Plutocratic State.. Printed Frankfurt 1940
he English government is only the British façade for the Jew in the background. The English statesmen are the well-paid dummies of the Jewish-English finance-capitalism. The British Empire is the highest capitalistic concern, which exists. It is an enormous corporation, whose principle shareholders are Jews. The aim of this company is the exploitation of the people who live within the British Empire and in the states under British hegemony, and the ever increasing accumulation of untold wealth, which only benefits, and is enjoyed by, the ruling Jewish-English plutocratic clique. In England we therefore find on the one hand excessive riches and on the other hand dire poverty and destitution of millions of the English
people. The Jewish-English capitalism, the Jewish-English plutocracy is not satisfied with merely exploiting the inhabitants of the colonies
in the most shameless way; in its insatiable greed it in no way shows a sense of responsibility towards its own nation. Because the British
government is only the deputy of Jewish-English finance-capital, therefore British interest and the interest of the English ruling classes to-day in England are identical; but neither of them in any way is identical with the interest of the English nation. On the contrary: their interest is directly against those of the English nation. Great Britain, the richest country in the world, presents a picture of the greatest and most powerful poverty on the midst of enormous wealth.

Interview with Gunter P. from Fallschirmjager Regiment 6, who fought in the Battle of Normandy. Frankfurt, Germany, 1989.

I remember our situation was so funny to me that we had a Panzer regiment close by, it was all old French tanks supported by Russians who spoke little German. That might baffle you to hear, but we had many eastern soldiers there in Normandy and they mostly were killed in the first few days. The German army by now was so short-staffed that they allowed many from the east to serve. There were many I remember, they had German officers mostly, and we would see them drill sometimes. They manned a lot of the beach fortifications by us, or flak positions. One unit shot down a four-engine bomber in the daytime. We were outside and could see the smoke trail off in the distance. Word spread that night that an east unit shot down its first bomber. I trust this answers your question about the fortifications in Normandy. In short there were some, but not nearly enough and what was there was quickly overrun by the numerically superior forces of the Allies.

Letter dated 29 February 1944, to the BBC and British Clergy from the Ministry.
Sir I am directed by the Ministry to send you the following circular letter:It is often the duty of good citizens and pious Christians to turn a blind eye on the peculiarities of those associated with us.But the time comes when such peculiarities while still denied in public must be taken into account when action by us is called for.
We know the methods employed by the Bolshevik dictator in Russia itself,for example from the writing and speeches of the P.M. during the last twenty years. We know how the Red Army behaved in Poland in 1920 and in Finland,Estonia,Latvia ,Galicia and Bessarabia only recently.We must therefore,take into account how the Red Army will certainly behave when it overruns General Europe.Unless precautions are taken, the obviously inevitable horrors which result will throw undue strain on the public opinion of this country.
We cannot reform the Bolsheviks but we can do our best to save them and ourselves - from the consequences of these acts. The disclosures of the past quarter of a century will render more denials unconvincing. The only alternative to denial is to distract public attention from the whole subject.Experience has shown that the best distraction is atrocity propaganda directed at the enemy.Unfortunately, the public is no longer susceptible as in the days of the "Corpse Factory" the "Mutilated Belgian Babies" and the "Crucified Canadians".Your co-operation is therefore earnestly sought to distract public attention away from the doings of the Red Army by your wholehearted support of various charges against the Germans and Japanese which have and will be put into circulation by the Ministry. Your expression of belief in such may convince others. I am Sir , Your obedient servant,

Neustettin: Dismemberment of 2,000 Girls by Jewish Bolshevik Red Army

The description of the crimes committed on 2,000 girls in the RAD, and BDM-camp in Neustettin by Red Army members and Poles were horrendous, and if fully disclosed that it could effect the readers to the point of being permanently damaged. It is almost indescribable what the means of bodily torture were and the numbers of them that had been massacred.

HORROR AT NEU STETTIN

This article was translated from the German by Ingrid Rimland.

I have never-heard anyone scream as desperately as that girl. After this operation he drove

his knife into her abdomen several times, which again was accompanied by the cheers of the Russians.Weakly, they tried desperately to defend themselves, but it did
them no good as the Poles grew ever more cruel. They sliced the body of one of them open lengthwise and poured in a can of machine oil, which they tried to light. A Russian shot one of the other girls in the genitals before they cut off her breasts.
Loud howls of approval began when someone brought a saw from a tool chest. This was used to tear off the breasts of the other girls, which soon caused the floor to be awash in blood. The Russians were in a blood frenzy. More girls were being brought in continually. I saw these grisly proceedings as through a red haze. Over and over again I heard the terrible screams when the breasts were tortured, and the loud groans at the mutilation of the genitals.

Killing and Expulsion of Germans in Czechoslovakia in 1945
Franz Kaupil continues: "In Stangern 3,500 people were crammed into a camp with an intended capacity of 250. Most of them had to camp outdoors, despite the rain. The next day, families - men, women and children - were quartered separately. The food was unfit for human consumption. In the course of a shooting in the women's camp four women were killed, among them Frau Friedl and Frau Kerpes, and one woman was badly injured.Corporal punishment was the order of the day for men and women alike. There was even a separate cell for beatings.

# Stalin's men were here . . .!

October 20, 1944, the village of Nemmersdorf, in East Prussia, 25 miles from the frontier, was occupied by Red Army troops. Soviet tank formations had unexpectedly made a breakthrough.

Two days later, the village was re-taken by German forces. They found the bodies of 33 of the villagers who had been murdered and mutilated. 16 were women, 2 were girls of twenty, 4 were schoolchildren. One babe in arms had been shot through the head. Two small children had had their heads bashed in. The remaining 8 were men.

The two girls had been raped, and then stabbed to death.

Most of the victims had smashed skulls. All had been shot in the head from close range as well, the majority by small calibre pistols. The children had been killed in this manner too. Even the infant had a bullet-hole in the forehead. One man had been sexually outraged.

The type of weapon used in most cases was a small pistol of the sort usually carried only by Red Army officers and their political commissars.

Similar massacres occurred in other villages in this area which could not be evacuated in time.

Maybe you understand now why we are fighting against the Bolsheviks.

And why we are fighting you too.

You are attacking us in the rear while we are struggling to hold back these bestial hordes from our country.

'At the edge of town, on the left side of the road, stands the large inn 'Weisser Krug'... In the farmyard further down the road stood a cart, to which four naked women were nailed through their hands in a cruciform position. Behind the Weisser Krug towards Gumbinnen is a square with a monument to the Unknown Soldier. Beyond is another large inn, 'Roter Krug'. Near it, parallel to the road, stood a barn and to each of its two doors a naked woman was nailed through the hands, in a crucified posture. In the dwellings, we found a total of seventy-two women, including children, and one old man, 74, all dead... all murdered in a bestial manner, except only for a few who had bullet holes in their necks. Some babies had their heads bashed in. In one room we found a woman, 84 years old, sitting on a sofa... half of whose head had been sheared off with an axe or a spade... We carried the corpses to the village cemetery where they lay to await a foreign medical commission...
In the meantime, a nurse from Insterburg came, a native of Nemmersdorf, who looked for her parents. Among the corpses were her mother, 72, and her father, 74, the only man among the dead. She also established that all the dead were Nemmersdorfers. On the fourth day the bodies were buried in two graves. Only on the following day did the medical commission arrive, and the tombs had to be reopened. Barn doors were set on blocks on which to lay the bodies so that the commission could examine them. This foreign commission unanimously established that all the women, as well as the girls from eight to twelve years and even the woman of 84 years had been raped. After the examination by the commission, the bodies were again buried.'
-Karl Potrek's report, a civilian from the capital city of Königsberg recruited into the Volksturm.
'When in October, 1944, Russian units temporarily entered Nemmersdorf, they tortured the civilians, specifically they nailed them to barn doors, and then shot them. A large number of women were raped and then shot. During this massacre, the Russian soldiers also shot some fifty French prisoners of war. Within forty-eight hours the Germans re-occupied the area.'

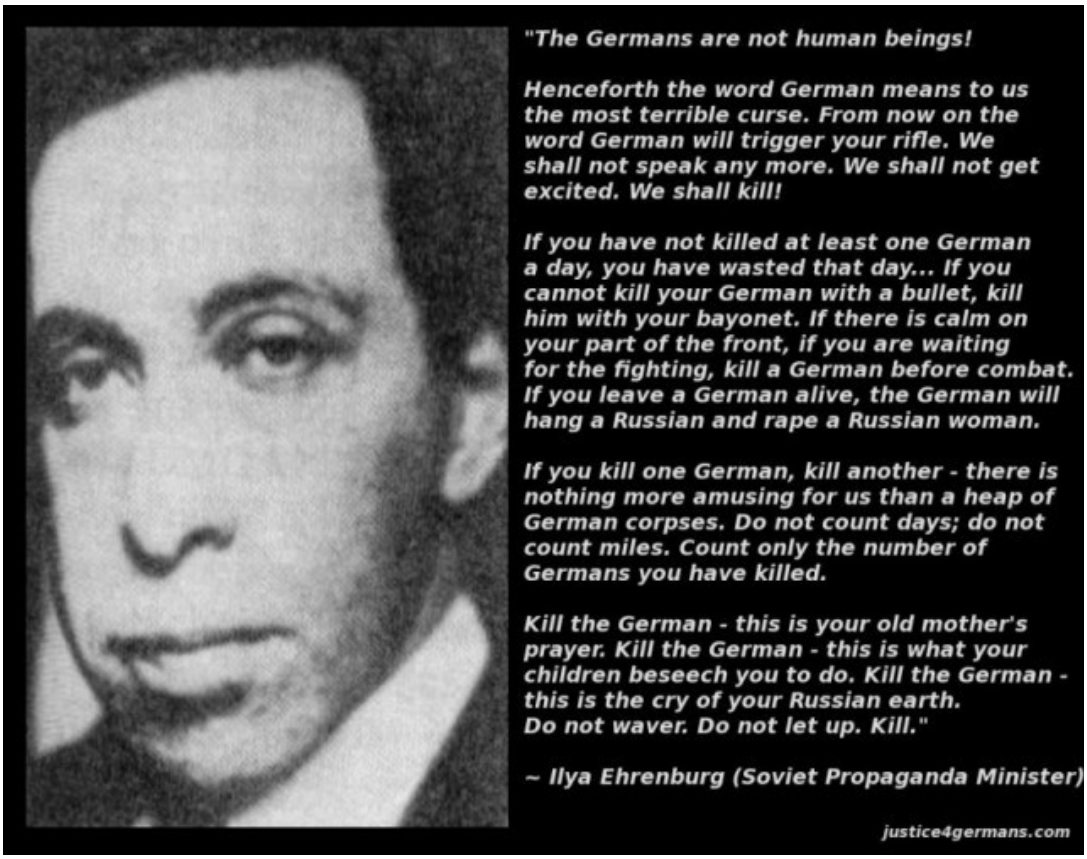
'Kill! Kill! In the German race there is nothing but evil; not one among the living, not one among the yet unborn but is evil!
Follow the precepts of Comrade Stalin. Stamp out the fascist beast once and for all in its lair!Use force and break the racial pride of these German women. Take them as your lawful booty.Kill! As you storm onward, kill, you gallant soldiers of the Red Army.
Kill the Germans, wherever you find them! Every German is our moral enemy.
Have no mercy on women, children, or the aged! Kill every German – wipe them out!'
-Communist writer and propagandist Ilya Grigoryevich Ehrenburg



"The Germans are not human beings!
Henceforth the word German means to us the most terrible curse. From now on the word German will trigger your rifle. We shall not speak any more. We shall not get excited. We shall kill!
If you have not killed at least one German a day, you have wasted that day... If you cannot kill your German with a bullet, kill him with your bayonet. If there is calm on your part of the front, if you are waiting for the fighting, kill a German before combat. If you leave a German alive, the German will hang a Russian and rape a Russian woman.
If you kill one German, kill another - there is nothing more amusing for us than a heap of German corpses. Do not count days; do not count miles. Count only the number of Germans you have killed.
Kill the German - this is your old mother's prayer. Kill the German - this is what your children beseech you to do. Kill the German - this is the cry of your Russian earth.
Do not waver. Do not let up. Kill."

'Hate is our prayer. Revenge is our battle cry. Those towns in the west of our country which have been destroyed by Allied terror raids and the starving women and children along the Rhine have taught us to hate the enemy. The blood and tears of our brutally murdered men, of our despoiled women and of our children beaten to death in the eastern provinces cry out for revenge.'

-The first day of April 1945, Easter Sunday, the national radio station Deutschlandsender, announced the formation of the German resistance movement -- the Wehrwolf.

To anybody familiar with the extremely strict rules of conduct for the German armed forces, especially in occupied enemy territory, this story is not very surprising. For example, any German soldier caught raping a woman faced a firing squad shortly thereafter. Compare this with the announcement of the Russian commanders to their forces invading Germany at a later date, that all enemy females were their property, or the recommendation of President Roosevelt that our troops should study Kaufmann's tract, Germany Must Perish, which recommended that all Germans of reproductive age be sterilized.

Should We Kill the Germans–or Save Them?
The "Hooton Plan" [edit] http://archive.is/fQNqO
In 1943, Hooton had an article entitled "Breed War Strain Out of Germans" published in the New York newspaper PM. In the article he proposed four measures with an objective to "destroy German nationalism and aggressive ideology while retaining and perpetuating desirable German biological and sociological capacities". Hooton wrote these measures as follows:
The families of the men already married should remain in Germany for a period of years, but might eventually be permitted to join the fathers. The latter should not be allowed to return to Germany. The objects of this measure include reduction of the birth rate of "pure" Germans, neutralization of German aggressiveness by outbreeding, and denationalization of indoctrinated individuals.
4. During the period of supervision and occupation of the several states by armies and civilian staffs of the Allied Nations, encourage members of these groups to intermarry with the German women and to settle there permanently. During this period encourage also the immigration and settlement in the German states of non-German nationals, especially males.[10]
Scattered source described him as a "Jewish-American" , proof of this is lacking. [5]
Hooton was one of the contributors towards UNESCO's The Race Question statement; a 1950's document which, following on from the rise of National Socialism in World War 2, aimed to clarify what was known about race in order to define the boundaries of racism.

Background [edit]
http://archive.is/rjTQk
During 1944 Henry Morgenthau involved himself in U.S. foreign policy together with his associate Harry White he formulated the Morgenthau plan. For the sake of permanently eliminating German war potential the plan advocated amongst other things German territorial dismemberment, partitioning, and deindustrialization. The plan was agreed
Roosevelt's motivations for agreeing to Morgenthau's proposal may be attributed to his desire to be on good terms with Joseph Stalin and to a personal conviction that Germany must be treated harshly.
Summary of Proposed Policies:
- Sterilization
- Mass immigration
- Intermarriage (race-mixing)
- Outbreeding
- Denationalization (Globalist indoctrination)
- Territorial dismemberment (balkanization)
- Deindustrialization
- Restrictions on militarization
Similar to the policies currently underway in all White countries, aren't they? Undermine the birth rate of a race (feminism, anti-natalist social engineering), demonize it (nonstop bashing propaganda), open its borders (mass immigration laws), and then propagandize its females to breed with males of other races (race-mixing indoctrination), a very simple plan to destroy a race you've conquered without having to risk your own lives with violence.

Louis Nizer - what to do with Germany 1944

(February 6th, 1902 – November 10th, 1994) was a Jewish trial lawyer and senior partner of the law firm Phillips, Nizer, Benjamin, Krim & Ballon. The son of Joseph and Bella Nizer, Nizer was born in London, before coming to the United States as a child. The infamous book “Germany Must Perish” by Jew Theodore Kaufman The Morgenthau Plan (AKA The Jewish plan to rid the world of Germans.)was published in early 1941 and advocated exterminating the German people by means of mass sterilization. This book was reviewed favourably in Time Magazine in March 1941 as well as in the New York Times and other papers. Less well known is the fact that Louis Nizer, published a similar demand for the extermination of the German people by mass sterilization, in 1944, entitled, “What To Do With Germany”. Nizer was also vocal about supporting Jewish constructs.

Louis Nizer, the author and lawyer who Wednesday night received the Jewish National Fund’s annual Maccabean Award(1975), declared that he had never been bothered by the problem of dual loyalty. Addressing some 750 persons at the Waldorf Astoria where the JNF held its annual award’s dinner, Nizer said he agreed with the late Supreme Court Justice Louis Brandeis that to be a good American one must also be a good Jew.

George W. Armstrong-World Empire 1945.

The Jewish influence in our government at the time of the Pearl Harbor attack and since, is a subject of grave concern to the American people. The Jews Henry Morgenthau, Samuel Rosenman, Felix Frankfurter and Bernard Baruch were Presi-

dent Roosevelt's cronies and advisers. They staffed his bureaus with Jewish communists. It was a Jewish communist administration that preceded and followed the Pearl Harbor attack, but the Barkley committee did not investigate that subject; not a line of testimony gives even a hint of it. The Jewish refugees moved into the American zone of Germany where they had our protection. General Sir Frederick Morgan, British U N R R A chief, said of them that they were "well clothed, well fed and fat" and were evidently well financed by some outside agency. For this offense the Zionists had General Morgan discharged, but Lehman was compelled to reinstate him.By executive order or edict President Truman forced the Christian Germans to vacate their homes and turn them over to Jewish refugees.

The Jews wanted us to turn over one-fourth of our flour to U N R R A for export to Jewish refugees. According to theAssociated Press of March 30, 1946, Mr. Morgenthau, the Zionist leader, made this request of Secretary Anderson who refused it.

He appealed from this decision to President Truman who gave it sympathetic consideration. He issued a Rooseveltian directive or edict ordering American millers to debase their flour in order to provide more of it for U N R R A .

None of this wheat and flour was intended for the starving Germans. They are being exterminated in accordance with the Morgenthau-Zionist program. The German relief agency, created by the Russians, reported conditions in Germany at the begin-

ning of the winter of 1945-46 as follows:"The people hunger. They hold only the immediate present responsible for their condition.P30

The number of still born is approaching the number of those born alive, and an increasing proportion of these die in a few days. Even if they come into the world of normal weight, they start immediately to lose weight and die shortly.Very often the mothers cannot stand the loss of blood in child-birth, and perish. Infant mortality has reached the horrifying height of 90 per cent."*It must be remembered that this Russian zone was created with President Truman's approval at the Potsdam conference.This is the true and tried plan of the Russians for the propagation of bolshevism. It is also the plan of the Zionists for the suppression of anti-Semitism. The conditions in the French zone are reported to be similar; but they appear to be slightly better in the British and American zones.

This great race of people is threatened with destruction, for which we are partially responsible. It is to their credit that every country of the world welcomes German immigrants; but the Jews are not wanted by any people, not even by their Arabian Semitic cousins.P32

We must give Hitler credit for waging it according to the rules of civilized warfare. It was not Hitler who initiated the campaign of bombing women and children, but it was the British and ourselves. It was not Hitler who used poison gas, but us at Hiroshima. It was not Hitler who attacked ships in neutral ports, but the British at Oran. No effort was made during the war to assassinate Roosevelt or Churchill, but two attacks were made upon the life of Hitler. It is not saying much for Hitler to say that he was a better man than Roosevelt, Churchill or Stalin; nor is it saying much for the Germans to observe that they are better than the Russians and the Jews.P107

In pursuance of the Morgenthau plan to degrade and destroy the German people we have policed Germany with pro-Semitic officers and Negro soldiers. It is reported that 80 % of the Negroes have venereal diseases. The magazine " L i f e " in its issue of Feb. 10, 1947,

publishes a full page of small pictures of unfortunate, miserable white women with venereal diseases. The magazine apparently is biased in favor of the Negro soldiers for it states that they "are more victims than culprits."
Every soldier, white or black, who has ravished a helpless starving woman should be court-martialed and shot. The officers in charge should also be court-martialed and if found to be accessories or grossly negligent they should be appropriately punished. The precedent for such trial and severe punishment was established in the Nuernberg trials of Goering, et al. They should at least be dishonorably discharged from the army for they are a disgrace to it and to humanity. P108

Hitler and the German people did not want war! According to the principles of our policy of balance of power and incited by Americans around Roosevelt, we declared war on Germany in order to destroy it.
We did not answer Hitler's many appeals for peace. Now we must declare that Hitler was right. | Sir Hartley Shawcross (Nuremberg prosecutor); March 16, 1984 (Liberty Bell ; March 1987; p. 55)

The violent seizure of Russia by Jewish Bolsheviks in 1917 represented the ultimate terrorist act in the Jewish agenda since the assassination of Tsar Alexander II by Jewish terrorist Vera Figner. Yet typically as with the Jewish propaganda that incited the so called ‘pogrom’ the rest of Europe was not to know the real terror visited upon their Eastern brethren by the alien parasite now in control of their land. This leech implemented a psychology that was meant to instigate resistance from indigenous Europeans thus providing a ‘plausible excuse’ for the Jewish Bolshevik authorities to use force against the native population. The Tambov massacre had all the characteristics of a dry run in which the Bolshevik Red Army first exercised all its dreadful force against the civilian population revealing that Lenin had discovered a powerful weapon against the ethnic European people which is evidenced by the mass murders known as the Holodomor Genocides occurring in 1921-22, 1932-33 and 1946-47

Among the men that till the land
There goes an old, old tale:
The goat is only good on sand
Or rocks where all crops fail.
But the Jews know better!
They take what looks a human goat
Put him across the yeoman's road
The land to fetter.
Whatever the soil, whatever the toil,
The Jew does not care.
He cannot till, he cannot sow,
But the harvest time he well does know!
And he takes his share.

The Jewish-Run Concentration Camps in the Soviet Union published 1937 by Dr. Hermann Greife High School Instructor, Berlin

Slave Labor in Soviet Russia.For millions of people, concentration camps have been nothing but transit points into eternity. Here the death
of millions could not be accounted for as murder and more- over, these death-sacrificed victims of Jewish tyranny could be exploited to the last drop of blood in the interest of a "Socialistic State" before being freed by the merciful reaper — death.

would be excluded from their programme. Further, the forces of Yudjenitch had been armed and equipped by Great Britain to liberate Petrograd. Success was near. The former Russian capital was seriously menaced. For three days the imminent capture of the town was cabled all over the world. Russian values rose rapidly and kept on rising on all the money exchanges; the jobbers sold and sold roubles and Russian shares of all description. Suddenly the British fleet protecting the flank of Yudjenitch and already shelling Kronstadt withdrew from its position of protection, thereby completely upsetting the preconcerted plan of action. But not satisfied with this disgraceful betrayal, the British fleet proceeded to Riga and started bombarding the anti-bolshevist German-Russian troops, which were there fighting the Soviet Red Army!

The Russian Nationalist-Army that already held the capital in its grip had to refreat, no further supply of ammunition being forthcoming. The whole campaign failed — and the Russian rouble at once lost all it had gained during these last days and more while the Jewish jobbers pocketed their profit. The ‚Journal de Genève' stigmatised quite correctly the whole enterprise as a „spéculation israélite".

It has been published broadcast that the army of general Wrangel had been equipped on a most lavish scale and had received all possible assistance. Yet I know for a fact that Wrangel received all told, three shiploads of ammunition and old guns and rifles which for the most part had to be repaired at Sebastopol. For "value received" he had to deliver shiploads of grain to the French. Of the 10 members of the 'French' military mission to Wrangel 7 were Jews! Thus France treated the Russian general in the Crimea in the same manner which England had thought fit to use towards Yudjenitch.

In consequence, conditions in Soviet Russia took their natural course unchecked. That which all thoughtful observers acquainted with Russia had foretold, an all-Russian famine, soon, did not fail to become an awful reality. The towns had been in a state of famine since 1918, but the general mismanegement, incapacity and the break-down of the last vestiges of means of transportation brought things to such a climax that even for the spoiled child of the Soviet, the Red Army, food began to get scarce. Whereas until then, not a newspaper in the world had taken the slightest notice

complete and official dictatorship over Russian national finance by the 'leaders of the proletariat'. Interest of from 10 to 15% per month was decreed, like in the Middle Ages. Simultaneously the Soviet Kings started purely capitalistic and private syndicates (with the help of the Jewish finance abroad). The board of directors of the first and largest of these syndicates was composed of Trotzky, Skliansky, Goldberg, Schatunowsky, Spenzer, Eismunt etc. or, as was to be expected, of 99 percent of Jews.

And the end!? Supreme Financial Control over a nation systematically deprived of all power, robbed of the very last remnants of its property, delivered over to chronic famine!

The plan conceived and carefully thought out in the quiet and unobtrusive "Lodges" of the Jews in London, New York, Berlin and so on, has been brought to a successful issue by the soviet Jews with the help of Chinese riff-raff aided by ruffians collected among the dregs of humanity all over the world.

Amyone how has grasped the Jewish policy ought to be fully convinced now that Bolshevism, indeed, is not an aim in itself, but only a means — a means to uproot and destroy all independant national life, aiming at the full demoralisation of the people and the complete annihilation of living national enterprises, so as to permit the 'legal' acquisition of their dead substance for a mere song at some later period.

With these ulterior and hidden motives democratic republics are admitted to be best suited for the speedy execution of these designs; even constitutional monarchies with parliamentary bodies easily led or bought are considered as useful in consolidating the power gained along the Bolshevist road.

But there remains one fact with which the Jews in the whole course of their history (led astray as they are by over-cunning and blinded by avarice), have always faild to reckonthe fact that abject passivity has its limits. Notwithstanding their unprecedented ferocity, the Hebrew assassins in Russia will not escape that Nemesis, lying in wait for all who pursue none but egostical ends. These men are doomed. Even a philosemitic democracy will not save them. The judgment of the Russian people will surely overtake them, — and there will not be left in Russia one Jew to remember those glorious days, when his race, besmirched with blood and tears, danced over what it thought was the corpse of a great nation

The Jewish Bolshevik under orders and overseen by Trotsky, killed so many Europeans the death toll surpasses 100 million.”

The real holocaust was a Christian Holocaust by Jews of sixty-six million, mostly Christians.- Eustace Mullins
"The orgy of murder, torture and pillage which followed the Jewish triumph in Russia has never been equaled in the history of the world…The Jews were free to indulge their most fervent fantasies of mass murder of helpless victims. Christians were dragged from their beds, tortured and killed. Some were actually sliced to pieces, bit by bit, while others were branded with hot irons, their eyes poked out to induce unbearable pain….Some were nailed to the ceiling by their fingers or by their feet, and left hanging until they died of exhaustion….Others were chained to the floor and hot lead poured into their mouths. Many were tied to horses and dragged through the streets of the city, while the mob attacked them with rocks and kicked them to death." …Pregnant Christian women were chained to trees and their babies cut out of their bodies."

There were many places of public execution in Russia during the days of the Revolution one of which was described by the American Rohrbach Commission, (Defender Magazine, October, 1933):

“The whole cement floor of the execution hall of the Jewish Cheka of Kiev was flooded with blood; it formed a level of several inches. It was a horrible mixture of blood, brains and pieces of skull. All the walls was bespattered with blood. Pieces of brains and of scalps were

sticking to them. A gutter of 25 centimeters wide by 25 centimeters deep and about 10 meters long was along its length full to the top with blood.

“Some bodies were disemboweled, others had limbs chopped off, some were literally hacked to pieces. Some had their eyes put out the head, face and neck and trunk were covered with deep wounds. Further on, we found a corpse with a wedge driven into its chest. Some had no tongues. In a corner we discovered a quantity of dismembered arms and legs belonging to no bodies that we could locate.”

The Jewish Communist Chekists took pleasure in brutally torturing their victims: Victims where nailed to trees, had their eyes gouged out, noses cut off, ears removed, tongues removed. There were [Jewish] Chekists who cut open their victim’s stomach, pulled out a length of small intestine, nailed it to a telegraph pole, and with a whip forced the victim to run circles around the pole until the whole intestine became unraveled. Eyes of Gentiles victims were poked out, their tongues cut off, and they were buried alive. A major Gentile member of the Voronezh area was boiled alive in a big pot, after which others of the community, revolvers at their heads, were ordered to drink. In Kharkov people were scalped. In Tsaritsyn and Kamyshin peoples hands were amputated with a saw. In Poltava and Kremchug the victims were impaled. In Odessa they were roasted alive in ovens or ripped to pieces. In Kiev, victims were placed in coffins with decomposing bodies and buried alive.

On March 13, 1917, Jacob Schiff sent Milyukov, new Minister of Foreign Affairs of the Bolshevik Revolutionary Government, and a personal friend of Schiff, a telegram reproduced in the New York Times, April 10, 1917:

“Allow me, as the irreconcilable enemy of the tyrannical autocratic government which pitilessly persecuted our co-religionaires[Jews], to congratulate through your intermission the Russian people for what they have so brilliantly accomplished, and to wish success to your comrades in government and to yourself.”

We already know of the glee with which Jacob Schiff and other Jewish bankers greeted the news that their co-Jews in Russia were now engaged in the favorite Jewish practice of mass murder, but what of American government officials, who were well-informed by a number of intelligence sources about these atrocities?

Communist China was created by the Jews and serves their interests.
Mao would murder sixty million innocent Chinese people under his rule mainly to destroy traditional Chinese culture in order to gain total control. As with Christianity, any practitioners of spiritual systems where outlawed, killed, and thrown into gulags, to die a slow death through slave labor, starvation and torture. The Communistic systems became the new culture of control. With China under their flag, Tibet was next on the list as being the last bastion of spiritual and historical knowledge. All the Jewish systems seek to remove spiritual knowledge from Gentiles and keep it in the hands of the Jewish elite. This is a major part of their indoctrination program. There has been a major Jewish population in China for over a thousand years such as the Jews of Kaifeng.

# Bolsheviki Extremists Drive Jewish Following Into F

By D. M. Hermalin

THE NEW YORK TRIBUNE recently had the following item of news:

As the influence of the Bolsheviki in the Russian government has been increasing the number of Jews in its ranks has been decreasing, according to reports received by the "Avanti," the Italian Socialist organ, of Turin. The percentage of Jews in the more moderate parties of Russia is now higher than in the Bolshevik party.

"The foreign affairs commission of the Anglo-Jewish Association," writes the "Avanti," "has received some information and convincing figures in regard to the Jewish question in connection with the extremist parties of Russia. It is pointed out that with the growth of the influence of the Bolsheviki the number of Jews among them has been continually decreasing. This is by no means due to dislike for the Jews."

The story of Frankenstein is of Jewish origin. It is at least two hundred years older than the English version.

Here is the original Jewish narrative: Rabbi Leon, of Prague, was versed in all the mysteries of creation. The Almighty himself had endowed him with the knowledge of his different holy names, with which even mortals could imitate the Creator.

The pious rabbi was very poor, and his wife was very ill. He needed somebody to take care of his house, but he had no money to hire a servant.

One day the rabbi decided to experiment. He moulded a man out of clay, and when he was through with his work he wrote on a piece of parchment a certain creative name of God and laid it underneath the tongue of the clay figure. He had no sooner done this when the figure of clay assumed life, jumped up and exclaimed:

"Command me, master, and I shall do your biddings!"

The rabbi was quite astonished, but he soon braced up and ordered the creature to arrange everything in his household. In a few hours all that the monster had been ordered to do was done.

The rabbi had gone out, and the monster, having received no further orders, also left the house. Since he had been created for work, he began to move the houses of the town from one place to another, so great was his strength.

The rabbi ordered him home, and not having any particular work for him handed him a pot full of poppy seeds and told him to count them.

The monster obeyed and was kept busy for a whole day. He was then told to do some more housework. He did it. Then he chopped enough wood to last an entire year, brought medicine for the rabbi's sick wife and performed all the other necessary duties of the house. When all the useful work was done he became so obnoxious that the rabbi was compelled to remove the piece of parchment, containing the charm, from underneath the tongue of the monster, so that he became a piece of lifeless clay again.

The Russian revolution was brought about by Jews. When none of the Czar's subjects even dared to dream of a time when Russia might be free Jews formed secret societies conspiring against the tyrannical rule of the Czars. Jews formed the first Nihilist group and Jews suggested the reign of terror in Russia.

Jews were and remained the brains of all revolutionary movements in Russia, and Jews succeeded in convincing the intelligent classes of the Russians that they ought to throw off the yoke of autocracy.

The main intention was to do away with Czarism and create a modern government where all men should be equal before the law and so put an end to the persecution of 6,000,000 Jews. After much effort and great sacrifice Czarism was crushed, and with the impetus of the blow delivered against tyranny and barbarism the Russian people began to run amuck.

The serfs and slaves of yesterday are not satisfied with plain, ordinary human freedom, as attained in France, England and the United States. They want more; they desire to become the masters of all and everything. They want more than they are able to swallow.

There is a saying in the Talmud which reads: "If thou grasp too much, thou hast nothing."

The Jews know this lesson. They have learned it through long and bitter experience.

The monster is thus becoming obnoxious and time is approaching when the parchment with the charm will have to be removed.

The Russian peasant, including even the majority of the inhabitants of the city, is by far an inferior being to the Frenchman of the great revolution. He is a pygmy in intellect in comparison to the Frenchman of the Commune. Almost 90 per cent of the Russians are illiterate and dense ignorance is the prevailing factor there. Their bigotry and fanaticism have n equal in the whole of Europe; it ma be compared only with that of the ne ages in Africa. Can you fancy wha unbounded liberty means to suc hordes?

Some people with vivid imagination like to picture the Russian peasant a the acme of goodness and tenderness Studying, however, their unheard-o cruelty against certain military com manders and against certain lande proprietors, all of their own kin an blood, one can see only in these "inno cent children of the steppes" rovin bands of bloodthirsty murderers.

Even in the midst of the great hilar ity for liberty pogroms against th Jews in Russia have been going on eve since Czarism was overthrown.

True, during the reign of the Ro manoffs the pogroms were arrange by the government. But the execu tioners were recruited from among th "innocent children" constituting th Russian people.

The pogroms which take place no in Russia are by no means less cru than those under the autocracy.

While the Jewish youth is still wit the colors on the battlefield, or pa ticipating in the revolution, his ol father at home is murdered becaus

Genrikh Yagoda
Genrikh Yagoda, Jewish chief of the Soviet Police, is probably the biggest mass murderer of all time, next to Stalin of course who ordered and condoned the murders of millions of his countrypeople. Yagoda was executed in 1938, but not before he had done his dirty work for Stalin and murdered millions of White Christian Russians. The infamous Soviet Gulags were under direct control of the Jew, Genrikh Yagoda. Yagoda diligently implemented Stalin's collectivsation orders and is responsible for up to 20 million deaths including those of the Holodomor which was planned by himself, Lazar Kaganovich and Nikolai Yezhov.

the privileged beneficiaries of this relief. Thus, they snatched the best rations from Poles, Ukrainians and Czechs, their former fellow- prisoners in the concentration camps. P116

Why 7000 German Children Had to Die in Denmark.
Second World War:The Cruel Fate of German Refugees in Denmark.Lylloff's research has shown that in 1945 alone, 13,492 German refugees died in Danish refugee camps. More

than 7,000 of them were children under five years of age; most of them died of malnutrition and dehydration and - according to Lylloff - of "perfectly curable" illnesses such as stomach and intestinal infections and scarlet fever. But until 1949 the Danish medical board, as well as the Red Cross, consistently denied the refugees interned in these camps any medical assistance.

Then, another part of the footage shows a military truck running over the bodies, some of which are presumably still alive.

Judeo Masons of the BBC and the mysterious death of Terry Wogan - pdf doc.

"Everyone's a mason in the BBC. Masons are all over the place there. It was a frightening atmosphere and eventually I left, thinking someone was going to come after me and kill me. That's why I went into the Himalayan mountains, and I learned all the Tibetan yoga still frightened someone was going to come after me and kill me."..

" If you thought for one minute that the BBC is in anyway as it appears to be, you're very sadly mistaken.Behind the comforting British TV façade, lies a paedophile network, so vast and sordid it literally beggars belief.It's ringleaders are so dangerous that speaking out about the abuse can lead to murder....

Jimmy Savile - The Paedophile Information Exchange (PIE)-Ask yourself this question…. How safe is your child from the JEWZ?

It was the arrest of the notorious Jewish born child serial killer Mr Dutroux in August 1996 that brought the Belgium Paedophile scandal to light. The rescue of the last Two girls he kidnapped lead to an investigation of Dutroux. Five women who testifies anonymously in Belgium under the code name ”X” described an underworld of snuff movies, sadomasochism torture and murder. They said that politicians and other high placed members of society were involved. This government cover up of MP’s shows a clear link to the Paedophile Information Exchange (PIE) based in England, a far left group whose mission is to campaign for an acceptance of paedophilia. Jewish Labour party deputy leader Harriet Harman, niece of the notorious Labour party peer Lord Longford who spent the best part of the 1970’s fighting to get the paedophile child killer Myra Hindley out of jail, along with many other Labour party members, condoned PIE’s desire to see the removal of the age of consent.

Schirmer-Gerhart-Sachsenhausen-Workut ( forced to build a gas chamber and execution room) ENGLISH pdf Google Machine translation

in early October 1945 I was placed in Oranienburg [ie Sachsenhausen] concentration camp (barrack room 19) which continued to be used by the Soviets. After about 14 days I was brought into the 'Steinbau' (stone buildings) and there, together with 7 other prisoners, presented to the political officer of the camp, Lieutenant-Colonel Kolowantienkow. From him we received an order to carry out certain construction work in the so-called Front Zone (Vorzone) of the camp.
Among the seven other prisoners was Dipl.-Ing. Fritz Dörbeck. He was the son of a German geologist who in about 1905 had been tasked by the Tsarist administration to carry out some geological research in the region of Vladivostok. Dörbeck grew up there and spoke fluent Russian. In 1918 the Dörbeck family returned to Germany via China. After his release in 1956, Fritz Dörbeck became the sales director of AEG-Telefunken in Ulm and I remained a close friend of his till his death in 1982.

The seven prisoners also included one Emil Klein, a Sudeten German who spoke fluent Czech and some Russian. He supervised our construction work and then disappeared from the camp after completion. We suspected Klein was the intermediary [Vertrauensmann] for the Soviets. The seven also included four construction workers and a plumber. I no longer remember their names.

In mid October 1945 we were taken to the construction site. There, in the so-called Front Zone of the Camp, was a large shower room with an ante-room. The shower room was about 8x10 square metres and contained about twenty-five shower heads. In the ante-room were about fifty coat hooks.
When we arrived, the material required for the construction work was already there. Under the directions of Klein, we now connected pipes from outside the building to the water supply pipes [Wassernetz]. Outside, on the outside of the wall, taps were attached. Only now was Dipl.-Ing. Dörbeck the first to understand what this work was apparently about.

We built an additional concrete cell adjoining the bathroom measuring about 4x2 square metres with an opening into the ante-room of the shower room. The new opening from the ante-room to the newly built so-called 'execution room' [Erschießungsraum] was about 20 cms wide. It was made to look as if the offender who was to be shot would have stood at the entrance facing the concrete wall enabling the person with the gun to fire a shot into the back of his head.
The construction works went on for about 14 days. When Dipl.-Ing. Dörbeck and I realised what was being built, we went to the political officer and told him that we refused to undertake any further work. The political officer, Lieutenant-Colonel Kolowantienkow, spoke - often heatedly - with Dörbeck for about fifteen minutes in Russian. Dörbeck later told me that the political officer had said that we would be summarily shot if we ceased to do any further work or let slip one word about it. The political officer said furthermore that we were receiving good rations (which was true) and that he - Dörbeck - would later be required to explain the installation to groups of Soviet visitors. The political officer also said we would be well-treated in the future and receive good rations. As we were unable to prevent the construction of the installation, we continued the work and, in this way, learn what was being made there.

After completion, end of October 1945, Dipl.-Ing. Dörbeck was brought before the political officer alone and received precise instructions about the explanations he was to give to Soviet groups of visitors. He had to say the following: This installation, which was built by the Nazis, served to kill [Vernichtung] Jews and Soviet officer prisoners. Daily 200 people were gassed and about twenty-five were shot. This went on from 1943 till 1945 (April).
From about December 1945 until the end of 1947 an average of two tours a week, each consisting of some thirty to forty Soviet men, mostly soldiers and people from the GPU, and women, were escorted by Dörbeck round the installation. There were often officers amongst them who quite openly expressed doubts about the age of the installation because they saw that the concrete was new, that there were no bullet holes from the executions in the concrete wall and that the blood stains (red paint) were unconvincing.

A further testimony deserves attention: The then highly decorated Commander in-Chief of the Twentieth Soviet army, promoted at the beginning of 1942 to Deputy Commander-in-Chief of army group Volkhov, the General Andrei Andreievich Vlasov, who, in 1942 in Berlin after his capture, replied to the question F.D. Vorobiev, V.M. Kravzov, “The Great Patriotic War of the Soviet Union 1941-1945” (Russian),
p. 56…….. “The offensive had been intended for August/September 1941. The Soviets had been forming up since the beginning of the year, which, due to the bad Soviet railroad lines, went rather slowly. Hitler judged the situation perfectly and plowed right into the Soviets while they were deploying.” P381…. That on entering the USSR German troops had found Soviet General Staff maps that showed objectives advancing deeply into Germany, but also other unmistakable proof of a different kind, up to the point of Soviet school text books teaching the need for the conquest of Europe, is to be mentioned only in passing.45) Peculiar is the only word for describing the manner of appraisal that trivializes these facts and would like, most of all, to bury them completely, not accepting them as valid.

Auschwitz, Buchenwald and Alfred Hitchcock's First Horror Movie From the Memoirs of a German Soldier pdf codoh.com
During the day Weimar was populated by concentration-camp inmates from Buchenwald, who were identified by a red triangle on their clothing. I conversed with a large number of them, and they were in good physical condition. During the day they participated in political studies for several hours, returning to camp by 10 o’clock. They were waiting for their official release papers so that they could file claims for compensation. Among others, I met the orderly of Ernst Thälmann, whose official duties had been to wait on the Communist leader. He described how Thälmann had been killed next to the railroad tracks during an air raid. The official version was that the Nazis had murdered him. The orderly complained that the political prisoners had too many special privileges and were not required to work.

In 2009, the paedophile Jimmy Savile was interviewed under caution by police in Surrey and Sussex. Subsequently, the police referred 4 cases to the CPS alleging that Jimmy Savile had abused 3 girls under the age of 16.

The CPS, after receiving the files from the police, refused to prosecute Savile and dropped the case claiming 'insufficient evidence".

After Savile's death, and despite multiple attempts of high level cover ups, we now know that he abused up to 500 victims over a four-decade period.

Why am I sharing this with you?

The man in charge of the CPS at the time, that decided there was 'insufficient evidence' to charge Savile, is the now Leader of the Labour Party SIR KIER STARMER.

David Icke has been outed as a member of the exclusive elitist Pagan witchcraft coven known as The Groucho Club (London).

The Groucho Club
General information
Address 45 Dean St
Town or city London, W1D 4QB
Country England
The Groucho Club is a well-known private members club located on Dean Street in London's Soho. Its members are mostly drawn from the publishing, media, entertainment and arts industries. The Club is widely considered to be the original and first contemporary private Club of its kind.
The club has rooms on several floors, including three bars, two restaurants (dining room and brasserie), 20 bedrooms available for members or their guests, a billards room, and four event rooms available for hire.
https://web.archive.org/web/20160706222428/http://www.planetxtube.com/component/content/article/1-latest-news/257-david-icke-elitist-masonic-club-membership-exposed-paedophilia-allegations-made-against-the-club-bbc-involved
Dreamt up by a group of publishers as an alternative to stuffy gentleman's clubs who wanted somewhere to meet and relax, they approached Anthony Mackintosh owner of 'The Zanzibar' – a members bar in Covent Garden – and Restaurant 192. Tony and his partners got to work and The Groucho Club was created.
Premises were found in Soho, the bohemian heart of London, and the doors opened to a membership drawn from the Arts, Publishing, Film, Music and Advertising, many of whom were working in the area. It soon became the approved watering hole for the creative industries. With bars, two restaurants, private event rooms and twenty bedrooms, The Groucho Club is the benchmark for a new generation of members clubs both opening in the area and internationally.
Members [edit]
Anyone may apply for membership, but applications are favoured from individuals working in the creative side of media and the arts and who are proposed by two existing members.
Well-known members of the Club include William Orbit, Noel Gallagher, Alex James, Janet Street-Porter, Melvyn Bragg, Stephen Fry, Robin Millar, Robert Elms, Richard Bacon, Victor Lewis-Smith, Sheridan Smith, Rachel Weisz, Noel Fielding, Damian Lewis, Zadie Smith, Fay Wheldon, Terry Pratchett, Danny Wallace, Matthew Bellamy, Roy Hudd, Max Keiser.

Councillors and police 'had sex' with Rotherham abuse victims.
Casey's investigation was ordered last year after a report by former chief inspector of social work Alexis Jay, which blamed Rotherham council and South Yorkshire Police for failing to prevent the "appalling" abuse of 1,400 children by gangs of men between 1997 and 2013. Girls as young as 11-years old suffered rape by multiple attackers, trafficking across the North East, abductions, beatings and intimidation. The reports found that councillors and police officers were aware of the abuse, but chose to "disbelieve, suppress or ignore" it.

Police Exposed for Ignoring Child Rape Victims as Pedophilia Scandals Rock Britain

Children reporting violent sexual crimes are not being taken seriously by the police, Britain's victims' .
Newlove said the authorities are failing young people that come forward with stories of abuse, making them feel like criminals themselves.
In some cases, children said they were simply not believed or told that they were wasting the police's time.
"They didn't care because we were three teenage girls," a young woman said in describing how the police reacted to her call about an assault.

Groucho Club Child Abuse Forum

A massive child abuse network was exposed operating on the celebrity haunt, the Groucho Clubs private members forum.

· The Groucho 9lub private members forum had 42,000 members, 900,000 posts and children available for sex as young as 5 years old.

· After 24 reports to the Police, they failed to investigate, after complaints were made to certain MP's the Police issued a false report with many denials. The report absolved the Police and the Groucho Club of any wrongdoing.

· The Groucho Kingpin is none other than John H J Lewis a top tory heavyweight who donated over £20,000 to Jeremy Hunt who then failed to declare it. Questions need to be asked about exactly what this money was for. Also, did Jeremy Hunt know about the Child Abuse network on the Groucho members forum owned and operated by his political cohort John H J Lewis.

· Many of the celebrities arrested or convicted often frequented the Groucho Club including infant molester Ian Watkins. The Groucho management refuse to comment on Watkins activity at the club. They also refuse to comment on Glitter, Saville, Harris, Hall and Max Clifford

· The whole Groucho Club Child abuse network have now moved on, no searches made, no arrests made, no one questioned. The investigation was closed down quickly and quietly without even contacting the reporter who made the many complaints to the Police.

· The Groucho Club instigated a liable action against the reporter who fought the case as a litigant in person and gathered volums of evidence against management of the club. He won the libel case and a bankruptcy petition instigated against him by the Groucho club and also was awarded costs.Groucho did not know the reporter was a former surveillance specialist.

The is a child abuse cover up, it needs to be investigated, it needs an public inquiry. The people responsible for covering this reprehensible network of paedophiles up need to answer for their criminality.

SAVILE ABUSED DYING CHILD, 11 AT GREAT ORMOND ST
Britain's worst sex beast

Sir Clement Freud was a ‘predatory paedo who sexually abused girls as young as 11

2003-12-02

1. What do you enjoy about the UK and what was it that made you move here?

What made me move here is a strange story, I lived in the United States and Richard Branson asked me if I could fly with him on the inauguration of Virgin Atlantic over 20 years ago, and next to me sat Sir Clement Freud, who was then a member of parliament.

I happen to be related to Sigmund Freud myself, my mother is a Freud and my name in my British passport is Uri Geller Freud, and I invited Clement to my home in Conneticut and he somehow managed to convince us that England is a much more civilised country than the US. My kids were small then and I said maybe it’s about time we moved, and that’s why we moved here.

The Rome Observer [ran] a story of how the Italian police have broken up a paedophile ring which had been kidnapping non-Jewish children aged between two and ve from

orphanages, and then raping and murdering them. The paedophile ring had lmed these rapes and murders for the bene t of the global \snu lm" industry. . . .
The Jews struck back. The problem is that this paedophile ring consisted of eleven Jewish gangsters, and the Italian broadcast media had been so bold as to inform their more than eleven million viewers of such, and even go so far as to broadcast footage of these Jewish gangsters' arrests! . . . [T]he Jewish community in Italy went mad, claiming \blood libel," and demanded that the Jewish elite who sat on the board of the TV network responsible . . . re the news executives who allowed this story to be broadcast. This was, of course done, and incidentally, none of America's news networks carried any report of this Jewish paedophile network story. |
archive.org/details/TheSynagogueOfSatanAndrewCarringtonHitchcock

In Russia, for example, tra#ckers prey on orphanages. In a typical scenario, a tra#cker will pay an orphanage director approximately $12,000 to take a group of children on a ` field trip' to the local McDonald's, for example. Groups of children will then leave the orphanage with the trafficker and never be seen or heard from again."
. . . . Congressman Smith, of course, did not dare to identify the slave traders who abduct Russian girls from orphanages and force them to become sex slaves, but I'll tell you who they are. They are members of the Organizatsiya, the Jewish organized crime syndicate misleadingly referred to by the media in this country as the Russian Mafia." | Dr. William L. Pierce; \The Rubes and the Carnies"

I don't believe in western morality, i.e. don't kill civilians or children. . . . The only way to ght a moral war is the Jewish way: Destroy their holy sites. Kill men, women, and children (and cattle). | Rabbi Manis Friedman
web.archive.org/web/20090605154706/http://www.momentmag.com/Exclusive/2009/2009-06/200906-Ask Rabbis.html

The most instinctive answer which the Jew makes to any criticism of his race coming from a non-Jew is that of violence, threatened or inflicted. . . . Of recent months the country has been full of threats against persons who have taken cognizance of the Jewish Question, threats which have been spoken, whispered, written, and passed as resolutions by Jewish or-ganizations. | Henry Ford's The International Jew ; vol. 2, chapter 39

After twenty-four years, Mr. Porter disclosed the fact that his cryptographic sta in the [American] Embassy at Beirut [in 1967] had intercepted . . . communications between the commander of the Israeli air squadron and the Israeli High Command, which proved that the latter knew that the Liberty was an unarmed American naval vessel. . . .
When the Israeli bombers and torpedo-planes were sent to attack and destroy the ship, the Jewish commander, seeing that it was an American vessel, had misgivings and reported
to the High Command, which simply repeated the orders to attack and sink the Liberty. . . .
Lyndon Johnson . ordered the Navy to cover up the attack and intimidate the survivors. . . .
And, naturally, there were the usual hints of a boycott and other reprisals against the vile newspaper that had dared to publish an article that was not laudatory of the Master Race.
The underlying thought was clear. Why so much foolish talk about a trivial incident?

The Jews merely killed thirty-four of their American pigs and wounded 171, maiming some.
What was wrong about that? Doesn't everyone know that, as . . . the Holy Talmud explicitly states, only Jews are human beings? That the lower animals can have no rights? | Revilo P. Oliver; A Bit of Good News" (www.revilo-oliver.com/rpo/Bit_of_Good News.html)

a) a bastard
b) MIXED POPULATION (figurative)
c) born of a Jewish father and a heathen mother or vice versa
Bastard:
"A person of illegitimate birth. The term may refer to the offspring of incest. A mamzer shall not enter into the congregation of the LORD; even to his tenth generation shall he not enter into the congregation of the LORD.

TALMUD CONDEMNED BY CATHOLIC CHURCH
Formal accusations were made against the Talmud in 1242
before Pope Gregory IX, charging that it "contained blasphemies
against God, against Jesus, and against Christianity." The Pope appointed a commission to hear the charges, the Jews were represented by "Jehiel son of Joseph of Paris" and three others; evidence was introduced and a trial was had. The commission
sustained the charges and ordered the Talmud burned, and accordingly
"Twenty-four cart-loads of Hebrew books were committed to the flames in Paris. . . In 1247, at the solicitation of the Jews, the case was reopened and the Talmud condemned a second time."2 5
The Talmud was proscribed in Spain in 1415, and it was ordered burned in Italy in 1559

CHURCHILL CABLEGRAM
In October 1939 following the Munich appeasement conference, Churchill sent the following cablegram through the State Department in the code of our State Department, to President Roosevelt:

"I am half American and a natural person to work with you. It is evident we see eye to eye. Were I to become Prime Minister of Britain we could control the world."4 3
This enigmatic cablegram needs interpretation. What does he mean by saying, "I am half American and a natural person to work with you: It is evident we see eye to eye"? It is very clear that he means by "we see eye to eye" that he knew M r . Roosevelt was trying to bring about war. It was the language of a hybrid Jew to a hybrid Jew and from an ambitious war-maker to an ambitious war-maker, and M r . Roosevelt no doubt understood it. It also meant that Churchill was against the Munich agreement just as Roosevelt was.
Why should Mr . Churchill tell the President of the United States "Were I to become Prime Minister of Britain we could control the world"? There is the very clear implication that this was a bid for the President's influence to help get him the job.It is not clear what the President could do to help him, but Churchill evidently thought he could do something, and probably he could and did, through American Jewish influence. There can be no mistake about the fact that these two ambitious men were really out to control the world and not to establish the "four freedoms" and the "Atlantic Charter" as they afterwards pretended P43

"A Racial Plan for the Twentieth Century"
Israel Cohen 1912
We must realize that our party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the whites, we can mould them to the program of the Communist Party. In America we will aim for subtle victory. While inflaming the Negro minority against the whites, we will endeavor to instill in the whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise in prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige, the Negro will be able to intermarry with the whites and begin a process which will deliver America to our cause.
Count Richard von Coudenhove-Kalergi was the founder, and President for 49 years, of the Pan-European Union, the forerunner of the EU. In his 1925 book, 'Praktischer Idealismus,' he says this:
"The man of the future will be mixed-race... The Eurasian-Negroid race of the future... will replace the diversity of peoples... Russian Bolshevism constitutes a decisive step towards this purpose, where a small group of Communist spiritual aristocrats govern the country...
Jewry surpasses all other peoples in percentage of important men... with Trotsky as the frontrunner of modern politics... The prominent position held by the Jews these days is owed to their spiritual supremacy... Modern anti-Semitism is one of the many reactionary phenomena of the mediocre against the supreme."
In 1950, the Count was awared the first Charlemagne Prize. Other winners of the award have included, Winston Churchill, Henry Kissinger, Edward Heath, Bill Clinton and Tony Blair. Of mixed-race himself, two of his three wives were Jewish.
THE GENOCIDAL ANTI-WHITE NARRATIVE
Flood EVERY & ONLY white countries with hundreds of millions of non-whites
Create assimilation laws that restrict whites from having any states, counties, cities, towns, villages, neighborhoods or schools to themselves
Institute "diversity" policies to replace white kids in schools, universities, and employment
Promote miscegination & demonize those opposed to it
Create "Hate Speech" laws that make it a criminal act for whites to object to their genocide
Dehumanize White kids by telling them they're a privileged "social construct" that are not worth preserving
Demonize White history while canonizing the history of non-whites
Coverup the alarming number of violent crimes committed against whites
Silence, harass, threaten, fire, demonize, or physically assault anyone who opposes the above policies
"I think there is a resurgence of anti-Semitism because at this point in time Europe has not yet learned how to be multicultural. And I think we are going to be part of the throes of that transformation, which must take place. Europe is not going to be the monolithic societies they once were in the last century. Jews are going to be at the centre of that. It's a huge transformation for Europe to make. They are now going into a multicultural mode and Jews will be resented because of our leading role."
-- Barbara Lerner Spectre, Sweden, Founder of Paideia, European Jewish Fund in Sweden

Cameron said, "MPs do not represent the people of Britain properly because they are too white," but he has also said, "There are so many Jews at the top of Britain's Conservative party that it should be known as the Torah party rather than the Tory party." Jews which are only a small percentage of the population are vastly over-represented in parliament as well as every place in power due to Jewish privilege and nepotism, and Cameron says it is good and there should be more. While people who are of actual British ancestry running their own government is bad, he says, and Britain should be run by non-Britains.[14]
In July 2014, he then began firing everyone who was both male and white (both not jewish) he could find, replacing them with nonwhites and women. If anyone in Britain had specifically targetted white women or a nonwhite ethnic group, they would've been immediately forced out of their position and if they were a company owner doing this they would've been forced to sell their company.[15]He also implemented a new "Happiness Index" by saying the more nonwhite friends and the less white friends a person has, the less "racist" they are, and the better they are.[16]

The full extent of the shocking links between three senior Labour figures and a vile group that tried to legalise sex with children can be exposed today.

The trio held key roles in a human rights organisation that supported the notorious Paedophile Information Exchange.

Labour's deputy leader Harriet Harman, her husband, home affairs spokesman Jack Dromey, and former health secretary Patricia Hewitt were all leading officials in the National Council for Civil Liberties.

Astonishingly this Left-wing group granted 'affiliate' status to PIE and built close links with it.

Rabbi Laura Janner's father-Jewish politician Greville Janner or Lord Janner of Braunstone is a prominent ex-barrister, who represented Leicester as a Labour MP for almost 30 years nearly as long as he has been raping European children.Janner served as president of the Board of Deputies of British Jews between 1978 and 1984. This is the main representative body for Jews squatting in Britain.Janner currently charged(has since died of old age without ever being prosecuted) with 22 accounts of child rape spanning over 40 years. The son of Barnett Janner and Elsie Sybil, née Cohen Jewish parents born in Lithuania. Evacuated to Canada during WWII at the age of 18 the son Greville Janner eagerly joined the British Army as part of the contrived 'War Crimes' Investigation Unit near a former Labour camp in Jewish occupied Germany. This unit also ran the notorious London Cage and as the work of the Cage wound down the interrogation of prisoners was switched to a number of allied prison camps in Germany. evidence does show that the treatment meted out in these places was much worse and it is clear that one camp in the British zone became particularly notorious. Janner the torturer ,Most of the intelligence officers accompanying US and British forces into the Reich were Jewish and the most brutal of the interrogators, examiners and screeners and given Janner's predilections the manner of depravity visited upon German prisoners of War (POW's) can be deduced.

Both during and after the war, the Allies tortured German prisoners. In one British center in England, called “the London Cage,” German prisoners were subjected to systematic ill-treatment, including starvation and beatings. The brutality continued for several years after the end of the war. Treatment of German prisoners by the British was even more harsh in the British occupation zone of Germany. At the US internment center at Schwäbisch Hall in southwest Germany, prisoners awaiting trial by American military courts were subjected to severe and systematic torture, including long stretches in solitary confinement, extremes of heat and cold, deprivation of sleep and food, and severe beatings, including kicks to the groin.

Talmudic Judaism has the most intense hatred for Jesus.
While some Jews will deny that the Talmud teaches such things, Benjamin Freedman, a former Talmudic Jew, stated that:
"there have never been recorded more vicious an vile libelous blasphemies of Jesus, of Christians and the Christian faith than you will find between the covers of the 63 books of the Talmud which forms the basis of Jewish religious law, as well as being the textbook used in the training of rabbis".

CHRISTIANS MUST BE EXTERMINATED

Since, however, it is not always and everywhere possible to effect this extermination of Christians, the Talmud orders that they should be attacked at least indirectly, namely: by injuring them in every possible way, and by thus lessening their power, help towards their ultimate destruction. Wherever it is possible a Jew should kill Christians, and do so without mercy.

Article I. - HARM MUST BE DONE TO CHRISTIANS

A Jew is commanded to harm Christians wherever he can, both indirectly by not helping them in any way, and also directly by wrecking their plans and projects; neither must he save a Christian who is in danger of death..... Since, however, it is not always and everywhere possible to effect this extermination of Christians, the Talmud orders that they should be attacked at least indirectly, namely: by injuring them in every possible way, and by thus lessening their power, help towards their ultimate destruction. Wherever it is possible a Jew should kill Christians, and do so without mercy.

Honest Jew Rabbi Harry Waton says Hitler was right and that Judaism is poison to the Ayran races
"[Adolf Hitler] has no doubt in his mind that the Jewish problem is the center of all problems, not merely in Germany, but in the world. "We tolerate no one in our ranks who attacks the ideas of Christianity. In fact, our movement is Christian."
Adolf Hitler, October 27, 1928

Wilhelm Brach, pastor, professor German Christians member,1983 Interview.
It was clear to me that the God of the European peoples made this people separate, and distinct. We are blessed above all others, bonded by blood, sanctified by His grace. No other peoples on this earth share what we have, yet our creator has given all people a distinct way to worship his creation.The Jew blurs this, and tries to mix it together to weaken the whole. By removing the distinctness of race from religion, they understood they could destroy God's way of giving people strength through identity, which keeps his creation healthy. This is their poison, and it kills very slowly. We would often have talks regarding the loss of identity in Gods people, who they were and who they are not.1933, Hitler was elected as chancellor, I joined the NSDAP. I had many contacts within the new government, and particularly the party, Alfred Rosenberg . Many Christians were unhappy with the Church, and this gave way to us forming the German Christian movement, which was in a way a revolt against the modern corrupted one. Alfred was a very good writer, and he asked me to write my conscious out so it could be published.Our basic tenant was that the people who call themselves Jews, and who bribed their way into writing parts of the Bible, are not the Israelites the Bible is written to, for, and about. Jews tend to have distinct bloodlines, which are more related to the East, not the Holy Land. While they seem to be most welcoming, and tolerant of Christians, they work behind a mask to secretly destroy. Their main goal is to get us to forget how important race is to our creator, that way they can promote our destruction.Many in Europe understood this, and we were put to work in the universities, and seminaries to spread the truth, and issue the warning. At first we were met with some hostility, they infiltrated the Church, and revolted against being exposed. We now had a government that supported us, and we had many voted out. Some even going to prison for lying to attain positions, and stealing from the Church. When it was voted on to form this union, a warmth of peace came over us all. The breath of God it was called.Was not the government anti-Church, and anti-Christian?Wilhelm: Not in any way, under NS Germany was the most religious friendly it has ever been since the age of Charlemagne. One of the Führer's first acts was to start rebuilding crumbling Churches. He did have to battle a few in the Catholic Church, who wanted to try to use him to achieve an imbalance of power, to turn the nation to its side, and he refused. Peace was made in the

end.While there was a strict separation of the state and Church, so that no one denomination could bribe, or try to usurp power, the state was pro Christian. Our enemies made up this lie to convince the masses that NS is ungodly, and hostile to Christians.

DNA Analysis Proves That Serial Killer “Jack The Ripper” was a Jew from Poland
The results obtained from the study of well-preserved crime scene evidence shocked many researchers, matching genetic markers highly prevalent among Jews of Eastern European origin. When compared to the list of suspects, Aaron Kosminski, a creature described as an “insane Polish Jew,” appeared as the almost certain culprit. This was further verified by comparing the samples with those of his living descendants, unfortunately still contaminating English territory

Zac Goldsmith- His focus is to nurture the perception that the 'White West' is responsible for 'ecological' problems constructed or amplified by international Marxism. Consequently, in 2005 he was appointed Deputy Chairman of a political correct 'climate change' construct concealed behind the banner 'Conservative 'Quality of Life' Policy'. The purpose of this group was to produce a report subjecting British industries to a tax for Marxist constructs like 'carbon emissions' and 'climate change'. On 14th March 2013, Goldsmith married secondly banking heiress Alice Miranda Rothschild at London Wetland Centre in his constituency.

# Inquiry into two more politicians

THE private lives of at least two other MPs reputed to have links with the seamy rent boy scene in London's West End, have been investigated by Scotland Yard.

And last night, senior detectives blamed politicians for dragging their feet in taking action against any MP involved.

They also claimed that infiltration of male prostitutes into the corridors of power at Westminster is growing steadily, and already numbers double figures.

By day, the young men work inconspicuously in the Commons as MPs' researchers, concealing their night-time double life as male prostitutes.

The names of the two other politicians — as well as those of showbusiness personalities and businessmen — surfaced during a special Yard inquiry codenamed Operation Circus, into male vice around the Piccadilly Circus area.

Detectives investigating the activities of London's gay community have often complained of being dogged by legal restrictions as well as in-built hostility towards police.

One senior Yard source said: "There is a marked reluctance by the authorities to prosecute any politician unless they can help it.'

Detectives had statements from several other male prostitutes relating to their activities with Proctor which could have led to charges.

But because the activities dated back more than a year, he could not face charges.

Kray Twins.
Twin brothers Ronald “Ronnie” Kray (24 October 1933 – 17 March 1995) and Reginald “Reggie” Kray (24 October 1933 – 1 October 2000) were Jewish gangsters who were the foremost perpetrators of organized crime in the East End of London during the 1950s and 60s and controlled by Jewish mafia godfather Meyer Lansky in America. With their gang, “The Firm”, the Krays were involved in armed robberies, arson, protection rackets, assaults, and murder. Mainstream has also established that both twins were homosexual, in an incestuous relationship and heavily involved in the Paedophile scandal now being investigated. The Krays came to public attention when an exposé in the tabloid newspaper Sunday Mirror revealed that Ron had had a sexual relationship with Lord Boothby, a UK Conservative Party politician. The Labour Party’s MP Tom Driberg was also rumoured to have had a relationship with Ronnie. After the twins threatened the journalists involved the newspaper backed down. Jewish Legend - The Gay TwinsWith this in mind the media were now unwilling to expose the Krays’ connections to government and the Conservative Party was reluctant to press the police to end the Krays’ criminal power for fear that the Boothby connection would again be publicised. Ronnie also had a boyfriend in prison and Reggie was married for 8 weeks. The official story was that she committed suicide but Reggie admitted on his death bed that Ronnie had murdered her through jealousy.

Bob Geldoff.(Another Charity front for International Jewry.)
Robert Frederick Zenon “Bob” Geldof, KBE (born 5th October 1951) is a Jewish singer, songwriter, author, occasional actor whom the Zio–Marxist regime has elevated to spokesman for the global conscience. His widely recognisable trademark is convincing ever more destitute Europeans to part with their hard earned cash for the ‘poor starving Africans’-another charity front for international Jewry. Geldof was born and brought up in Dún Laoghaire, Ireland, a son of Robert and Evelyn Geldof. His paternal grandfather Zenon Geldof was a Belgian immigrant and his paternal grandmother, Amelia Falk, was a Jewess born in London. Geldof has received many awards including in 2011 an honorary doctorate of Philosophy from Ben-Gurion University of the Negev in Israel, for his decades of ‘charity’ work for the Jewish agenda. His daughter Peaches who died at the age of 25 of a heroin overdose was married to a Kohanim-the Jewish pop musician Thomas Cohen. Just prior to her death Peaches Geldof faced a criminal investigation for tweeting names that may have identified victims of paedophile rock star Ian Watkins. Bob Geldof’s ex-wife Paula Yates wrote that Geldof had threatened them repeatedly with the phrase, “Don’t

Russell Brand
Russell Edward Brand (born 4 June 1975) is a 'comedian', actor, radio host, author, and Jewish Zionist stooge. Russell Edward Brand was born in Orsett Hospital in Grays, Essex, England. Brand's parents split up when he was six months old, and he was raised by his mother. In typical Marxist fashion he claims to have had a 'difficult childhood' and throws in sexual abused at aged 7 constructing a scenario to 'excuse' the substance abuse. Also in keeping with the classic 'victim' mentality encouraged by Jewish Marxism and conducive to the Marxist notion of 'maltreated' children Brand has experienced a period of self-harm, been diagnosed bipolar and is suffering from bulimia. Brand is dating Jemima Khan (nee Goldsmith). Jemima's father was Sir James Michael "Jimmy" Goldsmith a Jewish billionaire financier and tycoon. Jemima has two brothers; Zac Goldsmith Tory MP who is married to Alice ROTHSCHILD, and another brother called Ben Goldsmith, who up until last year was married to Kate ROTHSCHILD. Meanwhile, Brand markets himself as some sort of 'peoples' activist and as such in June 2014, he took part in the People's Assembly Against Austerity, a Government operated event backed by Marxist Trade Unions, fundamentally a controlled release for the mass. There are also a variety of posters depicting Brand with Communist iconography indicating his passion for this alien ideology.

Uri Geller--Uri Geller (born 20 December 1946) is a Jewish outwardly an amatuer stage magician who claims to possess supernatural powers. Geller was born in Jewish occupied Palestine, to Jewish parents Itzhaak Geller (Gellér Izsákand Manzy Freud (Freud Manci). It is claimed that Geller is a distant relative of Sigmund Freud on his mother's side. At the age of 18 Geller served in the Israeli Army's Paratroopers Brigade during the 1967 Six-Day War. During 1968 and 1969 he began to perform for small audiences as a nightclub entertainer becoming well-known in Israel. In 1975, Geller published his first autobiography, My Story, and acknowledged that, in his early career, his manager encouraged him to add a magic trick to his performances. This trick involved Geller

appearing to guess audience members' license plate numbers, when in fact his manager had given them to him ahead of time. Geller is president of International Friends of Magen David Adom, a group that lobbied the International Committee of the Red Cross to recognise Magen David Adom ("Red Star of David") as a humanitarian relief organisation even though it specialises in Jewish welfare. A self-confessed Mossad agent the proof of which has been exposed by declassified documents Geller is close friends with Jewish child rapist Greville Janner. Like Savile the BBC provided Geller with a rather unique cover. Presenting him as an eccentric crank not to be taken seriously with talents as equally limited as Savile, Geller had the uncanny ability to move round freely in powerful circles. Nevertheless, following the police search of Janner's Westminster offices in March 2014 Geller revealed that he was quitting his mansion of 34 years in the UK for a small apartment in Jewish occupied Palestine. One cannot help but view this sudden move in connection with Janner, Savile and the intensive paedophile investigations it has uncovered.

# WHITES WITHOUT BLACKS

# BLACKS WITHOUT WHITES

BURN the Coal pay the TOLL.

Mixed race relationships are also more likely to split up but what really is even more alarmingly nowadays is the high rate of white women being murdered by their black husbands or boy friends. Statistics clearly show that a white woman is more likely to be killed by a black man in a relationship than with a white man or other, and white men are twenty one times more likely to be murdered by a black wife than by a woman of another race. As of this writing femicide i.e., the homicide of women, is the leading cause of death in the United States among black and white mix race relationships. Black males are 33% more likely to murder their spouse if she is white instead of black.
Even three month old babies know more about race than most adult Europeans and show a preference for the faces of their own race even when they are of people they have never seen before. They instinctively know what race they are. Which race face is it that a three month old mixed race babies find comforting? The natural state of babies and children is racist and this lasts until they are old enough to understand and succumb to the liberal programming that all whites are now being subjected to.

The Negroes In Negroland by Hinton Helper. 1868 as Pdf.

Bello, the Governor of Sackatoo, said that whenever a person complained of sickness amongst the Yamyams, even though only a slight headache, they are killed instantly, for fear they should be lost by death, as they will not eat a person that has died by sickness ; that the person falling sick is requested by some other family, and repaid when they had a sick relation ; that universally when they went to war, the dead and wounded were always eaten ; that the hearts were claimed by the head men ; and that, on asking them why they eat human flesh, they said it was better than any
other, and that the heart and breasts of a woman were the best part of the body." Denham and Qlappertons Africa, Vol. IV., page 262.

Physical and Mental Characteristics of the African or Occidental Negro - 1865

The wars of the Negros are but the incursions of savages, their chief object being plunder and the main booty (man) to be sold into slavery, or offered up as a sacrifice to some demon. On the western side of the continent firearms are the usual weapons, furnished by European nations ; but on the eastern, the bow and arrow are more frequent. The art of war is somewhat more skilful where the Arabs have intermixed with the natives, and here alone we find a cavalry. Government among the Negros is in the rudest form of a despotism the most absolute and unrestrained. Among no people is human life held so cheap. This is evinced by the slavery both of the western and eastern coasts, and by the human sacrifices of Ashantee and Dahomey. No Negro people has even had the capacity to build up an empire.

The Race Riots of 1919 - England
Liverpool- The Blacks then went on a general rampage, assaulting three old men and a policeman. A crowd of about 2,000 Whites gathered, but were dispersed by the police.The Blacks were not grateful for their rescue, however, and showed their resentment
of police interference by shooting one policeman in the mouth and slashing another across the face with a razor. Rioting broke out again on Sunday 8th June. An account of subsequent court proceedings said that a Coloured man had been running along the street waving an
iron bar and shouting “Down with the white race.”10 The account continued: “White men appear determined to clear out the blacks, who have been advised to remain indoors. This

counsel many of them disregard, and late on Sunday a large body of police had to be requisitioned to prevent serious consequences. Whenever a negro was seen he was chased and, if caught, severely beaten...

Jewish politician Greville Janner or Lord Janner of Braunstone is a prominent ex-barrister, who represented Leicester as a Labour MP for almost 30 years nearly as long as he has been raping European children.Janner served as president of the Board of Deputies of British Jews between 1978 and 1984. This is the main representative body for Jews squatting in Britain.Janner is currently charged with 22 accounts of child rape spanning over 40 years. The son of Barnett Janner and Elsie Sybil, née Cohen Jewish parents born in Lithuania. Evacuated to Canada during WWII at the age of 18 the son Greville Janner eagerly joined the British Army as part of the contrived 'War Crimes' Investigation Unit near a former Labour camp in Jewish occupied Germany. This unit also ran the notorious London Cage and as the work of the Cage wound down the interrogation of prisoners was switched to a number of allied prison camps in Germany. evidence does show that the treatment meted out in these places was much worse and it is clear that one camp in the British zone became particularly notorious. Janner the torturer ,Most of the intelligence officers accompanying US and British forces into the Reich were Jewish and the most brutal of the interrogators, examiners and screeners and given Janner's predilections the manner of depravity visited upon German prisoners of War (POW's) can be deduced.

# No action against Janner

Police yesterday confirmed that no action is to be taken against Greville Janner, Labour MP for Leicester West, after allegations against him at the trial of the children's homes head, Frank Beck, who received five life sentences last week at Leicester crown court for sex offences against young people.

# Greville Janner named in court as child abuser

Ian Katz

A BOY at a children's home was abused and buggered for "two solid years" by a man named as Greville Janner, the Leicestershire child abuse trial heard yesterday.

Frank Beck, aged 49, the former officer in charge of three homes, who is accused of buggering 11 children during a 13-year "reign of terror", made the allegation during his second day of evidence at Leicester crown court.

Asked by John Black, defending, why he had engaged in conversations about sex with children in the home, he replied: "A lot of children had some pretty bad experiences. A number had been abused. A lot felt they were responsible for it.

"One child had been abused and buggered for two solid years by Greville Janner. That child felt guilty, and it was important that it should be talked about so he did not suffer the guilt."

Earlier in the trial, a 31-year-old woman who claimed she had been raped and buggered by Mr Beck, told the jury she had overheard Mr Beck and a boy at the home arguing "about Greville Janner". She said Mr Beck forbade the boy, who said he was a rent boy, from visiting Mr Janner.

Greville Janner, QC, aged 63, has been Labour MP for Leicester West since 1974. He was president of the Board of Deputies of British Jews from 1979 to 1985 and is married with three children.

Mr Beck, who was officer in charge at The Poplars, Market Harborough, and the Ratcliffe Road and Beeches children's homes in Leicester between 1973 and 1986, denies 27 charges of abuse and assault against children aged between 8 and 16 and members of staff.

In the dock with him are two former deputies, Peter Jaynes, aged 42, of Chatham, Kent, who denies indecently assaulting a teenage boy and indecently assaulting and assaulting a girl; and George Lincoln, aged 39, of Sudbury, Suffolk, who denies buggering a 14-year-old boy with Mr Beck.

Mr Beck told the jury that sex was an "open subject" in the homes. Children would be encouraged to talk freely about subjects like masturbation and nudity using "behind the shed" language.

He would, on occasion, tell children to masturbate themselves when their behaviour indicated that they "wished to express their sexuality".

He had discussed sexuality in detail with two children, including the one he said was abused for two years.

Mr Beck denied detailed allegations made by eight former residents of homes where he was in charge. He said he had never met a man called [redacted] whose allegation that he was buggered by Mr Beck was thrown out by Mr Justice Jowitt on Monday.

The jury was shown a photograph of one of the boys, [redacted], which Mr Beck said had been taken shortly after Mr [redacted] alleged he assaulted him, causing him two black eyes and a bruised lip. He said the photograph showed no injury. He said a 31-year-old woman's allegations that she had sexual contact with him while at Ratcliffe Road contained "not a single word" of truth.

The trial continues.

● Last night Stephen Pollard, of Kingsley Napley, lawyers for Mr Janner, said in a statement: "Since the trial is continuing at Leicester Crown Court the matter is sub judice. We have therefore advised Greville Janner that he is prevented from making any statements at this stage."

23 Jun 1941 - Advisor Harold Ickes wrote FDR a memo the day after Germany invaded the Soviet Union, "There might develop from the embargoing of oil to Japan such a situation as would make it not only possible but easy to get into this war in an effective way. And if we should thus indirectly be brought in, we would avoid the criticism that we had gone in as an ally of communistic Russia." FDR was pleased with Admiral Richmond Turner's report read July 22: "It is generally believed that shutting off the American supply of petroleum will lead promptly to the invasion of Netherland East Indies...it seems certain she would also include military action against the Philippine Islands, which would immediately involve us in a Pacific war." On July 24 FDR told the Volunteer Participation Committee, "If we had cut off the oil off, they probably would have gone down to the Dutch East Indies a year ago, and you would have had war." The next day FDR froze all Japanese assets in US cutting off their main supply of oil and forcing them into war with the US. Intelligence information was withheld from Hawaii from this point forward.

Elizabeth Dilling: The Jewish Religion: Its Influence Today
92
Isaiah and New Moon Days
Isaiah, the saintly prophet of Christ (760-698 B.C.), started right off in chapter 1 with his fulminations against Judah and Jerusalem:
'Ah sinful nation, a people laden with iniquity ... children that are corrupters ... Except the Lord of hosts had left unto us a very small remnant, we should have been as Sodom ... like unto Gomorrah ... Bring no more vain oblations ... the New Moons and sabbaths ... it is iniquity ... Your New Moons and your appointed feasts my soul hateth ... I am weary to bear them." (Isaiah 1:4, 1:9, 1:13-14)
They were given then, as their followers are now, a choice, and "if ye refuse and rebel [against the teachings of God] ye shall be devoured with the sword." (Verse 20)

So-called “Judaism” is nothing but Babylonian Talmudic Pharisaism, which at base is crass paganism, pantheistic atheism, a conglomeration of all the forms of paganism concocted through the centuries. New descriptions concocted for this very old satanism, such as “immanence”
(Spinoza); “emanation” (Talmudic Cabala); “dialectical materialism” (Marx) merely dress up old pagan concepts.P81

# The Jewish Peril and The Catholic Church

**Editorial Note**

THAT there has been and still is a Jewish problem, no one can deny. Since the rejection of Israel, 1,900 years ago, the Jews have scattered in every direction and in spite of difficulties and even persecution, they have established themselves as a power in nearly every nation of Europe. Jacobs, in his "Jewish Contributions to Civilisation," glories in the fact that without detriment to their own racial unity and international character, the Jews have been able to spread their doctrines and increase their political, social and economic influence among the nations.

In view of this Jewish problem, which affects the Catholic Church in a special way, we publish the following amazing extracts from a number of speeches recently made under the auspices of a Jewish society in Paris. The name of our informant must remain concealed. He is personally known to us but by reason of his peculiar relations with the Jews at the present time, we have agreed not to disclose his identity nor to give any further details of the Paris meeting beyond the following extracts which, though sometimes freely translated, nevertheless substantially convey the meaning of the original statements.

* * * *

"As long as there remains among the Gentiles any moral conception of the social order, and until all faith, patriotism, and dignity are uprooted, our reign over the world shall not come . . . "

"We have already fulfilled part of our work, but we cannot yet claim that the whole of our work is done. We have still a long way to go before we can overthrow our main opponent: the Catholic Church . . . "

"We must always bear in mind that the Catholic Church is the only institution which has stood, and which will, as long as it remains in existence, stand in our way. The Catholic Church, with her methodical work and her edifying and moral teachings, will always keep her children in such a state of mind, as to make them too self-respecting to yield to our domination, and to bow before our future King of Israel . . . "

"That is why we have been striving to discover the best way of shaking the Catholic Church to her very foundations. We have spread the spirit of revolt and false liberalism among the nations of the Gentiles so as to persuade them away from their faith and even to make them ashamed of professing the precepts of their Religion and obeying the Commandments of their Church. We have brought many of them to boast of being atheists, and more than that, to glory in being descendants of the ape! We have given them new theories, impossible of realisation, such as Communism, Anarchism, and Socialism, which are now serving our purpose . . . The stupid Gentiles have accepted them with the greatest enthusiasm, without realising that those theories are ours, and that they constitute our most powerful instrument against themselves . . . "

"We have blackened the Catholic Church with the most ignominious calumnies, we have stained her history and disgraced even her noblest activities. We have imputed to her the wrongs of her enemies, and have thus brought these latter to stand more closely by our side . . . So much so, that we are now witnessing, to our greatest satisfaction, rebellions against the Church in several countries . . . We have turned her Clergy into objects of hatred and ridicule, we have subjected them to the contempt of the crowd . . . We have caused the practice of the Catholic Religion to be considered out of date and a mere waste of time . . . "

"And the Gentiles, in their stupidity, have proved easier dupes than we expected them to be. One would expect more intelligence and more practical commonsense, but they are no better than a herd of sheep. Let them graze in our fields till they become fat enough to be worthy of being immolated to our future King of the World . . . "

"We have founded many secret associations, which all work for our purpose, under our orders and our

direction. We have made it an honour, a great honour, for the Gentiles to join us in our organisations, which are, thanks to our gold, flourishing now more than ever. Yet it remains our secret that those Gentiles who betray their own and most precious interests, by joining us in our plot, should never know that those associations are of our creation, and that they serve our purpose . . . "

"One of the many triumphs of our Freemasonry is that those Gentiles who become members of our Lodges, should never suspect that we are using them to build their own jails, upon whose terraces we shall erect the throne of our Universal King of Israel; and should never know that we are commanding them to forge the chains of their own servility to our future King of the World."

"So far, we have considered our strategy in our attacks upon the Catholic Church from the outside. But this is not all. Let us now explain how we have gone further in our work, to hasten the ruin of the Catholic Church, and how we have penetrated into her most intimate circles, and brought even some of her Clergy to become pioneers of our cause."

"Apart altogether from the influence of our philosophy we have taken other steps to secure a breach in the Catholic Church. Let me explain how this has been done."

"We have induced some of our children to join the Catholic body, with the explicit intimation that they should work in a still more efficient way for the disintegration of the Catholic Church, by creating scandals within her. We have thus followed the advice of our Prince of the Jews who so wisely said: 'Let some of your children become canons, so that they may destroy the Church.' Unfortunately, not all among the 'convert' Jews have proved faithful to their mission. Many of them have even betrayed us! But, on the other hand, others have kept their promise and honoured their word. Thus the counsel of our Elders has proved successful."

"We are the Fathers of all Revolutions—even of those which sometimes happen to turn against us. We are the supreme Masters of Peace and War. We can boast of being the Creators of the REFORMATION! Calvin was one of our Children; he was of Jewish descent, and was entrusted by Jewish authority and encouraged with Jewish finance to draft his scheme in the Reformation.

"Martin Luther yielded to the influence of his Jewish friends, and again, by Jewish authority and with Jewish finance, his plot against the Catholic Church met with success . . . "

Isherwood-Myth Of Racial Equality

Studies in the educability of school children in multiracial schools in England decisively reveal that Negroid pupils invariably fall behind the others in lessons despite being bom and bred in England in domestic circumstances no different from English children. The explanation of this phenomenon — as conspicuous in America as it is in England — is complex, suffice it to say here, what perhaps to the unprejudiced mind is already obvious, that it is directly associated with a congenital discrepancy in the Negroid brain. Farrakhan was born Louis Eugene Walcott in The Bronx, New York, the younger of two sons of Sarah Mae Manning (January 16, 1900 – November 18, 1988) and Percival Clark, immigrants from the Anglo-Caribbean islands. His mother was born in Saint Kitts and Nevis, while his father was Jamaican. The couple separated before their second son was born, and Farrakhan says he never knew his biological father.[9] In a 1996 interview with Henry Louis Gates Jr., he speculated that his father, "Gene", may have been Jewish

Gates, citing an academic source, says Farrakhan's assertion about his lineage is "highly probable" given that nearly all people of Iberian descent in Jamaica and Barbados are of Sephardic Jewish ancestry.

"We are ready to implement our most important and ambitious program, one that will finally and totally remove from existence the impediments (obstacles) of our absolute control of this earth. I speak of the DEATH of the WHITE RACE, the complete removal of all means of reproduction of the so-called ARYAN race... WE now control the destiny of this race. It is now time to make sure the White race becomes extinct through miscegenation and having a virtually zero birth rate. We have all enjoyed the vision repeated all over this world every day, of the last White children playing with little dark children and knowing that they are being set-up for their eventual destruction. We can ruin the ancient pure bloodline of an Aryan child by convincing him or her of the ALTRUISM of BEGETTING INTERRACIAL children." *~ Abraham Foxman, Anti-Defamation League President, Aug 25, 1998, New York.*

May, 1945: The American Red Cross reported that more than 98% of Americans captured by the Germans will be coming home safely, thanks in part to the food parcels sent to them during the war, which were promptly delivered by the Germans.

May 15, 1945: Eisenhower and Churchill talked about further reducing the rations for the German POWs. Churchill was informed that the POWs have been getting 2,000 calories per day (compared to 4,000 for American troops) and that 2,150 was regarded as an absolute minimum required for sedentary adults living under shelter. Eisenhower failed to tell Churchill that the U.S. Army was not even feeding many DEFs, and that they were feeding others, much less than 2,000 calories per day.

To achieve world government, it is necessary to remove from the minds of men their individualism, loyalty to family tradition, national patriotism, and religious dogmas.

*Marxist George Brock Chisholm, Director-General of WHO, President of WF of Mental Health*

The Jewish people as a whole will be its own Messiah. It will attain world domination by the dissolution of other Races and by the establishment of a world republic in which everywhere the Jews will exercise the privilege of citizenship. In this New World Order the Children of Israel will furnish all the leaders without encountering opposition.

If white men were not complaining, it would be an indication we weren't succeeding and making the inroads that we are.

Our answer will be more immigration, more openness to Islam, more tolerance.

*Jewish Norwegian politician, ex prime Minister of Norway, Jens Stoltenberg*

We are ready to implement our most important and ambitious program. One which will finally and totally remove from existence the impediments of our absolute control of this earth. I speak of the death of the white race. We now control the destiny of this race.

*Jew Abe Foxman, Anti Defamation League President*

I can state with assurance that the last generation of white children is now being born. Our control commissions will forbid that whites mate with whites. The white race will disappear, for mixing the dark with the white means the end of the white man and our most dangerous enemy will become only a memory. Our superior intelligence will easily enable us to retain mastery over a world of dark peoples.

*Jewish Rabbi Emanuel Rabinovich*

Europe has not yet learned how to be multicultural. We are going to be part of the throes of that transformation which must take place. They are now going into a multicultural mode and Jews will be resented because of our leading role. But, without that leading role, and without that transformation, Europe will not survive. We must end the so called White Race.

Germany is a problem, because Germans work harder, have more discipline and are more capable than the rest of Europe. This will always lead to inequality. We can balance this out through the export of as much as possible money out of Germany. It doesn't matter at all how this money will be used, it can also be radically wasted - the important thing is, that the Germans do not have this money. We immediately save the World that way.

*Jewish Joseph "Joschka" Fischer*

I love and promote the death of our Volk!

*Christin Löchner, German leftist*

It is in the Jewish interest, it is in humanities interest that whites experience a genocide. Until white children are burned alive, white women raped, mutilated, murdered and all white men who have not been slaughtered watch powerlessly as their people are terrorised; only then will mankind be on a more equal footing, ready to discuss white privilege and the apparent chip on the shoulder that minorities have.

*Jewish Rabbi Ishmael Levitts*

White people of Britain are nothing more than inbreeds, drunkards and scum.

*Jewish John Mann, Labour MP*

You're [White people] on the endangered list. And unlike, say, the bald eagle or some exotic species of muskrat, you are not worth saving. In forty years or so, maybe fewer, there won't be any more white people around.

There is not a single instance when the Jews have not fully deserved the bitter fruit of the fury of their persecutors ... We come to the nations pretending to escape persecution, we [Jews] are the most deadly persecutors in all the wretched annals of man.

Now the world is populating Europe. One possible reaction for Europe is to accept that migration from the rest of the world is inevitable - and embrace it wholeheartedly. In the long run I expect the nativists to lose.

*Jew Gideon Rachman, Financial Times chief foreign affairs commentator, 12 January 2016*

In Europe alone, the influx of migrants and refugees is already producing irreversible demographic shifts - a great blending of cultures ... time is running out on what has been the world's most privileged ethnic class. We should not - not for one minute - lament the passing of the white-male era.

*Jew David Rothkopf, CEO and editor of Foreign Policy Magazine, 25 January 2016*

When we get ready to take the Unites States, we will not take it under the label of communism; we will not take it under the label of socialism. These labels are unpleasant to the American people, and have been speared too much. We will take the United States under labels we have made very lovable; we will take it under liberalism, under progressivism, under democracy. But, take it, we will.

*Michel Platini, 4th UEFA 'respect diversity' Conference*

We must realise that our Party's most powerful weapon is racial tension. By pounding into the consciousness of the dark races that for centuries they have been oppressed by the Whites, we can mould them to our program. The terms 'colonialism' and 'imperialism' must be featured in our propaganda. In America we will aim for subtle victory while inflaming the Negro minority against the Whites, we will endeavour to instill in the Whites a guilt complex for exploiting the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sport and entertainment. With this prestige, the Negroes will be able to intermarry with the Whites and begin a process which will deliver America to our cause.

Consequently, in 2005 he was appointed Deputy Chairman of a political correct ‘climate change’ construct concealed behind the banner ‘Conservative ‘Quality of Life’ Policy’. The purpose of this group was to produce a report subjecting British industries to a tax for Marxist constructs like ‘carbon emissions’ and ‘climate change’. The mulatto drivers enjoyed using the whip on whites. It gave them a sense of power and was also a protest against their white sires. White women in particular were singled out for punishment in the fields. Sometimes, to satisfy a perverted craving, the mulatto drivers forced the women to strip naked before commencing the flogging and then forced them to continue working all day under the blistering sun. While the women were weeding in the fields in that condition, the drivers often satisfied their lust by taking them from the

rear.Such instances of horrific rape and unwilling sexual union between Irish female slaves and Black slave-drivers, was actually implicitly
encouraged by many of their  masters. Mulatto children, who resulted from such unions, both willing and unwilling, were seen by the plantation masters as a potentially unlimited breeding stock of future native-born slave labor, acquired free of charge and without the costs of transportation. Existing public records on Barbados reveal that some planters went as far as to systematize this process of miscegenation through the establishment of special “stud farms” for the specific purpose of breeding mixed-race slave children. White female slaves, often as young as 12, were used as “breeders” to be forcibly mated with Black men.

Murder of non-Pharisees is always permitted; theft, sodomy, incest, rape are all permitted. For example, the righteousness of grown men violating baby girls under three is a favorite topic for discussion in book after book of the Talmud.P15
Talmudism is the quintessence of distilled hatred and discrimination — without cause, against non-Jews.
Despite the thunderings and prohibitions of the Bible, sodomy in general, and specifically with little children, dead bodies, neighbors' wives and one's own wife is permitted by the Talmud.P66

Britain’s royal family is 100% Jewish.
In conclusion even if the royal family, particularly Kate and William introduce themselves as staunch Christians, since the bride of the family, Princess Diana the wife of Prince Charles, was Jewish, her two sons Harry and William are Jews. On the other hand William's marriage as the inheritor of the crown to a Jewish girl will leave the future of Britain to the hands of the couple's Jewish children.

Many people in Iran and the Iranian diaspora are standing up in support of Israel, despite the Islamic Republic's praise of the Hamas-led terror attack on Israelis, an activist and journalist said.

"It's just been incredible to see that these people who have been told that they're our enemies are, in fact, not at all," Emily Schrader, an Israeli-American journalist, told Fox News Digital. "They're our greatest defenders and their greatest allies. I have nothing but love for the people of Iran and I think I can speak for the majority, if not all of Israeli citizens as well."

Israel declared war on Hamas after the terror group launched a wide-scale attack on the Jewish state last weekend. On Friday, Israeli officials said over 1,300 Israeli civilians were killed by Hamas, while Palestinian authorities said over 1,500 Palestinians died from Israel's retaliatory strikes.
